Licensing department

21 October 2016

Re: 121 Victoria rd Middlesbrough.

Dear Sirs,

Myself and Councillor Uddin strongly object to the above licensing application to sell alcohol off the premises from 8 am – 10pm, 7 days a week .

Central ward is part of a greater cumulative impact area. Middlesbrough council have deemed this and four other wards over subscribed with off license establishments.

There are extremely high levels of ASB, poor health, high mortality rates, high unemployment and low education attainments.
All attributed to alcohol.

This application therefor impacts on all four of the licensing objectives.

Yours faithfully

Councillor Linda Lewis :
LABOUR COUNCILLOR FOR CENTRAL WARD
