An application has been made by Mr. David Pulman to grant a premises licence for 242-244 Linthorpe Road, Middlesbrough. The application is for the off premises sale of alcohol Monday – Sunday between the hours of 08:00 – 22:00hrs.

The Premises have previously possessed a Premises Licence; however this was revoked following a Review of the Licence which sat before the Middlesbrough Council Licensing Sub-committee on 27<sup>th</sup> July 2015. The Review of the Premises Licence was due to the sale of illicit tobacco from the premises. The Premises was also been concerned in the sale of high strength alcohol to street drinkers before an intervention by the Police. These incidents occurred whilst the premises was linked to a male called Mr Aram Hussaini, although he was not the premises licence holder or Designated premises Supervisor.

Mr. Hussaini had previously applied for a Premises Licence for 242 Linthorpe Road in February 2012, however due to incidents at another premise he previously owned where that Premises Licence was revoked; representations were made by Cleveland Police against the application and it was subsequently refused at the committee hearing. A new application was made by a different applicant in May 2012 who was not believed to be linked to Aram Hussaini and was subsequently granted. During the investigation into the counterfeit tobacco it became clear that Mr Hussaini was involved in the running of the Off Licence

Enquiries into the current application have found that Mr. Hussaini remains as the lease holder of the address and given the previous history of the store the Police have concerns that he will still be involved in the business

It is the belief of Cleveland Police that although Mr. Pulman is the applicant for the Premises Licence, the Previous management will still have control over the business. Mr. Pulman has a number of other business interests out of the locality and it is believed that he will not be in day to day control of the site, which has previously been proven that this store requires.

The Premises are situated in an area which has been deemed by Middlesbrough Council to be saturated and therefore a special policy is in place. The area suffers issues surrounding alcohol related crime and anti-social behaviour and it is the opinion of Cleveland Police that the onus is upon the applicant to prove that they will not add to the Cumulative Impact of the area.

I am a Police Constable with Cleveland Police. I am currently stationed at MIDDLESBROUGH POLICE STATION (M8), BRIDGE STREET WEST, MIDDLESBROUGH attached to the Licensing Support Unit (LSU).

My role as a Licensing Officer involves dealing with licensed premises which include on/off alcohol sales and late night refreshment venues. I carry out regular enforcement visits at licensed premises. This is to ensure that premises are run correctly, the conditions of the licence are being adhered to and the licensing objectives are being promoted.

An application was received to a grant of a Premises Licence to sell alcohol, off premises, for 242-244 LINTHORPE ROAD, Middlesbrough. The sale of alcohol is to be Monday-Sunday between the hours of 08:00-22:00 hours.

The store is currently named Multi-Culti and has previously had ownership of a Premises Licence for the sale of alcohol; however this licence was revoked in July 2015. The applicant for the Premises Licence is a Mr. David PULMAN.

Continuation of Statement of **Emma Jane Price**

The previous revocation of the Premises Licence originated from the store being concerned in the supply of illicit tobacco and cigarettes whilst the store was connected to a male by the name of Aram HUSSAINI. Upon this discovery applications by Cleveland

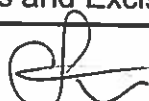

Police and Middlesbrough Trading Standards to Review the Premises Licence were made and the evidence was put before the Middlesbrough Licensing Sub-Committee. A decision was made by the committee to revoke the Premises Licence no longer permitting the premises to sell alcohol.

On 1<sup>st</sup> December 2016 PC 1845 Arbuckle attended the store in company with colleagues from Middlesbrough Council Licensing and found a number of varieties of alcohol on display behind the counter of the store. Although the bottles were not on prominent display they were clearly visible from the customer pay point in the store. (please refer to the statement of PC 1845 ARBUCKLE for further detail of this incident).

Information has also been received that although Aram HUSSAINI has allegedly no influence over the Premises, he is currently the lease holder of the store; this lease gives no permission to sub-let the store; therefore HUSSAINI is still in a position of control over the premises.

Concerns have been raised regarding HUSSAINI's ability to control a Licensed Premises, as he has previously applied for the Premises Licence for Multi-Culti in 2012. Representations were made regarding this application and it was refused at the subsequent hearing. Much of this was due to him being the Premises Licence Holder and DPS for a store where its Premises Licence was revoked due to investigations made by HM Customs and Excise.

The store is located on a busy town centre street in an area which has been deemed by Middlesbrough Council as a Saturated Zone. This area suffers many problems with Crime and Anti-Social behaviour, often fuelled by alcohol consumption.

In the previous six months, within the zone highlighted on the map at exhibit EJP/1; there have been numerous incidents of alcohol related Crimes and incidents of Disorder and Anti-Social Behaviour, these are broken down as follows:

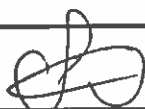

- 11 incidents of alcohol fuelled violence.
- 34 reports of drunk and disorderly behaviour; with some persons being arrested for such offences.
- 14 reports of alcohol related nuisance and concerns of persons safety.
- 8 reports of suspected drink drivers.
- 1 incident of theft from an intoxicated male.
- 11 incidents of domestic violence where alcohol was a contributing factor.

