

Adult Social Care and Services Scrutiny Panel

11 February 2019

Scrutiny Topic:

‘Social Care Support for Older Carers’

Proposed Aim

- To examine, and raise awareness of, the issues surrounding older carers (aged 50+)

Proposed Terms of Reference

- To ascertain the support available to older carers by examining the work that the Council, its partners and voluntary sector organisations are currently undertaking.
- To identify new ways of working by exploring the provision available for key support activities, including guidance and advocacy work, and to consider how this could be advanced further.
- To understand the key issues around, and potential changes to, financial resources and the impact that these may have on service provision.
