

## TEESSIDE PENSION FUND COMMITTEE

|               |                                           |
|---------------|-------------------------------------------|
| <b>Date:</b>  | <b>Wednesday 29th July, 2026</b>          |
| <b>Time:</b>  | <b>11.00 am</b>                           |
| <b>Venue:</b> | <b>Mandela Room (Municipal Buildings)</b> |

### AGENDA

1. **Welcome, Fire Evacuation and Recording of Meetings**

*In the event the fire alarm sounds for more than 10 seconds attendees will be advised to evacuate the building via the nearest fire exit and assemble at the Bottle of Notes opposite MIMA.*

*Members of the public have the right to film, record or photograph public meetings. If you intend to do so, please advise the Chair of this intention. You may be asked to stop filming, photographing or recording a meeting if the Chair feels that the activity is disrupting the meeting.*

2. **Apologies for Absence**

*To receive any apologies for absence.*

3. **Declarations of Interest**

*Members are asked to declare any interests in the items under consideration and in doing so state:*

*(1) the type of interest concerned:*

- *Disclosable Pecuniary Interest (DPI) or*
- *Non-Pecuniary Interest (including personal or prejudicial interest)*

*(2) the nature of the interest concerned.*

*If any member requires advice on declarations of interests, they are advised to contact the Monitoring Officer in advance of the meeting.*

- |                                                        |                                                                                     |           |
|--------------------------------------------------------|-------------------------------------------------------------------------------------|-----------|
| 4.                                                     | <b>Minutes - Teesside Pension Fund Committee - 17 June 2026</b>                     | 5 - 10    |
| <i>To receive the minutes of the previous meeting.</i> |                                                                                     |           |
| 5.                                                     | <b>Draft Annual Pension Fund Accounts 2025/2026</b>                                 | 11 - 106  |
| 6.                                                     | <b>Northern School of Arts Admission</b>                                            | 107 - 116 |
| 7.                                                     | <b>Teesside Pension Fund Committee Terms of Reference</b>                           | 117 - 130 |
| 8.                                                     | <b>Any other urgent items which in the opinion of the Chair, may be considered.</b> |           |

Charlotte Benjamin  
Corporate Director of Legal and Corporate Services

Town Hall  
Middlesbrough  
Tuesday 21 July 2026

#### MEMBERSHIP

Councillors J Kabuye (Chair), D Coupe (Vice-Chair), J Rostron, J Ewan, D Branson, D Jackson, D McCabe, J Beall, M Fairley, N Anderson, Ms J Flaws, Mr T Watson and Mr B Foulger

## TEESSIDE PENSION FUND COMMITTEE

A meeting of the Teesside Pension Fund Committee was held on Wednesday 17 June 2026.

**PRESENT:** Councillors J Kabuye (Chair), J Rostron, J Ewan, D Branson, D Coupe (Vice-Chair), D Jackson, J Beall, M Fairley, Ms J Flaws, Mr T Watson and Mr B Foulger

**ALSO IN ATTENDANCE:** L Davison (Tyne and Wear Pension Fund), R Elwell (Border to Coast), P Gent (Border to Coast), T Backhouse (Forvis Mazars), D Knight (Border to Coast) & W Bourne (Independent Advisor)

**OFFICERS:** A Humble, A Lister, W Brown and T Frankland

**APOLOGIES FOR ABSENCE:** Councillors D McCabe

### 26/7 WELCOME AND FIRE EVACUATION PROCEDURE

The Chair welcomed all present to the meeting and read out the Building Evacuation Procedure.

### 26/8 DECLARATIONS OF INTEREST

| Name of Member     | Type of Interest | Item / Nature of Business                                                                                              |
|--------------------|------------------|------------------------------------------------------------------------------------------------------------------------|
| Councillor Beall   | Non-Pecuniary    | Member of Teesside Pension Fund and Member of Tees Valley Combined Authority Overview and Scrutiny Committee (Item 5). |
| Councillor Branson | Non-Pecuniary    | Spouse – Member of Teesside Pension Fund                                                                               |
| Councillor Coupe   | Pecuniary        | Non-Executive Director of Border to Coast Pensions Partnership LTD                                                     |
| Councillor Ewan    | Non-Pecuniary    | Member of Teesside Pension Fund and Member of Tyne and Wear Pension Fund                                               |
| Councillor Jackson | Non-Pecuniary    | Member of Teesside Pension Fund                                                                                        |
| Councillor Rostron | Non-Pecuniary    | Member of Teesside Pension Fund                                                                                        |
| Brian Foulger      | Non-Pecuniary    | Member of Teesside Pension Fund                                                                                        |

### 26/9 MINUTES - TEESSIDE PENSION FUND COMMITTEE - 7 MAY 2026

The minutes of the meeting of the Teesside Pension Fund Committee held on 7 May 2026 were taken as read and approved as a correct record.

### 26/10 LGPS CURRENT ISSUES

In March, the Teesside Pension Committee received the Fit for the Future Implementation report which updated Members on the likely implications of the Pensions Act 2026 and associated LGPS Regulations. On 20 May 2026, the consultation outcome including the government response to the Local Government Pension Scheme in England and Wales: Fit for the Future – technical consultation was published. In addition, two statutory instruments which would come into effect on 30 June 2026 were published. The resulting legislation left the policy intent unchanged but with slight adjustments to timings.

The LGPS 'Fit for the Future' reforms formalised the requirement for administering authorities to work through a single pool and evolve the division of responsibilities between Funds and their pool companies. Under the new framework, Funds would continue to set investment strategy, but all decisions beneath this level – including portfolio construction, manager selection, rebalancing, cashflow management, and stewardship—would become the statutory responsibility of the pool. The Investment Strategy Statement (ISS) must now follow a prescribed format, include high-level objectives for returns, risk, liquidity, responsible investment and local investment, and be based on “principal strategic advice” from Border to Coast.

To support this new model, Border to Coast was working with Partner Funds to develop advisory and implementation capabilities that would provide Partner Funds with an end-to-end investment solution. This evolution was consistent with the direction of travel set out in the 2030 Strategy approved unanimously by Partner Funds, which sought to harness the governance premium through a holistic approach to scheme management. This Strategy anticipated the need for advisory support from the Pool, deeper alignment between strategy and implementation, and a more resilient operating model as the LGPS matured and the policy landscape evolved. Border to Coast and Partner Funds were committed to continuing the collaborative approach to the Partnership that had driven success to date, ensuring no surprises in the future model through clear and structured engagement.

Alongside the pooling reforms, the Government was also introducing wider governance requirements for administering authorities—including a new Senior LGPS Officer role, the appointment of an Independent Person, strengthened training and oversight expectations, and regular Independent Governance Reviews. These matters remained the responsibility of Partner Funds but shaped the environment in which the new pooling model would operate.

**At this point in the meeting, Councillor Beall declared a non-pecuniary interest as a member of the Tees Valley Combined Authority Overview and Scrutiny Committee** and referenced Appendix 3 and the comments regarding ongoing discussions with TVCA on their emerging growth plan regarding the Fund's local investment. Councillor Beall indicated that he was unaware of these discussions and requested that a dedicated report be brought to a future meeting of the Committee to provide more information. The Head of Pensions Governance and Investments advised that the Fund was required to liaise with TVCA as part of the Pension Schemes Act however final decisions around local investment now lied with Border to Coast. The pilot allowed Border to Coast to explore how the three-way relationship could work and Members were assured that they were aware of the political risks involved.

**ORDERED** that the information received was agreed and noted.

26/11

#### **INVESTMENT ACTIVITY REPORT (INCL. TM REPORT, VALUATION & FORWARD INVESTMENT PROGRAMME)**

The Head of Pensions Governance and Investments presented a report of the Corporate Director of Finance, the purpose of which was:

- To inform Members how the Investment Advisors' recommendations were being implemented,
- To provide a detailed report on transactions undertaken to demonstrate the implementation of the Investment Advice and to provide the Fund's Valuation and;
- To report on the treasury management of the Fund's cash balances.

Members heard that the Fund continued to favour growth assets over protection assets and for the period under discussion, bonds were still not considered value for the Fund. The Fund had no investments in Bonds at this time.

At the June 2018 Committee it was agreed that a maximum level of 20% of the Fund would be held in cash. Cash level at the end of March 2026 was 7.42% Investment in Alternatives, such as infrastructure and private equity, offer the Fund diversification from equities and bonds. An amount of £8.7m was invested in the quarter.

It was a requirement that all transactions undertaken were reported to the Committee. Appendix A detailed transactions for the period January to March 2026. There were net purchases of £2.9m in the period.

17 June 2026

The Chartered Institute of Public Finance & Accountancy (CIPFA) Code of Practice (the Code) set out how cash balances should be managed. The Code stated that the objective of treasury management is the management of the Authority's cash flow, its borrowings and investments, in such a way as to control the associated risks and achieve a level of performance or return consistent with those risks. The security of cash balances invested was more important than the interest rate received.

Members were advised that representatives from FW Capital had agreed to attend the meeting of the Teesside Pension Fund Committee in September to provide an update on the Fund's investment.

**ORDERED** that the information provided was received and noted.

26/12

## **BORDER TO COAST PRESENTATION**

A presentation on Border to Coast's Investment Performance was provided to Members, providing information on the following:

- Teesside Pension Fund's Listed ACS Investments
- Portfolio Performance (Net of Fees)
- Portfolio Performance (Comments)
- Fund Exposure to Defence and Tobacco
- UK Real Estate Fund Performance (Net of Fees)
- UK Real Estate Fund (Purchases and Sales)
- Private Equity – Summary
- Infrastructure – Summary
- Climate Opportunities – Summary
- Border to Coast Update

Members noted that concerns regarding the Fund's exposure to tobacco and defence investments had been raised at previous meetings and an update on any actions taken or progress made in response to those concerns was requested. It was confirmed that these concerns had been raised through the Border to Coast Joint Committee however there had been insufficient support from the other participating Funds to include tobacco and defence companies on the exclusions list or take the concerns further.

**ORDERED** that the information provided was received and noted.

26/13

## **INVESTMENT ADVISOR REPORT**

The Independent Investment Adviser had provided reports on current capital market conditions with further commentary provided at the meeting.

It was noted that, despite a challenging geopolitical and economic backdrop, global equity markets had remained resilient. The escalation of conflict involving Iran, higher energy prices, rising inflation and increasing government borrowing costs would normally be expected to weigh on markets however the S&P 500 had continued to perform strongly. This resilience had largely been driven by better-than-expected corporate earnings, particularly within the technology sector, continued demand for AI-related services, stronger profits from higher energy prices and ongoing monetary support from the US Treasury. While recession concerns had eased, economic growth across the US and Europe remains relatively modest.

The outlook remained uncertain due to rising inflation, higher bond yields and worsening government finances, particularly in the United States which presented ongoing risks. The appointment of Kevin Warsh as Chair of the Federal Reserve brought additional uncertainty around future monetary policy. Bond yields had risen as expectations of interest rate cuts faded, although significant further increases were not anticipated given the impact higher borrowing costs would have on governments. In this environment, the adviser highlighted the potential attractiveness of index-linked gilts, which currently offered real yields above the Fund's real discount rate and provided protection against the risk of persistently higher inflation.

The adviser maintained the view that equity markets could be approaching a significant turning point, while noting that governments and central banks were likely to seek to limit further rises

17 June 2026

in bond yields. It was also highlighted that, with investment implementation now largely undertaken by Border to Coast, the Committee should focus on holding the pool to account, particularly in light of concerns around the recent performance of its main equity funds.

**ORDERED** that the information provided was received and noted.

26/14

## **PENSION ADMINISTRATION REPORT**

A representative from the Tyne & Wear Pension Fund was in attendance to provide the TWPF Pensions Administration Report.

The following areas were covered in the presentation:

- Introduction
- Pensions Processing
- Performance Against Statutory Requirements and Key Performance Indicators
- Member Electronic Communications and Registration
- Service Delivery
- Employer Performance
- Dashboards
- Industry Developments Affecting Administration
- Conclusion

Members were advised that the Fund measured performance across pension processing using a variety of indicators. In line with statutory requirements and guidance, the main measure of the service was against the national LGPS Scheme Advisory Board's (SAB) Performance Indicators. This was the standard measure of internal performance across LGPS Funds and was reportable in the Pension Fund Annual Report and Accounts. Performance against the SAB KPIs from the start of the contract was set out in Appendix 1 and showed underperformance in several areas against the internal performance target that had been set at 80%.

The main reasons for underperformance are as follows:

- Ongoing issues whilst dealing with inherited data – this will continue to impact individual cases until all outstanding cases are resolved
- Performance figures will continue to appear poor as 'out of date' cases are progressed to completion
- Planned system downtime to integrate Teesside Pensions Fund records into the administration system, and to install upgrades related to the mandatory McCloud remedy

It was noted that in addition to the staff wishing to transfer from the previous provider, additional staff had already been recruited and joined Tyne and Wear Pension Fund, and more were joining over the coming weeks to tackle the data issues.

Members also heard that year end had progressed positively with the majority of member data now received, although a significant amount of follow-up work remained before all cases could be classed as complete.

A Member referred to the performance data and sought assurance that performance was being effectively monitored and showing improvement. The Head of Pensions Governance and Investments confirmed that regular meetings were taking place and that arrangements were in place to monitor performance closely and support continued improvement.

In relation to the data issues, a Member raised concern that issues with the inherited data from the previous provider had gone undetected and emphasised the need for thorough due diligence going forward.

**ORDERED** that the information provided was received and noted.

26/15

## **DRAFT EXTERNAL AUDIT PLAN**

17 June 2026

A report was presented to the Committee, the purpose of which was to provide Members with the Draft Audit Strategy Memorandum report for the external audit of the Pension Fund for year ended March 2026 to be carried out by Forvis Mazars. Forvis Mazars would complete the audit of the Pension Fund financial statements based on this Audit Strategy and give their audit opinion by the statutory deadline of 31 January 2027.

Forvis Mazars were the external auditors for Middlesbrough Council and the Pension Fund. The attached draft report (Appendix 1) described their plans to carry out the audit of the Pension Fund financial statements for the year ended 31 March 2026. The draft report described the audit scope, approach and timelines, audit risks, materiality levels and fees which were set by Public Sector Audit Appointments (PSAA). The English Devolution and Community Empowerment Act 2026 included enabling provisions at Part 4 section 98 which would allow separation of Pension Fund audits from that of the Administering Authority. A Statutory Instrument (SI) was needed to put in place the requirement for a separate statement of accounts for the Pension Fund. The SI would include the commencement date for separation which in theory could take place for 2025/2026 statements but practicalities were likely to mean separation would take place for the Pension Fund Statements year ended 31 March 2027.

Separation of the Pension Fund financial statements would have the advantages of reducing the size and complexity of the Council's financial statements and would mean the Pension Fund statements audit certification would not be held up by any issues with the Council's audit.

