Application for a Premises Licence

SALE OF ALCOHOL FOR CONSUMPTION OFF THE PREMISES, ONE STOP STORES LTD LOXLEY ROAD

The residents of Loxley Road and surrounding area are against this store to sell alcohol.

Anti-social behaviour is already a problem amongst the youth in the area. We are supposed to be tackling problems with this sort of activity in the area not fuelling it, by selling alcohol cigarettes etc to youths.

We live yards away from the proposed site and we fear that having alcohol on sale will cause more anti-social behaviour lead to our properties cars etc been damaged. It will take more of the police resources as they will be called as soon as there is a problem despite the council stating that will be up to the police to sort out.

The steps the licensee has to describe the steps they intend to take to promote the 4 licensing objectives:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm

and under the provisions of the Local Government (Access to Information) Act 1985 we would like a copy of this information when the proposed licensee submits it.

I don't think the licensing laws allows alcohol to be sold from 6:00 am on a Sunday morning as this proposal seems to suggest.
