

Adult Education Budget

Community Learning

Community Learning

The purpose of community learning is to develop the skills, confidence, motivation and resilience of adults of different ages and backgrounds in order to:

- progress towards formal learning or employment
- Improve their health and well being, including mental health
- Develop stronger communities

ESFA July 18

Who are our learners?

Gender

Ethnicity

Age

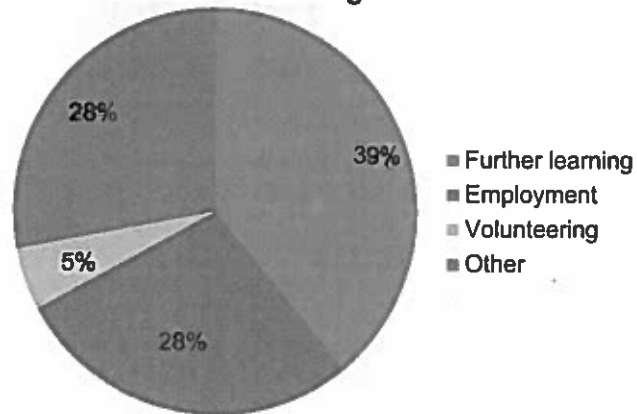

95% Success

92% Attendance

Where do our learners go?

Family Learning- Abingdon and Ayresome Primary Schools

Success

1. Increased confidence
2. English improved
3. Further training, looking for work

Feedback

"We highly value our working relationship which ensures we can offer high quality family learning to our most vulnerable parents to improve outcomes for children and families accessing the Centre, School and wider local area" (Abingdon Primary & Children's Centre)

We would definitely recommend the partnership to other schools and organisations. (Ayresome Primary School)

"We have worked with MCLS for a number of years and have witnessed some great outcomes in terms of preparing parents for learning and to return to the labour market." (Corpus Christi Primary School)

STEPS TOWARDS WORKING IN THE NHS

Rationale ; To increase numbers of BME
working within a Support Worker role

Success:

- 26 ladies engaged from BME communities
- 6 – Volunteering within the NHS
- 1- In paid employment
- Nominated for Tees Valley BME achievement Award

Case studies
