Section 1 – Scope of Standing Orders

1. BASIC PRINCIPLES

- 1.1 Purchasing and disposal procedures must:
- Secure the most economically advantageous tender;
 - Be consistent with the highest standards of integrity;
 - Ensure fairness in allocating public contracts;
 - Comply with all legal requirements;
 - Ensure that *Non-Commercial considerations* do not influence any *Contracting Decision*; and
 - Support the Council's corporate and service aims and policies.

2. GENERAL PROVISIONS

- 2.1 Every contract, whether made by the Council, the Executive or an Officer to which the power of making contracts shall have been delegated, **shall be made in accordance with these Standing Orders, and no exemption from any of the provisions of these Standing Orders (where possible) shall be made otherwise than by direction of:**
- 2.1.1 the Council;**
 - 2.1.2 the Executive; or**
 - 2.1.3 the Head of Service concerned, with the prior agreement of the Chief Finance Officer, if they are satisfied that exceptional circumstances justify such an exemption.**
- 2.2 Any contract or sub contract which is substantially (i.e. above 50% of value) for the execution of work shall be treated as such for the purposes of these Standing Orders notwithstanding that it includes the supply of goods, services or materials.
- 2.3 Every contract made by or on behalf of the Council shall comply with the Treaty of Rome and any relevant directives of The European Union for the time being in force in the United Kingdom.
- 2.4 It shall be a condition of any contract between the Council and any person (not being an officer of the Council) who is required to supervise a contract on its behalf that in relation to such contract they shall comply with the requirements of these Standing Orders as if they were an Officer.
- 2.5 Where external funding is received unless otherwise stipulated in the grant criteria the Council's Standing Orders will apply. Obviously where the grant criteria dictates a procurement process then that procedure will take precedent and be followed.
- 2.6 Any breach or non-compliance with these Contract Standing Orders must on discovery be reported immediately to the Audit Manager acting on behalf of the Chief Finance Officer. The Audit Manager shall, after taking legal advice and consulting Strategic Commissioning and Procurement, decide whether each reported breach or non-compliance presents a significant risk of harm to the Council's interests and if satisfied that such risk exists shall undertake any necessary investigation and report the findings to the Chief Finance Officer.

3. RESPONSIBILITIES OF OFFICERS

Officers

- 3.6 **Standing Orders must be complied with strictly. They are minimum requirements and a more thorough procedure may be appropriate for particular contracts.**

(For example, if Standing Order 11.1 would normally require that quotes be obtained, it might be appropriate in the particular circumstances to seek more quotations in writing or tender submissions. Equally it may not always be appropriate to make use of an exemption under Standing Order 5 even if one might apply or be granted.)

Heads of Service

- 3.7 Heads of Service must ensure that their staff comply with Standing Order 3.1.
- 3.8 Heads of Service must ensure that their staff complete the **Council's Corporate Contract Register for all contracts entered into**, which means that notification of any contract award must be provided to Strategic Commissioning & Procurement.

4. RELEVANT CONTRACTS

 - legal advice or representation, or medical advice, or other expert advice required in the context of actual or potential litigation which the Monitoring Officer considers it necessary to obtain.

5. EXEMPTIONS

- 5.1 The Council, the Executive and Executive Members have power to waive the requirement of a standing order in specific instances. **No exemptions can be used if the EU procedure applies.**
- 5.2 An exemption under this Standing Order (5) allows a contract to be placed by direct negotiation with one or more suppliers rather than in accordance with Standing Order 11.
- 5.3 Subject to Standing Order 5.4, all exemptions, and the reasons for them, must be recorded using the appropriate form. Exemptions shall be signed by the Head of Service and countersigned by the Chief Finance Officer and the Monitoring Officer.
- 5.4 The following exemptions only need the signature of the Head of Service and the Chief Finance Officer:
- any contract or sub contract that is substantially for the undertaking of services in which the exercise of professional knowledge and skill is of primary importance;
 - for work, supplies and services which are patented or of a proprietary or special character and for which it is not possible or desirable to obtain competitive prices;

