POLITICAL BALANCE - ALLOCATION OF PLACES ON COMMITTEES - 2019/2020

The Monitoring Officer presented a report in respect of Political Balance Allocation of Place 2019, the purpose of which was to recommend the allocation of places on Committees and Sub-Committees for 2019 in accordance with the political balance of the Council.

In light of objections received to the waiving of political balance, the report recommended the allocation of places on committees and sub-committees for 2019 in accordance with the political balance of the Council, based on the calculation methods set out in the report. Members were therefore asked to approve the allocation of places as indicated at Table 4 of the report.

The Monitoring Officer clarified that the Political Balance was correct at this point in time, however, following the outcome of the forthcoming By-election in July, a further report would need to be brought back to Council.

It was Moved, Seconded and **ORDERED** as follows:

1. That the allocation of seats on committees that were subject to the rules relating to political balance be approved as follows:

Conservative - 12 seats

Labour - 80 seats

Marion Independent Group - 8 seats

Middlesbrough Independent Councillors Association (MICA) - 80 seats

2. That the Monitoring Officer be authorised to fill the unallocated seats as indicated in paragraph 14 and make any necessary further adjustments to remove or replace members where directed by the relevant group or member.

3. That any committee established prior to the next review be appointed on the basis of the places shown in Table 3 attached to the report.

19/8

EXECUTIVE SCHEME OF DELEGATION

As required by the Council's Constitution, a report was submitted setting out membership of the Executive appointed by the Mayor as at Appendix B together with details of the Executive Scheme of Delegation as at Appendix A, delegating responsibility for certain functions to the Executive, Individual Executive Members, Executive Sub-Committees, joint arrangements and, where appropriate, Officers of the Council.

The Mayor stated that the public had voted for all kinds of candidates and he encouraged all members whether they belonged to a particular party or whether they were independent, to submit CV, s including background information and an indication of the role for which they would like to be considered, by Friday, 24 May 2019. The Mayor advised that by 14th June he would appoint 6 Executive members and a Deputy Mayor. He emphasised that when selecting his Executive, he was looking for the qualities of energy, passion, integrity and patriotism for Middlesbrough.

Moved, seconded and **ORDERED** that the report be noted.

19/9

COUNCIL COMMITTEES - ESTABLISHMENT, TERMS OF REFERENCE, ALLOCATION OF PLACES AND MEMBERSHIP 2019/2020

Council received a report of the Monitoring Officer, regarding the establishment of committees, sub-committees, boards, panels and working groups for the 2019-2020 Municipal Year, or until amended by Council, (whichever was the latter)

Schedule A of the report submitted set out the Executive and Executive Sub-Committees and Advisory Bodies as agreed by the Mayor.

Schedules B and C identified the nominations received from the various groups and individual Councillors for places on the committees to be established by the Council in accordance with Sections 15 and 16 of the Local Government Act 1989 and Local Government (Political Groups and Committees) Regulations 1990.

The report included a list of current vacancies on various committees and nominations were put forward at the meeting by the individual Members' concerned.

The Monitoring Officer advised that she was aware that there was a representation on point 1 of the report and she invited the Member responsible for the representation to speak before moving on with the rest of the report.

The Member responsible for the representation stated that the make-up, allocation and terms of reference of Committees had not changed for some time, and he suggested that the Proper Officer review it to ascertain if it was fit for purpose for a modern Middlesbrough. A Member requested clarification on the request for a review.

The Monitoring Officer explained that as part of the Constitution it was for the Council as a whole to agree the constitution of Committees in terms of how many people sit on Committees and the terms of reference for Committees. What the Member was pointing out was that the Council had a system that been in place for a long time and it could benefit from a review. In principle there was nothing wrong in reviewing the system and the Monitoring Officer suggested that this report be approved and that the review be carried out throughout the Municipal year in accordance with the Constitution and Members' Development Committee.

Moved, seconded, and **ORDERED** as follows:

1. That the membership, size and terms of reference of the Executive, its sub-committees and advisory bodies approved by the Mayor as set out in Schedule A in the Appendix to the submitted report, be noted.
2. That the appointment of chairs and vice-chairs of Executive sub-committees and advisory bodies, as indicated in Schedule A in the Appendix to the submitted report, be noted.
3. That the committees, sub-committees, boards, panels and working groups be established, and the terms of reference as detailed in the Schedules B and C in the Appendix to the submitted report be approved for the 2019-2020 Municipal Year, or until amended by Council, (whichever was the latter).
4. Council approved (a) the places allocated in accordance with the wishes of the political groups and other Councillors as shown for the 2019-2020 Municipal Year, or until amended by