The Pension Fund External Audit Plan would be presented to the Audit Committee and the Pension Fund would prepare its 2025/26 financial statements for inclusion in Middlesbrough Council's Statement of Accounts by 30 June 2026. These statements, along with the draft Pension Fund Annual Report 2025/26, would be submitted to a future Pension Committee meeting. Forvis Mazars would audit the financial statements and issue their audit opinion by 31 January 2027. The final Pension Fund Annual Report, including the audit opinion would then be published on the Fund's website.

Forvis Mazars' Engagement Manager was in attendance and gave further commentary at the meeting.

**ORDERED** that the information provided was received and noted.

26/16

## **RISK REGISTER**

The Head of Pensions Governance and Investments had submitted a report of the Corporate Director of Finance to the Committee, the purpose of which was to advise Members of changes to the Pension Fund Risk Register and to provide Members with an opportunity to review the Risk Register.

Internal Audit had recommended that the Risk Register was presented at each quarterly Pension Fund Committee meeting, with any emerging risk or high risks highlighted for discussion.

There were four modified risks detailed in section 5 of the report:

- TPF004 – Political Risk (Investments)
- TPF019 – Governance Skills Shortage
- TPF020 – Inadequate Border to Coast Oversight,
- TPF037 – Compliance Failures

**ORDERED** that the information provided was received and noted.

26/17

## **ANY OTHER URGENT ITEMS WHICH IN THE OPINION OF THE CHAIR, CAN BE CONSIDERED**

None.

26/18

## **EXCLUSION OF PRESS AND PUBLIC**

**ORDERED** that the press and public be excluded from the meeting for the following items on the grounds that, if present, there would be disclosure to them of exempt information as defined

17 June 2026

in Paragraph 3 of Part 1 of Schedule 12A of the Local Government Act 1972 and that the public interest in maintaining the exemption outweighed the public interest in disclosing the information.

26/19

**EXEMPT - PRESENTATION BY BORDER TO COAST'S CEO RACHEL ELWELL**

The CEO of Border to Coast was in attendance to deliver a presentation on the following:

- Brief History and Fit for the Future
- Future Plans
- Legacy Asset Management & Local Investment

Further commentary was provided at the meeting.

**ORDERED** that the information provided was received and noted.

**TEESSIDE PENSION FUND**

Administered by Middlesbrough Council

**PENSION FUND COMMITTEE REPORT****29 JULY 2026****CORPORATE DIRECTOR OF FINANCE – ANDREW HUMBLE****Draft Annual Pension Fund Report and Accounts 2025/26****Proposed Decision(s)**

That Members note the report and pass any comments.

**Executive summary**

This report introduces the draft Pension Fund Annual Report and Accounts.

The Pension Fund financial statements are included in Middlesbrough Council Statements of Account which were published on the 30<sup>th</sup> June 2026.

The Fund is required to publish its Annual Report by 1<sup>st</sup> December.

**1. PURPOSE OF THE REPORT**

- 1.1 To present Members of the Teesside Pension Fund Committee (the Committee) with the 2025/26 draft unaudited Annual Report and Accounts for the Teesside Pension Fund.

**2. RECOMMENDATION**

- 2.1 That the Committee note the 2025/26 draft unaudited Annual Report and Accounts (Appendix A). The Pension Fund accounts are pages 38 -73 of the report.

**3. FINANCIAL IMPLICATIONS**

- 3.1 There are no specific financial implications arising from this report.

**4. BACKGROUND**

- 4.1 The terms of reference for the Teesside Pension Fund Committee require the Annual Report and Accounts to be considered by Members. The Pension Fund accounts are prepared alongside, and form part of the Council's accounts, as the Pension Fund is not a separate legal entity. Attached to this report are the draft unaudited Pension Fund accounts for the year ended 31 March 2026.
- 4.2 The draft accounts for 2025/26 have been certified as a true and fair view of the Council's financial position by the Corporate Director of Finance as S151 Officer, and were opened for public inspection on 30 June 2026, for a period of 30 working

days. This establishes a formal right of the taxpayer to inspect the accounts and any relevant supporting documents.

- 4.3 A notice setting out the inspection period and how enquires may be made accompanies the draft accounts on the website. The inspection window concludes on 11 August 2026 in line with the Accounts and Audit Regulations requirements. Any enquiries from members of the public will be responded to and resolved in a timely manner and reported to Members as appropriate.

## **5. PERFORMANCE SUMMARY**

- 5.1 The overall financial performance of the Fund for the year to 31 March 2025 was positive. The Fund's value rose to £6.18 billion, an increase over the year of approximately £61 million.
- 5.2 The Fund is in the first of the three-year triennial valuation cycle. The Fund's asset value as at 31 March 2028 will be used by the Fund actuary when calculating the three-yearly valuation of the Fund. It is important to recognise the long-term nature of the Fund and the volatility of many of its assets mean that the actuary will look beyond just the immediate value of the assets when carrying out the valuation. In addition, the size of the Fund's liabilities (the cost of paying current and future benefits) is just as important when carrying out the valuation and setting employer contribution rates. Factors such as the actuary's view of future inflation rates, future investment returns and life expectancy expectations will play a key part in the actuary's valuation calculations.
- 5.3 Total membership of the Fund has increased, with total membership at the year-end now standing at 85,862 an increase of 2,144 over last year. The number of active members has increased by 1,778 or 6.8% over the year. The number of pensioners increased by 1,326 or 3.4% over the year. The number of deferred members has fallen by 960 or 1.1% over the year.
- 5.4 Every three years the Fund actuary, carries out a full actuarial valuation of the Fund. The purpose is to calculate how much employers in the scheme need to contribute going forward to ensure that the Fund's liabilities, the pensions due to current and future pensioners, will be covered. Unlike all the other major public sector schemes the Local Government Scheme is a funded scheme. That means there is a pool of investments producing income which meet a significant part of the liabilities.
- 5.5 The actuary carried out the Fund's latest triennial valuation, which looked at the Fund's assets and liabilities as at 31 March 2025, with the final report published at the end of March 2026. Headlines from the valuation were an increase of around £0.6 billion in assets from around £5.0 billion at the 31 March 2022 valuation to around £5.6 billion. However, this was accompanied by an increase in the value of the Fund's liabilities – the estimated cost of meeting the pension promises it has made. Overall, the Fund's funding level increased slightly from 116% to 141. The

actuary calculates to what extent the Fund's assets meet its liabilities. This is presented as a funding level.

## **6. FRS / IAS REPORTS**

- 6.1 Financial Reporting Standards (FRS) and International Accounting Standards (IAS) require employers to disclose in their accounts their share of the assets and liabilities in the Pension scheme. The Fund's actuary, Hymans Robertson, offers to produce reports for the employers in the Teesside Pension Fund containing the figures which some of those employers need to disclose in order to comply with the requirements of these standards.
- 6.2 Although the Fund is "actuarially" fully funded the employers may have FRS / IAS deficits because of the way the figures in the reports are calculated. It should be noted that the FRS / IAS calculations have no impact on the actual Funding Level of the Fund or the Employers within it.

## **7. INTERNATIONAL FINANCE REPORTING STANDARDS (IFRS)**

- 7.1 The Council adopted International Finance Reporting Standards (IFRS) from 1 April 2010. The Pension Fund, accounts comply with the reporting standards.

## **8. NEXT STEPS**

- 8.1 The Pension Fund Accounts presented here are in draft form and, whilst the main numbers and outcomes are not expected to change, changes may be needed as further review takes place. In addition, the audit process is not complete and further changes may be required as a consequence of this including the Auditors Statement and certification.
- 8.2 The key performance indicators suggested by the Scheme Advisory Board in relation to pensions administration are being compiled and will be reported to Committee and included in the final Annual Report.
- 8.3 When complete the Annual Report and Accounts will be published on the Pension Fund's website.

