QUESTIONS FROM MEMBERS

COUNCIL PROCEDURE RULE NO.29

QUESTION NO.	QUESTION FROM	QUESTION TO	QUESTION
1/17	Cllr Rathmell	The Mayor	<p>In 2012 MBC entered into a section 106 agreement with BDW Limited (David Wilson Homes) as part of that agreement £750,000 was set aside for Chandlers Ridge Primary under the heading provision of education.</p> <p>For the last two years as councillor for Nunthorpe I've had various meetings, including with one of your executive, because there have been many concerns expressed that MBC want to change the agreement.</p> <p>It's been two years since this concern was first raised and at present you have offered no financial stability to the future of Chandlers Ridge. Can you please confirm what MBC's intentions are with the £750,000 from this section 106 agreement?</p>
2/17	Cllr Rathmell	The Mayor	<p>Nunthorpe residents are currently waiting with anticipation for the South Middlesbrough Masterplan to be completed. As part of this plan there is a proposal and ambition by MBC to develop land surrounding the Squash Club on a Guisborough Road. As part of this proposed development residents have been told that they will get a "new park".</p> <p>Before you make promises about a new park is there any plan in place to improve the state of the parks we already have in and around Nunthorpe which are frankly a disgrace and have suffered from neglect by lack of maintenance?</p>
3/17	Cllr Lawton	Executive Member for Finance and Governance	<p>It was reported in the Gazette that over £400,000 was earmarked by MBC for the dismantling of the Tuxedo Royale.</p> <p>What is cost/benefit analysis associated with this projected spend, why is it MBCs responsibility, how will this money be spent and if there are 3rd party contractors involved who are they?</p>

4/17	Cllr J Young	Executive Member for Environment and Commercial Services	Can the executive member give an update on Newham Grange Farm? In the local press it has been reported that the council is looking at bringing forward investment plans, can she explain what this means with regards to the scale and timeframe of these proposed investment plans?"
