Middlesbrough also offers a range of tenancy sustainment and resettlement options including a generic housing related support service to help prevent homelessness and provide housing solutions that are sustainable.

Provision	Provider	Elements of Specification
Support for All	Human Kind	200 units of housing related floating support for individuals aged 18 and upwards across all tenures to prevent homelessness and help reduce statutory homelessness presentations. Support is provided for 450 hours per week via support workers.
Key Project	Human Kind	45 units of housing related support service for vulnerable, socially excluded adults aged 18 years upwards. It focuses on access to private rented sector and provides private landlords with a guaranteed 2 months' rent in place of a cash deposit for the first 6 months of a tenancy.
Young Persons Floating Support	Community Campus	Flexible housing related floating support to 15 young people within any housing tenure to prevent homelessness and reduce statutory presentations.

Temporary emergency accommodation is provided in circumstances where settled accommodation can't be identified. This most often occurs with those that have multiple complex needs and a full assessment needs to be undertaken before they can be placed.

Provision	Provider	Details of service
Temporary accommodation	A range of private landlords	This is not a commissioned service but an agreement is in place with landlords to ensure the availability of accommodation based on the needs of the individual. The cost of this accommodation is based on these needs and it's a demand led service.
