## SCRUTINY REPORT

### HEALTH SCRUTINY PANEL

TUESDAY 8 JANUARY 2019

#### VULNERABLE AND FRAGILE HEALTH SERVICES REVIEW PROPOSED AIM AND DRAFT TERMS OF REFERENCE

##### **PROPOSED AIM**

To ensure that the lines of communication in respect of vulnerable and fragile health services locally remain open.

##### **DRAFT TERMS OF REFERENCE**

1. To establish whether any health services currently provided in Middlesbrough are vulnerable to being relocated or decommissioned during the period 2018/19 to 2020/21.
2. To consider the potential impact of significant reductions in Public Health funding on local system provision and particularly preventative services up to 2021.
3. To examine the progress made to date and challenges still to overcome in respect of the integration of health and social care services locally.
4. To examine the approaches adopted by those health and social care systems recognised nationally for developing new care models in response to the future delivery of vulnerable and fragile health services.