 - where a supplier owns a property and is also a registered service delivering care into those premises (contract value must be below £615,278);

 - where there is no market;
 - where a purchase is to be made using **standing arrangements** with another local authority, government department, health authority, statutory undertaker or public service purchasing consortium; or
 - where a new contract is proposed to be entered into or an existing contract is being extended and a change of supplier would cause:
 - disproportionate technical difficulties;
 - diseconomies; or

- significant disruption to the delivery of Council services.
- 5.5 Where an exemption is necessary because of an unforeseeable emergency involving immediate risk to persons, property or serious disruption to Council Services, Heads of Service may approve the exemption but must prepare a report for the Chief Finance Officer to justify the action taken. If they consider it necessary, the Chief Finance Officer may require that report to be submitted to the next meeting of the Executive.
- 5.6 The Chief Finance Officer must monitor the use of all exemptions, and maintain a record of all exemptions used.

However, documents which relate to unsuccessful Candidates may be electronically scanned or stored by some other suitable method after twelve months from award of contract, provided there is no dispute about the award.

7.4 Prospective Candidates must be notified simultaneously in writing and as soon as possible of any Contracting Decision. If a Candidate requests in writing the reasons for a Contracting Decision, the Officer must give the reasons in writing as soon as possible (see further Standing Order 19.6).

7.5 The Freedom of Information Act 2000 gives a general right of public access to all types of 'recorded' information held by public authorities, sets out exemptions from that general right, and places a number of obligations on public authorities with regard to the disclosures of information. The Council will, as a general rule, allow public access to recorded information where possible and the contractor shall agree to the Council making any disclosures in accordance with the Act.

8. APPROVED LISTS

8.1 This Standing Order shall have effect where the Council has determined that a Standing List or lists shall be kept of persons suitable for undertaking contracts for the execution of specified categories of work or for the supply of specified categories of goods, materials or services within such values or amounts as may be specified.

8.2 Standing Lists should be used where recurrent transactions of a similar type are likely but where such transactions need to be priced individually and cannot easily be aggregated and priced in a single tendering exercise. **Standing Lists cannot be used where the EU Procedure applies.**

8.3.1 Standing Lists shall:

- be compiled following the procedure stipulated in this Standing Order;
- contain the names and addresses of all persons whose requests to be included have been approved by the Head of Service in consultation with the Strategic Commissioning & Procurement Team;

- not enter persons on a Standing List until there has been an adequate investigation into both their financial and technical ability to perform the contract, unless such matters will be investigated each time tenders are invited from that list;
- not preclude persons from inclusion on a Standing List other than for good reasons;
- indicate whether a person whose name is included is approved for contracts of all or only some of the specified categories, values or amounts;
- be kept by the relevant Head of Service who will co-ordinate all enquires in respect of the list.

8.4 Standing Lists must be drawn up after an advertisement inviting applications for inclusion on the list. The advertisement must be placed to secure widest publicity amongst relevant suppliers and not less than four weeks before the list is first compiled. Persons may be entered on a list between the initial advertisement and re-advertisement provided the requirements of Standing Order 8.3 are met.

8.5 Standing Lists and shortlisting criteria must be reviewed at least annually and re-advertised at least every three years, Review means:

- the reassessment of the financial, technical ability and performance of those persons on the list unless such matters will be investigated each time Candidates are invited from that list, and
- the deletion of those persons no longer qualified, with a written record kept justifying the deletion.

