

## 2010/2011 BUDGET CONSULTATION

### SUMMARY OF COMPLETED FEEDBACK FORMS Analysis by percentage

Please tick the appropriate boxes or write an answer in the spaces provided.

- |   | Very well | Well | Fairly well | Not very well | Not at all |
|---|-----------|------|-------------|---------------|------------|
| 1. How well did the presentation meet your needs? | 46%       | 41%  | 7%          | 3%            | 1%         |
- |  | Very relevant | Fairly relevant | Not very relevant | Not at all relevant |
|--|---------------|-----------------|-------------------|---------------------|
| 2. Do you feel the presentation was relevant | 64%           | 33%             | 3%                | 0%                  |
- |                                       | Too advanced | About right | Too simple |
|---------------------------------------|--------------|-------------|------------|
| 3. Was the level of the presentation: | 4%           | 95%         | 0%         |
4. What was particularly good, and particularly bad about the presentation? (please be honest as it will help us to plan future budget consultation exercises)
- i) Good: Simple terms of explanation, well presented, explained in detail, concise and Comprehensive, handouts, time to ask, questions answered
- ii) Bad: Not enough time, some confusing words
- |   | Very Good | Good | Satisfactory | Poor | Unsatisfactory |
|---|-----------|------|--------------|------|----------------|
| 5. How would you rate:                    |           |      |              |      |                |
| a) The way the consultation was presented | 56%       | 38%  | 6%           | 0%   | 0%             |
| b) Information provided                   | 51%       | 41%  | 7%           | 0%   | 1%             |
| c) Opportunity to ask questions           | 66%       | 28%  | 6%           | 0%   | 0%             |
| d) Venue                                  | 46%       | 45%  | 9%           | 0%   | 0%             |
6. Comments/suggestions:
