Description:	<p>The Publication Local Plan is the Council's revised Local Plan that it wishes to adopt. It will be subject to a publication period of six week, in order to invite formal representations upon it. The Publication Local Plan and the representations received will form the basis for the subsequent Independent Examination.</p> <p>Key aims, objectives and activities The Publication Local Plan sets out the revised Local Plan that the Council wishes to adopt. The key policy areas include: the overall vision and strategy; delivering the Investment Prospectus projects; economic growth; housing; infrastructure; the historic environment; and generic development management policies. The report will be subject to six weeks 'publication', during which formal representations will be sought on the soundness and legal compliance of the plan.</p> <p>Statutory drivers The Council must prepare Local Plans and associated planning documents, under the requirements of Planning and Compulsory Purchase Act 2004, the Localism Act 2011, and the National Planning Policy Framework (NPPF).</p> <p>Differences from any previous approach Whilst the overall approach to supporting economic growth through new development is in keeping with the current Local Plan, there are some proposed changes including: new development sites; the identification of the projects in the Investment Prospectus; a new policy to control hot food take aways; a new Gypsy Traveller and Travelling Showpeople Accommodation policy; the identification of new infrastructure requirements; and a new policy on the conversion of residential properties. The new approach is based on an up-to-date evidence base, and is in line with the most recent NPPF, which means that there are also some consequential change to existing policies.</p> <p>Key stakeholders and intended beneficiaries (internal and external as appropriate) The Council, developers, businesses, investors and the local community.</p> <p>Intended outcomes To set out the Council's revised Local Plan that it wishes to adopt, and to agree it for formal 'publication' and subsequent submission to the Secretary of State for Independent Examination.</p>			

Live date:	October 2018.
Lifespan:	Until the revised Local Plan is finalised.
Date of next review:	This is part of the ongoing process for reviewing the Local Plan. The next stage in the plan making process will be the 'Publication' stage, which is timetabled for October 2018.