8.6 **On re-advertisement, a copy of the advertisement must be sent to each supplier on the list, inviting them to confirm they wish to remain on the list at least four weeks before. If they wish to remain then a review of necessary checks will be completed and they will remain on the list if checks are satisfactory.**

8.7 All Standing Lists must be open to public inspection.

8.8 Where invitation to tender for a contract is limited to persons whose names appear on a Standing List maintained under this Standing Order, an invitation to tender for that contract shall be sent to at least four of those persons. Each person invited to tender must be approved for a contract for the category, value or amount selected. If there are insufficient suitably qualified persons to meet the competition requirement, all suitably qualified persons must be invited.

9. **SELECTIVE TENDERING FOR SPECIFIC CONTRACTS**

9.1 This Standing Order shall apply where the Council has resolved that Invitations to Tender for a specific contract shall be limited to persons who reply to a Public Notice via the NEPO portal and Contracts Finder.

9.2 The manner of issuing the required Public Notice shall be that stipulated by Standing Order 10.2 except that in place of inviting tenders the Notice shall:

- request expressions of interest;
- express the purpose and nature of the proposed contract; and
- provide the registration instructions for the NEPO portal and the closing date and time when expressions of interest must be made.

10. OPEN TENDER

10.1 This Standing Order shall apply where the Head of Service has decided that Tenders for a contract are to be obtained by open tender.

10.2 All tenders will be advertised via Contracts Finder and the advert shall:

- express the nature and purpose of the contract;
- indicate how tender documents may be obtained;
- invite tenders; and
- state the closing date and time by when valid tenders must be returned via the NEPO portal.

Section 3 – Conducting a Purchase or Disposal

11. COMPETITION REQUIREMENTS FOR PURCHASE, DISPOSAL AND PARTNERSHIP ARRANGEMENTS

11.1 Purchasing - Competition Requirements

Where the estimated Total Value for a purchase is within the values in the first, second third and fourth columns of the table set out at Part B of these Standing Orders above, the Tendering Procedure in the fifth column must be followed.

All Relevant Contracts (see Standing Order 4) must be subject to competition, unless there is an exemption as set out in Part B of these Standing Orders above.

Where it can be demonstrated that there are insufficient suitably qualified Candidates to meet the competition requirement, all suitably qualified Candidates must be invited.

11.2 **An Officer must not enter into separate contracts nor select a method of calculating the Total Value in order to minimise the application of these Standing Orders.**

11.3 Where the EU Procedure is required the Officer shall work with Strategic Commissioning & Procurement to determine the method of conducting the purchase.

11.4 Where services are currently purchased internally, i.e. from within the Council, for internal provision, the requirement to obtain other quotations or tenders does not apply. However, Services may choose to seek alternative quotations / tenders for the purpose of market testing.

Disposal

11.5 **Assets for disposal** must be sent to Public Sale except where better value for money is likely to be obtained by inviting Quotations and Tenders. In the latter event, the method of disposal of surplus or obsolete stocks/stores or assets other than land must be determined as follows:

TOTAL VALUE	PROCEDURE
Up to £1,000	two written Quotations or Public Sale

£1,000.01 to £100,000	at least three written Quotations or Public Sale
£100,000.01 and above	Invitation to Tender to at least four Candidates

- 11.6 The sale of goods and materials to staff must be approached with caution and the tendering procedures must be used.

Providing Services to External Purchasers

- 11.7 Providing services to external purchasers must be in compliance with the Local Authority Goods and Services Act.

Partnership Arrangements

- 11.8 Partnership Arrangements are subject to all United Kingdom and EU Procurement legislation and must follow these Standing Orders. If in doubt, Officers must seek the formal written advice of the Chief Finance Officer and Strategic Commissioning & Procurement.

12. PRE-TENDER MARKET RESEARCH AND CONSULTATION

- 12.1 The Officer responsible for the purchase:

- may consult potential suppliers prior to the issue of the Invitation to Tender in general terms about the nature, level and standard of the supply, contract packaging and other relevant matters **provided** this does not prejudice any potential Candidate, but
- must not seek or accept technical advice on the preparation of an Invitation to Tender or Quotation from anyone who may have a commercial interest in them, if this may prejudice the equal treatment of all potential Candidates or distort competition, and
- should seek advice from Strategic Commissioning & Procurement.

