2. The Council is committed to achieving effective corporate governance, and has adopted this Local Code of Corporate Governance, which establishes how good governance will be achieved within the organisation.

 - ensuring openness and comprehensive stakeholder engagement;
 - defining outcomes in terms of sustainable economic, social and environmental benefits;
 - determining the interventions necessary to optimise the achievement of the intended outcomes;
 - developing the entity's capacity, including the capability of its leadership and the individuals within it;
 - managing risks and performance through robust internal control and strong public financial management; and
 - implementing good practices in transparency, reporting, and audit to deliver effective accountability.
