RE: Plan 071217

Regarding the application from the One Stop Stores Ltd: Loxley Road, Thorntree for a Licence to sell alcohol seven days a week 0600hrs – 2300hrs. Is totally unnecessary.

At Shelton Court shops, on the Greenway Thorntree there is already 2 retail units licenced to sell alcohol. At Beresford Buildings, The Greenway, Thorntree there is a licenced wine shop.

The Thorntree public house has been refurbished and open for business.

There is no need for a 5<sup>th</sup> place to sell alcohol. The building would be opposite Thorntree Park where there is problems with anti- social behaviour teenagers drinking and smashing glass bottles around the play areas.