13. STANDARDS AND AWARD CRITERIA

- 13.1 The Officer must ascertain what are the relevant British or equivalent, European or International **standards**, which apply to the subject matter of the contract. The Officer must include those standards, which are necessary to properly describe the required quality. The Monitoring Officer must be consulted if the Officer proposes to use standards other than European standards.

- 13.2 The Officer must define Award Criteria in order to ensure the most economically advantageous tender (M.E.A.T.) is secured.

- 13.3 Award Criteria must not include:

- Non-Commercial Considerations;
- matters which discriminate against suppliers from the European Economic Area or signatories to the Government Procurement Agreement; or
- matters which are anti-competitive within the meaning of the Local Government Act 1988.

14. **INVITATIONS TO TENDER**

14.1 The Invitation to Tender shall state that no Tender will be considered unless it is received by the date and time stipulated. No Tender delivered in contravention of this clause shall be considered.

14.2 All Invitations to Tender shall include the following:

- a specification that describes the Council's requirements in sufficient detail to enable the submission of competitive offers;
- A requirement for Candidates to declare that the Tender content, price or any other figure or particulars concerning the Tender have not been disclosed by the Candidate to any other party (except where such disclosure is made in confidence for a necessary purpose);
- A requirement for Candidates to complete fully and sign all tender documents including a form of tender and certificates relating to canvassing and non-collusion;
- Notification that tenders are submitted to the Council on the basis that they are compiled at the Candidates expense;
- A description of the Award Procedure and, unless defined in a prior advertisement, a definition of the Award Criteria in objective terms;
- A stipulation that any Tenders submitted by fax or e mail are not allowed; and
- The method by which arithmetical errors discovered in the submitted tenders are to be dealt with. In particular, whether the overall price prevails over the rates in the tender or vice versa.

14.3 All Invitations to Tender must specify the goods, services or works that are required, together with the terms and conditions of contract that will apply (see Standing Order 21)

14.4 The Invitation to Tender must state that the Council is not bound to accept any Tender and can stop the tender process at any time.

14.5 All Candidates invited to Tender must be issued with the same information at the same time and subject to the same conditions. Any supplementary information must be given on the same basis.

15. **INVITATIONS TO QUOTE**

15.1 The Invitation to Quote shall state that the Council will reserve the right to accept a Quote that is not received by the date and time stipulated in the Invitation to Quote.

15.2 All Invitations to Quote shall include the following:

- a specification that describes the Council's requirements in sufficient detail to enable the submission of competitive offers;
- A requirement for Candidates to declare that the Quotation content, price or any other figure or particulars concerning the Quote have not been disclosed by the Candidate to any other party (except where such disclosure is made in confidence for a necessary purpose);
- A requirement for Candidates to complete fully and sign all quotation documents including a form of quote and certificates relating to canvassing and non-collusion;

- Notification that quotes are submitted to the Council on the basis that they are compiled at the Candidates expense;
 - A description of the Award Procedure and, unless defined in a prior advertisement, a definition of the Award Criteria in objective terms; and
 - A stipulation that any quote submitted by fax or e mail will be rejected unless they have been sought in accordance with tender instructions.
- 15.3 All Invitations to Quote must specify the goods, services or works that are required, together with the terms and conditions of contract that will apply (see Standing Order 21).
- 15.4 The Invitation to Quote must state that the Council is not bound to accept any quote and can stop the quotation process at any time.
- 15.5 Quotations will be received and opened via the Quotation System and it will be the responsibility of the officer to ensure that at least three suitable organisations receive the quote, including the verifying of e-mail and premise addresses.
- 15.6 A minimum of two weeks must be given for the return of quotations.