Examples of such incidents are outlined as follows:

On 14<sup>th</sup> May 2016 at 00:57 hours a male was outside a licensed premise behaving in an aggressive manor, attempting to head butt other customers. Police attended the premises and the male continued with his violent behaviour resulting in him being arrested for the offence of being drunk and disorderly. The male was subsequently given a fixed penalty notice. This incident I exhibit as EJP/2.

On 16<sup>th</sup> July 2016 at 02:36 hours Police were called to the location of PORTMAN STREET where a number of persons were fighting at the location. A male was arrested for drunk

and disorderly behaviour from this incident of disorder, to which he was charged with the offence. This incident I exhibit as EJP/3.

On 18<sup>th</sup> July 2016 at 19:02 hours a report was received of a drunk male walking along LINTHORPE ROAD shouting racial abuse to passers by. An area search was carried out for this male however he could not be located. This incident I exhibit as EJP/4.

On 18<sup>th</sup> July 2016 at 22:03 hours a report was received that a group of persons had been sat drinking and possibly consuming drugs throughout the day sat on the street; concerns were raised when reportedly an eleven year old female was attempting to start a car in company with this group. These persons were spoken to by Police and advice was given. This incident I exhibit as EJP/5

On 27<sup>th</sup> July 2016 at 00:15 hours a male was located in the street with a head injury suffering a large amount of blood loss; enquiries with witnesses found that the male was heavily intoxicated and had fallen banging his head on the floor. This incident I exhibit as EJP/6.

On 7th August 2016 at 21:30 hours a female contacts the 111 medical service claiming to have taken an overdose, the female was reportedly drunk and a regular caller to the service whilst intoxicated. Numerous enquiries were made to attempt to locate the female however it is believed that this was again a hoax call from the female whilst she was intoxicated; such calls to the emergency services waste valuable time and resources, thus

placing other members of the public in a vulnerable position. This incident I exhibit as EJP/7.

On 18<sup>th</sup> October 2016 at 00:07 hours a female contacts Police suffering a mental crisis and consuming medication with large amounts of alcohol. Female had also left the gas on on her cooker which was leaking throughout the property. Officers attended the property and had to force entry into the premises to remove the female from the house; she was taken to hospital for medical assistance. This incident I exhibit as EJP/8.

On 13<sup>th</sup> November 2016 at 04:01 hours officers are called to LINTHORPE ROAD where a large group were fighting in the street with one male armed with a metal bar. All appeared under the influence and fled the scene in a motor vehicle; this vehicle was stopped close to the scene. One male was arrested for the possession of an offensive weapon and one female was arrested for being drunk and disorderly. The male was cautioned for the offence and the female received a fixed penalty notice. This incident I exhibit as EJP/9.

Further incidents not detailed above can be found at exhibit EJP/10.

Cleveland Police have made representations in relation to this application as it is believed that should the Premises Licence be granted then the Prevention of Crime and Disorder licensing objective will be undermined.

I am Pc 1845 Jason Arbuckle of Cleveland Police, I am currently attached to the Force Licensing unit and work from Middlesbrough Police station. At 12 25hrs on Thursday the 1<sup>st</sup> of December 2016, I was on duty in Plain Clothes in the company of Officer's from Middlesbrough Council, at this time we entered Multi Culti, which is situated at 242-244 Linthorpe Road, Middlesbrough. As I entered the store, I immediately turned right and walked towards to the counter, at this point, I noticed two males stood behind the counter, one of the males I didn't recognise, the other male I knew as Aso Ali MOHAMMED, the manager/Supervisor, I know this because I have had dealings with MOHAMMED before. As I stood at the customer side of counter, I looked towards to the display cabinet which is behind the counter, I looked towards the bottom of the cabinet and I clearly saw what I would describe as bottles of alcohol. I made my way round to behind the counter and quickly discovered that there were bottles of alcohol in three separate places in the display cabinet. One section of the display cabinet contained 2 bottles of ABSTYMENT WODKA, 2 bottles of TSIPOURO MAVRAKIS and 1 bottle of OUZO OF PLOMARI. Another section of the display cabinet contained 9 bottles of JULES CLAIRON BRANDY. There was also 3 bottles of

LIMONCELLO DELLA RIVIERA and 14x bottles of COOL SHOT MIXED VODKA SHOTS in another section of the display cabinet. I seized all the bottles of alcohol and I shall exhibit them as Police item JSA/1. As stated, the bottles of alcohol were on display in the cabinet

behind the counter. Customers of the store who were stood at the counter waiting to be served could and would have seen the alcohol. I took a selection of photographs of the alcohol that I seized from the display cabinet.

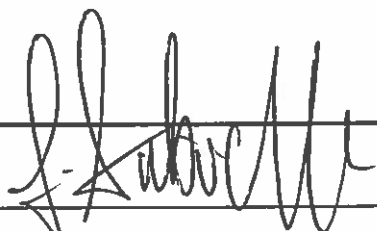

I then went into the stock room at the back of the store, within the stock room I discovered a quantity of alcohol in cardboard boxes, which I photographed. I opened two of the boxes and photographed the contents, this alcohol was not seized and was left in the stock room.

I shall exhibit all the photographs I took at Multi Culti, as Police item JSA/2.
