

**COUNCIL MEETING – 30 NOVEMBER 2016  
 QUESTIONS FROM MEMBERS OF THE PUBLIC  
 COUNCIL PROCEDURE RULE NO.8.11**

QUESTION NO.	QUESTION FROM	QUESTION TO	QUESTION
01/2016	J Elder	The Mayor	" Will you explain why, bearing in mind that in this area of Linthorpe, where people pay enormous amounts of Council tax per annum, residents in Roman Rd between Cambridge and Oxford Rds have been repeatedly refused resident parking status, on the grounds that they are too far out of town for a warden to attend, yet in desperation, trying to squeeze their cars in at the bottom end by the yellow lines they are being fined; whilst Beechwood has a system of interlinked roads that are all residents only, when they are much further out and roads, such as Pembroke by The Gardens. are a long way away from The Hospital, which was the excuse for their inclusion, meaning genuine hospital patients, some wheel chair bound, cannot attend on time for treatment at James Cook Hospital, where parking is impossible too?"
02/2016	E Martinez	Deputy Mayor and Executive Member for Regeneration	"Do the Council not realise that the lake is much loved and a water feature would not compensate for the loss of wildlife. We have a unique opportunity to be one of the only large towns in the country to have wildlife in the town centre. All the leading cities are embracing this and Middlesbrough could be leading the way like cities are. Offices could be built at Middlehaven which is very close to the train station."