16. **SHORTLISTING**

- 16.1 Where Standing Lists are used, Shortlisting may be done by the Officer or other authorised representative of the Head of Service in accordance with shortlisting criteria drawn up when the Standing List was compiled (See Standing Order 8.5).
- 16.2 Any Shortlisting must have regard to the financial and technical standards relevant to the contract and may have regard to Award Criteria. Special rules apply in respect of the EU Procedure.
- 16.3 Officers may decide not to Shortlist but to send Invitations to Tender and to evaluate all possible Tenderers.

17. **SUBMISSION, RECEIPT AND OPENING OF TENDERS**

- 17.1 Tenders received via the NEPO portal under Standing Order 11.1 shall have the electronic seal removed at one and the same time by Strategic Commissioning and Procurement.

Period for Candidates response

- 17.2 Candidates invited to respond must be given an adequate period in which to prepare and must submit a proper Tender, consistent with the urgency of the contract requirement. Normally at least **four weeks** should be allowed for submission of Tenders. The EU Procedure lays down specific time periods, which must be adhered to.
- 17.3 All Tenders must be returned using the NEPO portal.
- 17.4 Tenders received by fax or E mail must be rejected.

18. CLARIFICATION PROCEDURES

- 18.1 Providing clarification of an Invitation to Tender to potential or actual Candidates or seeking clarification of a Tender or Quote whether in writing or by way of a meeting is permitted.

19. EVALUATION AND AWARD OF CONTRACT

- 19.1 Apart from the debriefing required or permitted by this Standing Order:

- confidentiality of Tenders and the identity of Tenderers must be preserved at all times; and
- information about one Tenderers' response must not be given to another Tenderer.

- 19.2 Contracts must be evaluated and awarded in accordance with the Award Criteria.

- 19.3 The arithmetic in compliant Tenders must be checked. If arithmetical errors are found they should be notified to the tenderer, who should be requested to confirm or withdraw their Tender. Alternatively, if the rates in the Tender, rather than the overall price, were stated within the Invitation to Tender as being dominant, an amended Tender price may be requested to accord with the rates given by the Tenderer.

- 19.4 If a Tender has been sought on the basis of price only then no such Tender other than the lowest if payment is to be made by the Council, or the highest if payment is to be received by the Council shall be accepted, except:

- by the Executive after considering a report from the appropriate Head of Service; or
- by a duly authorised Officer following consultation with the appropriate Executive Member.

A record of the reason must be made as appropriate.

- 19.5 Details of the amount of each tender shall be made available to all present at the meeting of the Executive at which they are under consideration but no information regarding the identity of individual tenderers in relation to the Tenders received shall be given until a tender has been accepted by the Executive.

- 19.6 The Officer should debrief in writing all those Tenderers who submitted a bid about the reasons why they were unsuccessful and the characteristics and relative advantages of the leading bidder. This should normally include:

- how the award criteria were applied
- the prices or range of prices submitted, in either case not correlated to Tenderers names

The same information may be given to those who responded in any pre-tender selection process. No other information should be given without taking the advice of the Chief Finance Officer and the Head of Commissioning & Procurement.

20. **NOMINATED SUB CONTRACTS**

20.1 The following provisions shall have effect where the Council proposes to enter into a contract for the execution of work with a person (in this Standing Order called 'the main contractor') and also proposes to nominate to the main contractor one or more sub-contractors or suppliers for the execution of work or the supply of goods, materials or services within the main contract.

- Tenders for the nomination shall be invited in accordance with the relevant provisions of Standing Orders 11.1:
 1. the terms of the invitation shall require an undertaking by the tenderer that if selected they will be willing to enter into a contract with the main contractor on terms which indemnify the main contractor against their own obligations under the main contract in relation to the work or goods, materials or services included in the sub-contract;
 2. the Head of Service concerned or their authorised representative shall nominate to the main contractor a person whose tender is in their opinion the most suitable. Provided that where the tender is other than the lowest received, the circumstances shall be reported appropriately;
- Tenders received under this Standing Order must comply with Standing Order 14 and must be opened in accordance with Standing Order 17 of these Standing Orders.

Section 4 – Contract and Other Formalities

21. **CONTRACT DOCUMENTS**

21.1 All contracts with a value in excess of EU Thresholds must be referred to Legal Services for preparation and registrations, whether made in writing or under seal at the sole discretion of the Monitoring Officer, subject only to 21.8.

21.2 In the event of any person withdrawing a Tender after it has been accepted, no further Tender from that person shall, unless the Executive otherwise resolves, be considered for a period of three years from the date of withdrawal.

21.3 With the exception of minor cash transactions made in accordance with financial regulations, every contract for the execution of work or the supply of goods, materials or services shall be created only by one of the following means:

- by the issue of an official order raised via the Council's financial system; or
- where tenders have been invited by the completion of a formal written contract unless the Head of Service or their authorised representative certifies that, owing to the nature of the proposed contract, the interest of the Council will be adequately protected by the issue of an official order form as above.

21.4 In addition, every Relevant Contract over £15,999 for purchases, for works, supplies of goods, materials, consultants or services must also as a minimum state clearly:

- that the contractor may not assign or sub-contract without prior written consent;
- any insurance requirements;

- health and safety requirements;
- ombudsman requirements;
- data protection requirements if relevant;
- that charter standards are to be met if relevant;
- the Council's requirements in respect of Freedom of Information and Human Rights;
- that agents must comply with these Standing Orders relating to contracts (where agents are used to let contracts);
- a right of access to relevant documentation and records of the contractor for monitoring and audit purposes; and
- Whistleblowing arrangements.

21.5 All contracts must be concluded formally in writing before the supply, service or construction work begins, except in exceptional circumstances, and then only with the written consent of the Chief Finance Officer. **An award letter is insufficient.**

21.6 All contracts must include the following paragraph:

“The Contractor recognises that the Council is under a duty to act in a manner which is compatible with the Convention rights as defined by Section 1(1) of the Human Rights Act 1998 (‘Convention Rights’). This duty includes a positive obligation on the Council to ensure that contractors providing services on the Council’s behalf act in a way which is compatible with the Convention Rights. The Contractor therefore agrees to provide the Services and comply with its other obligations under this contract in a manner which is compatible with the Convention Rights.”

21.7 The Officer responsible for securing the signature of the contractor must ensure that the person signing for the contracting party has authority to bind it.

21.8 Where contracts are completed by each side adding their formal seal, the fixing of the Council’s seal must be witnessed by an officer on behalf of the Monitoring Officer. Every Council sealing will be consecutively numbered, recorded and signed by the person witnessing the seal. The seal must not be affixed without the authority of the Council, the Executive or of a Head of Service acting under delegated powers. A contract must be sealed where;

- The Council wishes to enforce the contract for more than six years after it ends
- The price paid or received under the contract is a nominal price and does not reflect the value of the goods or services
- Where there is any doubt about the authority of the person signing for the contracting party
- Where the total value is expected to exceed £181,3-2

22. LIQUIDATED DAMAGES AND PARENT COMPANY GUARANTEES

22.1 Every formal written contract, which exceeds £25,000 in value or amount and is for the execution of works shall provide for liquidated damages to be paid by the contractor in case the terms of the contract are not duly performed.

22.2 The Officer must consult the Chief Finance Officer when a Tenderer is a subsidiary of a parent company and the officer does not think a Parent Company Guarantor is necessary, and:

- the total value exceeds £200,000;

- award is based on evaluation of the parent company; or
- there is some concern about the stability of the Tenderer.

23.2 The Officer must consult the Chief Finance Officer about whether a Bond is needed:

- where the total value exceeds £200,000; or
- where it is proposed to make stage payments or other payments in advance of receiving the whole of the subject matter of the contract.

