(MBRO/PR0316/

RE: The application 071217 for a Licence to sell alcohol.

We object very strongly that it's not required for Thorntree area. Shelton Court shopping area already has 2 retail units that have licences to sell alcohol. There is a licenced wine shop at Beresford Buildings and The Thorntree public house has now been refurbished and open for business.

To have a 5<sup>th</sup> place selling alcohol that's directly opposite Thorntree Park where already there is problems with teen-ages drinking, causing anti-social behaviour and smashing the glass bottles around.