## **Risk Management**

### **1.13 How risk management is integrated within the governance structure.**

The Fund's primary long-term risk is that the Fund's assets will fall short of its liabilities (the promised benefits payable to members). Therefore, the aim of investment risk management is to minimise the risk of an overall reduction in the value of the Fund and to maximise the opportunity for gains across the whole Fund portfolio. The Fund achieves this through asset diversification to reduce exposure to market risk (price risk, currency risk and interest rate risk) and credit risk to an acceptable level. In addition, the Fund manages its liquidity risk to ensure there is sufficient liquidity to meet the Fund's forecast cash flows. Responsibility for the Fund's risk management strategy rests with the Pension Fund Committee. The Funding Strategy Statement and the Investment Strategy Statement identify and analyse the risks faced by the pension's operations. These policies are reviewed regularly to reflect changes in activity and market conditions.

### **Market Risk**

Market risk is the risk of loss from fluctuations in equity and commodity prices, interest and foreign exchange rates and credit spreads. The Fund is exposed to market risk from its investment activities, particularly through its equity holdings. The level of risk exposure depends on market conditions, expectations of future price and yield movements and the asset mix.

The Fund identifies, manages and controls market risk exposure within acceptable parameters, whilst optimising the return on risk.

In general, excessive volatility in market risk is managed through the diversification of the portfolio in terms of geographical and industry sectors and individual securities. To mitigate market risk, the Fund and its investment advisors undertake appropriate monitoring of market conditions and benchmark analysis.

The Fund manages these risks in three ways:

1. The actuarial valuation of the Fund which is carried out every three years and resets the employer contribution rates. The valuation also assesses, and analyses risks associated with the liabilities and future pension costs, such as longevity risks, inflation risks and expected future investment returns.
2. The asset liability study which is carried out every three years or more frequently if required considers alternative asset allocations for the Fund and the long-term impact on employer contribution rates.
3. Quarterly monitoring of the performance of the Fund against selected benchmarks, and annual performance reports to the Pension Fund Committee.

## Other Price Risk

Other price risk represents the risk that the value of a financial instrument will fluctuate as a result of changes in the market prices (other than those arising from interest rate risk or foreign exchange risk), whether those changes are caused by factors specific to the individual instrument or its issuer or factors affecting all such instruments in the market.

The Fund is exposed to asset price risk. This arises from investments held by the fund for which the future price is uncertain. All securities investments present a risk of loss of capital. The maximum risk resulting from financial instruments is determined by the fair value of the financial instruments. The Fund's investment managers mitigate this price risk through diversification, and the selection of securities and other financial instruments is monitored by the Council to ensure it is within limits specified in the Funding Strategy Statement and the Investment Strategy Statement.

### 1.14 How risks are identified, managed, and reviewed.

The Fund maintains a risk register which is regularly reviewed to ensure mitigations for existing risks remain appropriate, any emerging risks are assessed, and the overall scoring remains appropriate.

The risk register is presented to the Committee at least annually and more frequently where significant emerging risks need to be presented.

### 1.15 What actions are being taken to mitigate the key risks (covering investment, governance, and administration)

Some of the key risks taken from the Fund's risk register are as follows:

#### Investment risks

| Risk                                                                                                                                                                                                                                                                                                   | Mitigation                                                                                                                                                                                                                                     |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><i>INFLATION</i></b><br>Price inflation is significantly more than anticipated: an increase in long-term inflation of 0.2% a year will increase the liability valuation by 3%.                                                                                                                      | In assessing the member liabilities, the triennial Fund Actuary assumptions made for inflation are "conservatively" set based on independent economic data and hedged against by setting higher investment performance targets.                |
| <b><i>ADVERSE ACTUARIAL VALUATION</i></b><br>Impact of increases to employer contributions following the actuarial valuation.                                                                                                                                                                          | Interim valuations provide early warnings. Actuary has scope to smooth impact for most employer liabilities.                                                                                                                                   |
| <b><i>GLOBAL FINANCIAL INSTABILITY</i></b><br>Outlook deteriorates in advanced economies because of heightened uncertainty and setbacks to growth and confidence, with declines in oil and commodity prices. Leading to tightened financial conditions, reduced risk appetite and raised credit risks. | Increasing investment diversification will allow the Fund to be better placed to withstand this type of economic instability. As a long-term investor the Fund does not have to be a forced seller of assets when they are depressed in value. |
| <b><i>INVESTMENT CLASS FAILURE</i></b><br>A specific industry investment class/market fails to perform in line with expectations leading to deterioration in funding levels and increased contribution requirements from employers.                                                                    | Increasing investment diversification will allow the Fund to be better placed to withstand this type of market class failure. As a long-term investor the Fund does not have to be a forced seller of assets when they are depressed in value. |

| Risk                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Mitigation                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>CLIMATE CHANGE</b></p> <p>The systemic risk posed by climate change and the policies implemented to tackle them will fundamentally change economic, political and social systems and the global financial system. They will impact every asset class, sector, industry and market in varying ways and at different times, creating both risks and opportunities to investors. The Fund's policy in relation to how it takes climate change into account in relation to its investments is set out in its Investment Strategy Statement and Responsible Investment Policy</p> | <p>In relation to the funding implications, the administering authority keeps the effect of climate change on future returns and demographic experience, e.g. longevity, under review and will commission modelling or advice from the Fund's Actuary on the potential effect on funding as required.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| <p><b>ESG REPUTATIONAL DAMAGE</b></p> <p>Insufficient attention to environmental, social and governance (ESG) leads to reputational damage and/or negative financial impact</p>                                                                                                                                                                                                                                                                                                                                                                                                    | <p>Border to Coast provides increased focus on Responsible Investment / ESG.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| <p><b>TPF INVESTMENT UNDERPERFORMANCE</b></p> <p>Investment Managers fail to achieve performance targets over the longer term: a shortfall of 1% on the investment target will result in an annual impact of £50m.</p>                                                                                                                                                                                                                                                                                                                                                             | <ol style="list-style-type: none"> <li>1) The asset allocation made up of equities, bonds, property, alternatives, cash etc. funds, is sufficiently diversified to limit exposure to one asset category.</li> <li>2) The investment strategy is continuously monitored and periodically reviewed to ensure optimal asset allocation.</li> <li>3) Actuarial valuation and asset/liability study take place every three years.</li> <li>4) Interim valuation data is received annually and provides an early warning of any potential problems.</li> <li>5) The actuarial assumption regarding asset outperformance of a measure over CPI over gilts is regarded as achievable over the long-term when compared with historical data.</li> </ol> |

**Governance / Pooling risks**

| <b>Risk</b>                                                                                                                                                                                                                                     | <b>Mitigation</b>                                                                                                                                                                                                                                                                                                                                                     |