23. PREVENTION OF CORRUPTION

23.1 The Officer must comply with the Council's Employee Code of Conduct and must not invite or accept any gift or reward in respect of the award or performance of any contract. It will be for the officer to prove that anything received was not received corruptly. High standards of conduct are obligatory. Corrupt behaviour will lead to dismissal and is a crime under statutes referred to in Standing Order 23.2

23.2 The following clauses must be put in every written Council contract:

"The Council may terminate this contract and recover all its loss if the Contractor, its employees or anyone acting on the Contractor's behalf do any of the following things:

- *offer, give or agree to give anyone any inducement or reward in respect of this or any other Council contract (even if the Contractor does not know what has been done); or*
- *commit an offence under the Prevention of Corruption Acts 1889 to 1916 or Section 117(2) of the Local Government Act 1972; or*
- *commit any fraud in connection with this or any other Council Contract whether alone or in conjunction with Council Members, contractors or employees.*

Any clause limiting the Contractor's liability shall not apply to this clause."

23.3 Any suspected irregularity shall be referred to the Audit Manager who shall notify the Chief Finance Officer and Monitoring Officer where necessary. Any examination of contractors' or tenderers' books and records as a result of any such suspected irregularity shall be conducted by the Audit Manager. If, in the investigation of any irregularity, the Chief Finance Officer considers that disciplinary procedures may need to be invoked, the appropriate Head of Service, Head of Legal & Democratic Services and Head of HR Client Services shall also be notified.

24. DECLARATION OF INTERESTS

24.1 If it comes to the knowledge of a member or an employee of the Council that a contract in which he or she has a pecuniary interest has been or is proposed to be entered into by the Council, he or she shall immediately give written notice to the Monitoring Officer.

24.2 Such written notice is required, irrespective of whether the pecuniary interest is direct or indirect. An indirect pecuniary interest is distinct from a direct pecuniary interest in as much as it is not a contract to which the member or employee is directly a party.

24.3 A shareholding in a body not exceeding a total nominal value of £1,000 or 1% of the nominal value of issued share capital (whichever is the less) is not a pecuniary interest for the purposes of this standing order.

- 24.4 The Monitoring Officer shall maintain a record of all declarations of interests notified by Members and officers.
- 24.5 The Monitoring Officer shall ensure that the attention of all Members is drawn to the national code of local government conduct.

SECTION 5 - General

25. POST CONTRACT MONITORING AND EVALUATION

- 25.1 During the life of the contract and in order to inform future commissioning decisions the Officer must monitor in respect of:
- performance;
 - compliance with specification and contract;
 - cost;
 - value for money achieved; and
 - user satisfaction and risk management.

26. COMMISSIONING A CONSULTANT

- 26.1 The engagement of consultant architects, engineers and surveyors or other professional consultants shall be subject to completion of a formal letter, or contract of appointment.
- 26.2 Consultants shall be required to provide evidence of and maintain professional indemnity policies to the satisfaction of the relevant Head of Service for the periods specified in the respective agreement. The excess for any one claim shall be no more than £250,000.
- 26.3 Consultants shall be selected and awarded in accordance with the values and procedures recorded in the table in standing order 11.1 above.
- 26.4 Records of consultancy contract shall be maintained in accordance with Standing Order 7.

27. TECHNICAL AMENDMENTS

- 27.1 The Chief Finance Officer shall have the power to make technical amendments from time to time to make these Standing Orders consistent with legal requirements, changes in Council structures and personnel and best practice, after consultation with the Head of Paid Service, Monitoring Officer, and Chair of the Council.

LETTING OF SCHOOL BASED CONTRACTS – ANNEX 1

This section outlines the Department for Education & Skills (DfES) regulations ensuring compliance with the requirements of the Fair Funding Scheme when letting contracts. The Fair Funding Scheme has been drawn up in consultation with schools and is approved by the Secretary of State. The scheme sets out the financial relationship of schools under delegation with the Council and the areas it covers are required by regulations made under the School Standards and Framework Act 1988.

