

Appendix 3: Savings Proposals requiring further development prior to being brought forward for approval

These are proposals that will be subject to the impact assessment process (where necessary) and on which the Council will consult prior to consideration via either member or officer decision (as appropriate) either during 2020/21 or in future years. The likely relevant decision making body and provisional timing is listed for each proposal, which may change depending on the nature of the final proposal.

Ref:	Budget saving proposal	20/21 (£000s)	21/22 (£000s)	Total (£000s)	Likely Approval Body	Indicative Timescales