## Administration risks

| <b>Risk</b>                                                                                                                                                                                                                                                   | <b>Mitigation</b>                                                                                                                                                                        |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><i>INACCURATE DATA RECORD COLLATION</i></b><br>Failure to maintain proper, accurate and complete data records leading to increased errors and complaints.                                                                                                  | Administration data quality is assessed as part of the triennial valuation process, as well as being assessed regularly in order to meet Pensions Regulator requirements on scheme data. |
| <b><i>THIRD PARTY SUPPLIER FAILURE</i></b><br>Financial failure of third-party supplier results in service impairment and financial loss.                                                                                                                     | New supplier's financial strength is assessed through the procurement process. Existing suppliers are obliged to report any issues.                                                      |
| <b><i>INSECURE DATA</i></b><br>Failure to hold personal data securely - i.e data stolen.                                                                                                                                                                      | Tyne and Wear Pension Fund have advised they have robust data security and are not aware of any attempted hacking events                                                                 |
| <b><i>LIQUIDITY SHORTFALLS</i></b><br>Risk of illiquidity due to difficulties in realising investments and paying benefits to members as they fall due.                                                                                                       | Daily monitoring of cash position, cash-flow planning                                                                                                                                    |
| <b><i>CASH INVESTMENT FRAUD</i></b><br>Financial loss of cash investments from fraudulent activity.                                                                                                                                                           | Approval processes and systems (audited)                                                                                                                                                 |
| <b><i>SCHEME MEMBER FRAUD</i></b><br>Fraud by scheme members or their relatives (e.g. identity, death of member).                                                                                                                                             | Pension administrator checking processes – e.g. mortality screening                                                                                                                      |
| <b><i>CONTRIBUTION COLLECTION FAILURE</i></b><br>Failure to collect employee/er member pension contributions.                                                                                                                                                 | Ongoing monitoring of contribution collection at employer level                                                                                                                          |
| <b><i>STRUCTURAL CHANGES TO EMPLOYER MEMBERSHIP</i></b><br>Risk that TPF are unaware of structural changes to an employer's membership, or changes (e.g. closing to new entrants) meaning the individual employer's contribution level becomes inappropriate. | The TWPF employer liaison team will help mitigate this risk this by working closely with employers                                                                                       |

## Other risks

| Risk                                                                                                                                                                                                                                      | Mitigation                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>LONGEVITY</b></p> <p>Pensioners living longer than anticipated: adding one year to life expectancy will increase the future service rate by 0.8%.</p>                                                                               | <p>In assessing the member longevity and pension liabilities, the Triennial Actuary assumptions made for longevity are "conservatively" set based on the latest life expectancy economic data. They are reviewed and updated at each three-year Actuarial valuation. If required, further investigation can be carried out of scheme specific/employer longevity data.</p>                                                                                                        |
| <p><b>EMPLOYER FAILURE</b></p> <p>An employer ceasing to exist with insufficient funding, or being unable to meet its financial commitments, adequacy of bond or guarantee. Any shortfall would be attributed to the fund as a whole.</p> | <p>1) Fund employers should monitor own experience.</p> <p>2) Triennial Actuarial Assumptions will account for the possibility of employer(s) failure (for the purposes of IAS19/FRS102 and actuarial valuations). Any employer specific assumptions above the actuaries long-term assumption, would lead to further review.</p> <p>3) Employer's rates are set taking into account the covenant strength of an employer and any underwriting by other employers in the Fund.</p> |

### 1.16 Managing cyber risk

Cyber risk includes, for example, the risk that the Fund's data and / or systems could be infiltrated or taken over by criminals for financial gain and is covered across several of the risks listed above. An assessment of the Fund's approach to cyber risk also forms part of the Teesside Pension Board's workplan.

### 1.17 The approach taken to risks relating to investment and pooling arrangements

These risks are included within the Fund's risk register – see sample "Governance / Pooling Risks" above. Mitigation relating to risks around investment and pooling arrangements includes:

- The effective partnership arrangements developed with the pool company and with the other partner funds within the Border to Coast Pensions Partnership ensures any issues will be quickly identified and collectively addressed
- As an equal shareholder in Border to Coast, the Council as administering authority to the Fund has joint control over specific company matters relating to the operation of the pooling company, as set out in documents establishing the company.
- The Fund has both a seat on the Joint Committee overseeing Border to Coast and, currently, a member of the Pension Committee sits as a shareholder director on Border to Coast's company board.
- Investment performance issues are considered at least quarterly through officer group meetings and each Border to Coast investment proposition is more formally and thoroughly assessed at least annually.

### 1.18 The approach taken to managing third party risk such as late payment of contributions and provision of data by scheme employers and overall performance by scheme employers.

See "Administration Risks" above. In addition, the Fund shares the approach it expects scheme employers to take in ensuring prompt provision of data and contributions through its Administration Strategy.

### **1.19 The approach taken to risks which arise because of the fund's relationship to the administering authority, such as where reliance is put on shared policies and resources**

In common with almost all LGPS funds, the Fund is not a separate legal entity from the administering authority. This means, for example, all the investments the Fund makes are made in the name of Middlesbrough Council, and the Fund's accounts are part of Middlesbrough Council's accounts, albeit as a separate appendix. Middlesbrough Council also employs the Pensions Governance and Investments team and holds most of the places on the Pension Fund Committee. Measures in place to ensure there is clear separation where necessary between the Fund and Middlesbrough Council include the following:

- Middlesbrough Council's Constitution, the Pension Fund's Governance Policy and Compliance Statement and Conflicts Policy all emphasise the need for the Fund, where necessary, to be treated separately from the administering authority. For example, the Pension Fund Committee's responsibilities include the following: "In its role as the administering authority, Middlesbrough Council owes fiduciary duties to the employers and members of the Teesside Pension Fund and must not compromise this with its own particular interests".
- There is a defined procedure around evaluating any potential local investments designed to ensure input from the Fund's independent investment advisors together with external independent validation, where possible, before agreeing to any such investment.
- Officer and member codes of conduct, together with procedures in place at Pension Fund Committee and Teesside Board meetings require the declaration of any identified conflicts.
- The Fund's accounts identify the administering authority as a related party and require relevant transactions to be reported.

## Section 2 - Governance and Training

### 2.1 Governance Structure and compliance with the Governance Compliance Statement

The Teesside Pension Fund (the Fund) is part of the Local Government Pension Scheme is governed by Public Service Pensions Act 2013 and the following 'secondary' legislation (all as amended):

- The Local Government Pension Scheme (Management and Investment of Funds) Regulations 2016;
- The Local Government Pension Scheme Regulations 2013; and
- The Local Government Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014.

The regulations have changed over the years as the nature of the scheme has changed – the most significant recent change applied from April 2014 when the scheme moved (for future benefits) to a career average revalued earnings scheme from a final salary scheme. More information about the scheme, including updated scheme guides and details of scheme member benefits and contributions can be found on the national scheme member website [www.lgpsmember.org](http://www.lgpsmember.org).

The Regulations specify the pensions and other benefits payable and fix the rates of member contributions. Employer contributions are set every three years by the Fund Actuary. The purpose of the Fund is to provide retirement benefits for local authority employees in the Teesside area and other bodies admitted by agreement. The Fund is administered by Middlesbrough Council on behalf of all participating employers. A full list of participating organisations is given in the Membership section below.

The Fund is financed by way of contributions from employers and employees, based upon a percentage of pensionable pay, and supplemented by earnings from Fund investments. The Fund's assets, after payment of benefits, are invested as directed by the Pension Fund Committee. The Committee comprises elected members of Middlesbrough Council, representatives of the other unitary authorities, a representative of the other employers in the Fund and two scheme member representatives provided by the Trade Unions. The Committee is advised by relevant Council officers supported by external experts including the Fund's Investment Advisors.

## Management of the Fund

The Fund is administered by **Middlesbrough Council** via **the Teesside Pension Fund Committee** which has plenary powers meaning it can make decisions without reference to the Council. This Committee acts in a similar manner to the Board of Trustees of a private sector pension fund.

