

Appendix 3: Savings Proposals requiring further development prior to being brought forward for approval

These are proposals that will be subject to the impact assessment process (where necessary) and on which the Council will consult prior to consideration via either member or officer decision (as appropriate) either during 2020/21 or in future years. The likely relevant decision making body and provisional timing is listed for each proposal, which may change depending on the nature of the final proposal.

Ref:	Budget saving proposal	20/21 (£000s)	21/22 (£000s)	Total (£000s)	Likely Approval Body	Indicative Timescales

TOTAL		216	650	866		

Note

**** Proposals originally placed in Appendix 2***

Budget saving proposal FGS08 "Reduction in member and non-member related administration" of £75,000 for 2021/22 has been removed and will now be considered as part of the existing Digital Strategy savings.
