NOTICE OF MOTION**

COUNCIL PROCEDURE RULE NO. 51

MOTION NO.	PROPOSER	SECONDER	MOTION
118	Mr D Budd, The Mayor	Councillor Carr	<p>“This Council supports the principle of a European Union dedicated to achieving economic prosperity, social justice, peace and security. We support a Europe which works for people, through institutions which are democratically accountable.</p> <p>We note that the European Union brings investment in employment and infrastructure, and protection of British workers, consumers and the environment. We believe that it provides a framework for European trade and cooperation in the 21st century.</p> <p>In particular, we note the importance of the European Union for the regional economy. We gain much more than we contribute, and EU support for business in Middlesbrough and the North East sustains many thousands of local jobs.</p> <p>For these reasons, this Council firmly believes that the United Kingdom should remain a member of the European Union.”</p>