The day to day running of the Teesside Pension Fund is delegated to the Director of Finance of Middlesbrough Council who is responsible for implementing the strategies and policies set by the Pension Fund Committee. Supporting the Director is the Head of Pensions Governance and Investments who oversees two groups: The Pensions Administration Team is responsible for the calculation and payment of pension benefits and for looking after employer interests in the Fund. This function was outsourced and delivered by XPS Administration (until 30<sup>th</sup> May 2025), then Tyne and Wear Pension Fund (from 1<sup>st</sup> June 2025) during 2025/2026. The Pensions Governance and Investments Team manages the investment of the Fund in conjunction with the advice of the Fund's external Investment Advisors, as well as providing support to the Pension Fund Committee and Teesside Pension Board.

| <b>Scheme Members Representative</b>    | Brian Foulger (GMB)                     |                   |                   | ✓                 |                   | ✓                 | ✓                 |

The meeting due to be held on the 10<sup>th</sup> December 2025 was inquorate and was therefore abandoned.

The committee comprises representatives from all the district councils in the former Cleveland County area as well as a representative from the other employers in the Fund and representatives from the Trade Unions. The committee held six meetings during the year.

The size and political make-up of the committee is determined annually by Middlesbrough Council, and the Councillors are then nominated by each political party. Representatives of the other district Councils are nominated by them. The ‘Other Employers’ representative, is chosen by election by the other employers with active members in the Fund.

## Terms of Reference – Teesside Pension Fund Committee

### Terms of Reference:

The Pension Fund Committee's principal aim is to carry out the functions of Middlesbrough Council as the Scheme Manager and Administering Authority for the Teesside Pension Fund in accordance with Local Government Pension Scheme and any other relevant legislation.

In its role as the administering authority, Middlesbrough Council owes fiduciary duties to the employers and members of the Teesside Pension Fund and must not compromise this with its own particular interests. Consequently, this fiduciary duty is a responsibility of the Pension Fund Committee, and its members must not compromise this with their own individual interests.

The Pension Fund Committee has the following specific roles and functions, taking account of advice from the Chief Finance Officer (the Strategic Director of Finance Governance and Support) and the Fund's professional advisors:

- a) Ensuring the Teesside Pension Fund is managed, and pension payments are made in compliance with the Local Government Pension Scheme Regulations, Her Majesty's Revenue & Customs requirements for UK registered pension schemes and all other relevant statutory provisions.
- b) Ensuring robust risk management arrangements are in place.
- c) Ensuring the Council operates with due regard and in the spirit of all relevant statutory and non-statutory best practice guidance in relation to its management of the Teesside Pension Fund.
- d) Determining the Pension Fund's aims and objectives, strategies, statutory compliance statements, policies and procedures for the overall management of the Fund, including in relation to the following areas:
  - i) Governance – approving the Fund's Governance Policy and Compliance Statement for the Fund within the framework as determined by Middlesbrough Council and making recommendations to Middlesbrough Council about any changes to that framework.
  - ii) Funding Strategy – approving the Fund's Funding Strategy Statement including ongoing monitoring and management of the liabilities, ensuring appropriate funding plans are in place for all employers in the Fund, overseeing the triennial valuation and interim valuations, and working with the actuary in determining the appropriate level of employer contributions for each employer.
  - iii) Investment strategy - approving the Fund's Investment Strategy Statement and Compliance Statement including setting investment targets and ensuring these are aligned with the Fund's specific liability profile and risk appetite.
  - iv) Administration Strategy – approving the Fund's Administration Strategy determining how the Council will the administer the Fund including collecting payments due, calculating and paying benefits, gathering information from and providing information to scheme members and employers.
  - v) Communications Strategy – approving the Fund's Communication Strategy, determining the methods of communications with the various stakeholders including scheme members and employers.
  - vi) Discretions – determining how the various administering authority discretions are operated for the Fund.
- e) Monitoring the implementation of these policies and strategies on an ongoing basis.
- f) In relation to the Border to Coast; the asset pooling collaboration arrangements:
  - i) Monitoring the performance of the Border to Coast and recommending actions to the Border to Coast Joint Committee, The Mayor or his Nominee (in his role as the nominated person to exercise Shareholder rights and responsibilities), Officers Groups or Border to Coast, as appropriate.
  - ii) Undertake the role of Authority in relation to the Inter Authority Agreement, including but not limited to:
    - Requesting variations to the Inter Authority Agreement
    - Withdrawing from the Inter Authority Agreement
    - Appointing Middlesbrough Council officers to the Officer Operations Group.
- g) Considering the Fund's financial statements and the Fund's annual report.

- h) Selection, appointment, dismissal and monitoring of the Fund's advisors, including actuary, benefits consultants, investment consultants, global custodian, fund managers, lawyers, pension funds administrator, independent professional advisors and AVC provider.
- i) Liaison with internal and external audit, including providing recommendations in relation to areas to be covered in audit plans, considering audit reports and ensuring appropriate changes are made following receipt of audit findings
- j) Making decisions relating to employers joining and leaving the Fund. This includes which employers are entitled to join the Fund, any requirements relating to their entry, ongoing monitoring and the basis for leaving the Fund.
- k) Agreeing the terms and payment of bulk transfers into and out of the Fund.
- l) Agreeing Pension Fund business plans and monitoring progress against them.
- m) Agreeing the Fund's Knowledge and Skills Policy for all Pension Fund Committee members and for all officers of the Fund, including determining the Fund's knowledge and skills framework, identifying training requirements, developing training plans and monitoring compliance with the policy.
- n) Agreeing the Administering Authority responses to consultations on LGPS matters and other matters where they may impact on the Fund or its stakeholders.
- o) Receiving ongoing reports from the Chief Finance Officer, the Head of Pensions Governance and Investments and other relevant officers in relation to delegated functions.

### Teesside Pension Board

The Public Service Pensions Act 2013 introduced a requirement for public service pension schemes to have pension boards. The pension board for the Teesside Pension Fund is the Teesside Pension Board. The Teesside Pension Fund Committee is still the sole decision-making body for the Fund, whereas the Teesside Pension Board assists Middlesbrough Borough Council, as the Administering Authority, to:

- a) Secure compliance with the Regulations, any other legislation relating to the governance and administration of the Scheme, and requirements imposed by the Pension Regulator in relation to the Scheme; and
- b) To ensure the effective and efficient governance and administration of the Scheme.

The Teesside Pension Board is made up of six voting members as follows:-

3 employer representatives; and 3 scheme member representatives.

Teesside Pension Board membership and meeting attendance during the year 2025/26

## Pension Fund Committee and Teesside Pension Board Training

All Pension Fund Committee members are invited to annual refresher training covering the investment governance and administration of the Fund. All Pension Fund Committee and Teesside Pension Board members attend induction training, either as part of a small group or on a one-to-one basis prior to their first meeting.

Other training was carried out during the year by Committee and Board members as follows:

Border to Coast Annual Conference investment training September 2025 – Cllrs Coupe and Kabuye and B Foulger from the Pension Fund Committee and J Bell, P Thompson from the Pensions Board.

The regular Committee and Board meetings provide an opportunity for ongoing training throughout the year as shown below:

In addition, all Committee and Board members have access to the LGPS On-Line Learning Academy, a series of short videos designed to cover the range of knowledge and understanding Committee members are expected, and Board members are required to acquire and maintain.

### **Pension Fund Committee and Teesside Pension Board Activity**

During the year the Pension Fund Committee met four times. Each meeting included:

- An investment activity report, detailing how the Fund was implementing its strategic asset allocation, and including trades carried out during the quarter, a fund valuation and details of returns on cash investments.
- Reports from Border to Coast including Environmental Social and Governance reports in relation to the Fund's investments with both these managers.
- A presentation from Border to Coast (our pooling company partner), typically highlighting topical investment issues.
- Presentations from the Fund's two independent investment advisors giving their views on investment markets, the Fund's performance and any investment strategy recommendations.
- A presentation from Tyne and Wear Pension Fund setting out relevant current issues in pensions administration.
- A review of the Risk Register.

