<b>AGENDA ITEM TITLE</b>	<b>ACTION/COMMENTARY</b>
Investigation into the Authority's progress into the 14/19 Agenda – Final Report of the Children & Learning Scrutiny Panel	The Board accepted the Final Report and commended the Panel on a thorough piece of work. The Board noted with particular interest the lack of apprenticeships currently on offer in Middlesbrough referenced in the Report and felt it would be prudent to review the matter in the future.
Scrutiny Review – Implementation of Recommendations	The Board noted that the vast majority of recommendations created by past scrutiny reviews had been implemented. Nonetheless it was concerned that other recommendations also be implemented. Consequently it was agreed that the Chair should consider including outstanding recommendations in his report to Full Council
OSB – Draft Work Programme 2005/6	The Board noted the report and

	agreed that the topics taken on by OSB should be restricted to those at a Corporate level. The Board deferred any decision until the next meeting, when it was expected the Chair would be present
