QUESTIONS FROM MEMBERS

COUNCIL PROCEDURE RULE NO.8

QUESTION NO.	QUESTION FROM	QUESTION TO	QUESTION
11/16	Councillor T Lawton	Deputy Mayor and Executive Member for Regeneration	I have tried through FOI and OSS (without success) to find out the precise detail of the cost/benefit analysis exercise carried out prior to agreeing the sale of the land of Centre Square East to Ashall Property and their parent company Sherland Property LLP. Therefore I am left without any alternative but to ask for this information through the councils' questions procedure. Would you please provide the hard copy detail of this cost/benefit exercise or alternatively email me the online analysis?
12/16	Councillor T Lawton	Executive Member for Finance and Governance	Through the FOI and OSS procedure I have requested the total amount of loans and mortgages that Middlesbrough Council have made to Sherland Property LLP and not yet received any answer. Will you please reveal the amount of each of the 2 mortgages that Sherland Property LLP have with the council and the term of each loan, confirming the total amount of the loans to Sherland Property LLP from Middlesbrough council and whether these loans are underwritten by insurance companies to protect our council from financial vulnerability in the event of the business failing.
13/16	Councillor T Lawton	The Mayor	Is this council supporting without reservation the triggering of Article 50?
14/16	Councillor T Lawton	The Mayor	The mayor has stated to this council that his vision includes the demolition of our award winning Bus Station and relocate it elsewhere. Is this demolition and relocation still his plan because he recently stated in public that no decision had yet been made on whether the bus station will be demolished?