Other issues considered during the year included:

- The transfer of Real Estate holdings to Border to Coast.
- Actuarial Assumptions for the 2025 Valuation.
- The 2025 Actuarial Valuation of the Fund's assets and liabilities.
- Fit for the Future consultation on the future of the LGPS results implementation.
- Updates on progress of some of the Fund's local investments.
- Update on pooling progress and consolidation.
- Update on governance arrangements for Border to Coast.
- Reviewed the Funding Strategy Statement.
- Updates to Border to Coast's Responsible Investment Policy, Corporate Governance & Voting Guidelines and Climate Change Policy.

- The draft Pension Fund Annual Report and Accounts for 2024/25.
- Final Audit Results report for year ending March 2024.
- Review of the Fund's Governance Policies.

During the year the Teesside Pension Board met four times. Each meeting included:

- Reports and feedback from recent Pension Fund Committee meetings
- Reports and updates in relation to the Teesside Pension Board's work plan – a rolling schedule designed to ensure the Board keeps its focus on key Local Pension Board areas identified within statutory (and other) guidance.
- A presentation from TWPF setting out relevant current issues in pensions administration.

Other issues considered during the year included:

- Details of government LGPS Fit for the Future consultation.
- The draft Pension Fund Annual Report and Accounts for 2024/25
- The Pension Fund Business Plan 2025/28
- Conflicts of interest policy
- A review of training arrangements for the Board.

The Board produces an annual report, typically published at its April meeting. The annual report for 2025-26 can be found at the following link: [Report - Teesside Pension Board Annual Report 2025-26](#)

## Conflicts of interest

All Pension Fund Committee and Teesside Pension Board members are given induction training, with annual refresher training available. This includes information on considering and declaring conflicts of interest in relation to their roles. Ongoing guidance and support on this issue is available from the Fund officers. Members of both bodies are asked to declare any conflicts of interest at the start of each meeting – guidance is available from the Council's Monitoring Officer in addressing any conflicts identified.

## Oversight and Governance of Border to Coast

Border to Coast was formed to enable the pooling of assets of certain Administering Authorities of the Local Government Pension Scheme ("Partner Funds"). In order to effect the pooling, the Partner Funds established a Financial Conduct Authority (FCA)-regulated operator of collective investment vehicles, which is also appointed as the Asset Manager for those vehicles. This company is Border to Coast Pensions Partnership Ltd ("Border to Coast"). Border to Coast is wholly owned by the Partner Funds who are its customers and also its shareholders.

The original guiding principles set out by the Partner Funds have been reflected in the governance structure:

1. Meeting central Government's aims for governance, responsible investing, infrastructure and value for money
2. One fund, one vote
3. Funds retaining governance role and ownership of asset allocation
4. Generating improved net-of-fees risk adjusted performance
5. Border to Coast internal management capability
6. Improved resilience and capacity over existing structures
7. A shared team in one location

Border to Coast's investment performance and capability is overseen by the Partner Funds on a day-to-day basis by the Senior Fund Officers and formally on a quarterly basis by the Border to Coast Joint Committee, which is constituted of elected member representatives from each of the Partner Funds. Border to Coast's performance as a company is overseen by shareholder representatives from the Administering Authorities of the Partner Funds both on an ongoing basis and formally once a year at its AGM.

The Partner Funds and Border to Coast work collaboratively to build the investment capabilities required to ensure that the Partner Funds are able to efficiently and effectively deliver their Strategic Asset Allocations in line with the guiding principles. However, to hold Border to Coast to account and to meet FCA requirements for a regulated asset manager, the governance structure is designed to ensure sufficient independence between the Partner Funds and Border to Coast during implementation and ongoing management of the sub-funds.

The diagram below shows the governance structure in place to ensure that appropriate oversight of Border to Coast is carried out both from a shareholder and an investor perspective. (Regulatory) oversight Provide support and challenge but not formal decision maker Formal decision maker Border to Coast Management

More detailed information on Border to Coast's governance arrangements can be found in Border to Coast's Governance Charter, which is available at the following link:

<https://www.bordertocoast.org.uk/publication/governance-charter/>

### Other key elements of the governance structure (e.g. key officers)

Key officers involved in the governance of the Fund are listed in Section 1.1 above.

### The Pensions Landscape

All of the major public sector schemes changed radically from April 2015, with new public sector schemes established and operated in accordance with the Public Service Pensions Act 2013. This change shifted the methodology of calculation from Final Salary to Career Average for future benefits. However, due in part to its unique 'funded' status amongst these schemes, the LGPS changed a year earlier from April 2014. Whereas the other Public Sector Pension Schemes created new schemes, the LGPS changed the method of calculation for all members from 1st April 2014. More detail on how the current LGPS compares to previous versions of the scheme is contained in the "Summary of LGPS benefits" section.

Government changes to the wider pensions landscape were also introduced from April 2015, promoting "Freedom and choice"; granting greater flexibility in how and when members can access their pension savings. These changes largely impact upon defined contribution schemes and, due to the nature of the LGPS, do not have major impact upon the scheme or its operation. However, members making Additional Voluntary Contributions can now potentially access monies from these funds from age 55, whilst still contributing to the LGPS, on transfer to another provider.

Changes to the limits on tax relief available for pension savings were announced which came into effect on 6 April 2023. The standard annual allowance figure increased from £40,000 to £60,000, with the tapered annual allowance increasing from £4,000 to £10,000. Lifetime allowance tax charges were removed for retirement events from 6 April 2023. However, a cap on the Pension Commencement Lump Sum (PCLS) amount remained, which broadly mirrored the LTA excess tax charge with the tax now calculated at the members marginal rate rather than 55%. This meant that annual pension payments were no longer subject to lifetime allowance charges.

The Lifetime Allowance was then abolished from 6 April 2024, with the revised regime broadly mirroring the rules from 6 April 2023. The lifetime allowance was only breached by a very small proportion of members. The increase to the annual allowance means that fewer members will face a potential tax charge in the future.

## Scheme specific changes

On 1 April 2014 the new look LGPS came into force, reflecting the changes required to public sector schemes derived from the Public Service Pension Commission recommendations.

From 1 April 2014:

- The LGPS became a Career Average Revalued Earnings (CARE) scheme using price inflation – the Consumer Prices Index (CPI) as the revaluation factor (the previous scheme was a final salary scheme).
- The rate pension builds up within the main scheme is 1/49<sup>th</sup> of pensionable pay each year where the previous scheme rate was 1/60<sup>th</sup> calculated on a final salary basis.
- There is no fixed scheme pension age, instead each member's Normal Pension Age (NPA) is their State Pension Age, with a minimum of 65 (the former scheme had a fixed pension age of 65).
- Member contributions to the scheme are set at one of nine different contribution bands, between 5.5% and 12.5% of pensionable pay, set based on the level of actual pensionable pay the scheme member receives.
- There is a facility for members to choose to pay half contributions for half the pension. This is known as the 50/50 option (earlier schemes had no such option). The intention was to provide a lower cost option for members who were perhaps considering opting-out of the scheme.
- Members' benefits for service prior to 1 April 2014 are protected, including protecting the earliest age a scheme member could receive a pension without early retirement reductions applying. Protected past service continues to be based on final salary and age 65 NPA.

