Dear Sir,

I am writing to strongly object to the application from One Stop for a Premises Licence at Loxley Road, Thorntree, TS3 9HT.

I live in close proximity to the proposed One Stop site.

There are currently two licensed shops at Sefton Court, one at Beresford Buildings AND a Public House on The Greenway!! Why is there a need for another licensed premises?

We have a public park opposite that is constantly full of youths with 'bottles', especially in the summer. ANOTHER licensed premises is NOT what we need in an area that has enough crime and anti-social behaviour! I feel it would be a drain on the Police Authority resources!

In view of this I urge the Licensing Authority to refuse this application.

Yours faithfully

D Murray