1. The following must be borne in mind when evaluating tenders and letting contracts:
 - 1.1 Section 2.9 of the Fair Funding Scheme requires that Governing Bodies maintain a register of business interests of governors and Head teachers. This does not preclude participation in discussions about the relative merits of quotations and tenders but does mean those with a declared interest cannot vote on the final decision on the award of a contract. Those with declared interests must not be given any information about the quotations or tenders of other contractors until after the deadline for submission of all quotations and tenders has passed.
 - 1.2 Governing Bodies are acting as agents of Middlesbrough Council when they enter into contracts using funds delegated by the Authority. This means that Governing Bodies enter into contracts on behalf of Middlesbrough Council. Schools must adhere to the terms and conditions within the contract. Section 6.2.3 of the Fair Funding Scheme enables the Authority to charge any costs to a school's delegated budget awarded against it by a court for breach of contract by a school where they have failed to heed LEA advice.
 - 1.3 The status of Governing Bodies of aided and foundation schools gives them additional responsibilities. Governing Bodies of these schools are not acting as agents of the LEA and are not bound by the Financial Scheme when exercising their additional powers or discharging additional responsibilities.
 - 1.4 The provision of services and facilities by the LEA are covered by Section 8 of the Fair Funding Scheme. Although not a legally binding contract the terms and conditions of the Service Level Agreement set out the respective responsibilities of schools and the LEA. The Executive Director of Children Families & Learning will act as arbiter should a dispute arise.
 - 1.5 Section 1.5 of the Fair Funding Scheme suggests the appropriate delegation to Head teachers. This includes delegation to enter into contracts. Governing Bodies are free to determine their own levels of delegation to Head teachers. In exercising delegated powers Head teachers must abide by the contracting processes referred to in this document.
 - 1.6 Section 2.10 of the Fair Funding Scheme does not restrict schools to selecting contractors from approved lists. However, where schools choose contractors who are not on Middlesbrough Council's approved list they must satisfy themselves as to the health and safety competence and insurance cover of the contractor. Schools should also have regard to Child Protection legislation and satisfy themselves that contractors have made adequate arrangements to monitor the activities of employees where they will have access to children during the course of their work. It is essential that schools record their reasons for assessing and selecting a contractor when they let a contract. This is not only considered good practice but also provides essential evidence to safeguard schools and the LEA from litigation claims.

- 1.7 Schools are advised that selecting contractors from Middlesbrough Council's approved list is the preferred method of obtaining quotes and tenders. Details of contractors on the approved list are available, including the type and value of work for which each contractor is approved and their status for tax deduction under the Construction Industry Taxation Scheme (CITS) (see section 7.2 of the Finance Scheme and Annex 5 of the Fair Funding Scheme).
- 1.8 Schools are required to seek at least three written quotations for any contract for goods, materials, services & consultants valued between £16,000 and £53,099. For works at least three written quotations are required for any contract valued between £16,000 and £106,099.
- 1.9 Schools are required to seek tenders for any goods, materials, services or consultants valued over £53,100 and works valued over £106,100.
- 1.10 In all cases where quotations or tenders are sought schools should accept the bid that is most economically advantageous tender. The reasons for accepting a quotation or tender must always be recorded in the minutes of Governing Body meetings where Head teachers have used delegated powers referred to above.
- 1.11 All tenders should be accepted by the full Governing Body (subject to the withdrawal from the decision making process by those with business interests (see above) and delegation to the Head teacher by the Governing Body (see above)). In exceptional circumstances where the lowest tender is not accepted the Governing Body must record its decision in the minutes of the meeting.
- 1.12 Governing Bodies (or Head teachers with delegated powers) must ensure that tenderers have adequate public liability insurance cover of at least £5m for the work or goods and services covered by the contract before contractors are appointed.