Following the reformation of public service pension schemes, which were introduced to the LGPS from 1 April 2014, transitional protections were introduced for older members. In respect of the LGPS, older members received an underpin calculation where, if the benefits they would have received under the final salary scheme would be higher, these higher benefits would be awarded. In December 2018, the court of appeal ruled that younger members of the Judicial and Firefighters Pension Schemes had been unlawfully discriminated against as they did not benefit from these protections. This meant that the discrimination must be removed; this ruling is widely known as the McCloud Judgment. The Public Services Pensions and Judicial Officers Act 2022 provided the framework for the changes required and on 1 October 2023 the LGPS regulations were amended to extend the statutory underpin to all applicable members. It is worth noting that unlike other public sector schemes, most members of the LGPS receive higher benefits under the Career Average arrangement, therefore the impact on benefits across the scheme on a whole is expected to be minimal.

In September 2022 the CPI rate was at an unprecedented high of 10.1%. This increase would have applied to CARE pensions from 1 April 2023. As the closing pension in respect of Annual Allowance calculations is calculated as at 6 April, the significant increase in CARE pensions would have seen an increased level of Annual Allowance breaches across the LGPS. On 31 March 2023 the revaluation date used for career average benefits in the LGPS was changed to 6 April each year instead of 1 April. This slight technical change had no impact on the value of scheme members' benefits but prevented significant numbers of LGPS members from exceeding their 'annual allowance' and having to potentially make a tax payment.

## Promoting Scheme Membership

The Fund continues to promote Scheme membership and much of this work over the past twelve months has been directed at our newer employers and employees.

Employers have a very important role to play in the operation of the pension scheme, and in giving reassurance to their employees with regards to the scheme's short and long-term benefits.

A variety of methods are used here such as workplace posters, presentations and staff briefings and employer awareness courses that assist the employer to understand and impart general knowledge of the scheme to their staff.

With more people looking towards technology these days, we have continued to promote our Member Self Service (MSS) throughout the year. This facility allows scheme members to view their pension record(s) on-line as well as being able to run their own pension calculations.

## Section 3 - Financial Performance

### Income, Expenditure and Fund value

The Fund's Financial Statements show that the Net Asset Value has increased by 9.8% compared to the previous year. Over the last 5 years, from the 2022 value of £5,038 million, the value of Net Assets has increased by 19%.

## Analytical review of the financial year

The financial performance of pension funds can vary significantly year on year - the total Fund value can undergo large movements resulting from the change in the market value of investments, and within the fund account the "net additions (withdrawals) from dealings with members" can vary due to external factors affecting the Fund itself or the principal employers within it.

The significant impact of unforeseeable and unquantifiable external factors have resulted in the policy of the administering authority not to set a budget for future periods for the Fund. It was felt that any budget would contain too many unknowable variables to be of any practical use and analysis of budget variances would contain inaccurate assumptions.

For this reason, it was felt that a much more meaningful analysis of the financial performance of the Fund could be gained from comparison with the performance in the previous year and the principal variances and movements in the financial performance of the fund in comparison with the previous year were as follows:

### Summary of Analytical Review 2025/26

| Fund Account                                | Notes | 2024/25<br>£ ' 000 | 2025/26<br>£ ' 000 | Change        |
|---------------------------------------------|-------|--------------------|--------------------|---------------|
| <b>Contributions and Other Income</b>       |       |                    |                    |               |

**Explanation of variances**

|                                                 | 2024/25       | 2025/26       |                       |
|-------------------------------------------------|---------------|---------------|-----------------------|
| <b>1 Employers' Normal Contributions - £000</b> | <b>87,023</b> | <b>94,106</b> | <b>increase of 8%</b> |

Employers' normal contributions have increased by £7.08m.

|                                                     | 2024/25   | 2025/26   |                         |
|-----------------------------------------------------|-----------|-----------|-------------------------|
| <b>2 Employers' Additional Contributions - £000</b> | <b>15</b> | <b>47</b> | <b>increase of 213%</b> |

Employers' deficit contributions have decreased by £0.03m.

|                                                 | 2024/25       | 2025/26       |                       |
|-------------------------------------------------|---------------|---------------|-----------------------|
| <b>3 Employees' Normal Contributions - £000</b> | <b>38,245</b> | <b>39,943</b> | <b>increase of 4%</b> |

Auto enrolment continues to encourage contributions to the scheme, and the ability for employees to pay 50% contributions instead of opting-out completely continues to have a positive effect for the year.

|                              | 2024/25       | 2025/26      |                          |
|------------------------------|---------------|--------------|--------------------------|
| <b>4 Transfers In - £000</b> | <b>10,977</b> | <b>9,928</b> | <b>decrease of (10%)</b> |

In 2025/26 173 transfers were received into the scheme at an average value of £57.4k, compared to 209 transfers at an average value of £52.5k in 2024/25.

|                                                   | 2024/25      | 2025/26    |                          |
|---------------------------------------------------|--------------|------------|--------------------------|
| <b>5 Capital Cost of Early Retirements - £000</b> | <b>2,293</b> | <b>805</b> | <b>decrease of (65%)</b> |

The number of early retirements has decreased compared to the previous year, and the average cost per retirement has decreased. The retirements from the Councils processed in the year were as follows;

|                                    | Number    | Total Cost      | Average        |
|------------------------------------|-----------|-----------------|----------------|
| Hartlepool Borough Council         | 2         | £13,139         | £6,570         |
| Middlesbrough Council              | 7         | £487,050        | £69,579        |
| Stockton Borough Council           | 3         | £58,004         | £19,335        |
| Redcar & Cleveland Borough Council | 4         | £64,385         | £16,096        |
| <b>Total</b>                       | <b>16</b> | <b>£622,578</b> | <b>£38,911</b> |

|                          | 2024/25        | 2025/26        |                    |           |
|--------------------------|----------------|----------------|--------------------|-----------|
| <b>6 Benefits - £000</b> | <b>164,845</b> | <b>169,106</b> | <b>increase of</b> | <b>3%</b> |

At the year-end there were 31,211 Pensioner Members / Dependants receiving pension benefits, at an average of £5,597 a year (2024/25 28,885 receiving benefits at an average of £5,707 a year).

|                                           | 2024/25       | 2025/26       |                    |           |
|-------------------------------------------|---------------|---------------|--------------------|-----------|
| <b>7 Benefits - Basic Lump Sum - £000</b> | <b>33,222</b> | <b>34,354</b> | <b>increase of</b> | <b>3%</b> |

There has been an increase of 3.3% in the value of Lump Sums paid by the Fund during the year.

|                                                       | 2024/25       | 2025/26       |                    |              |
|-------------------------------------------------------|---------------|---------------|--------------------|--------------|
| <b>8 Individual Transfers to Other Schemes - £000</b> | <b>16,523</b> | <b>10,103</b> | <b>decrease of</b> | <b>(39%)</b> |

Transfers out can vary quite markedly year on year depending on both numbers and the type of people transferring. For 2025/26, the individual transfers out was £10,103k (2024/25 £16,523k), a decrease from the previous year. In term of numbers, the transfers out for 2025/26 were 149 (2024/25 261).

|                | Number | Total Cost  | Average |
|----------------|--------|-------------|---------|
| <b>2025/26</b> | 149    | £10,102,987 | £67,805 |
| <b>2024/25</b> | 261    | £16,523,297 | £63,308 |

|                                         | 2024/25      | 2025/26      |                    |            |
|-----------------------------------------|--------------|--------------|--------------------|------------|
| <b>9 Administrative Expenses - £000</b> | <b>1,953</b> | <b>3,687</b> | <b>increase of</b> | <b>89%</b> |

Partnership payments have increased across the period for the first year of the new contract with Tyne and Wear due to set up costs. Also includes some unexpected final fees from XPS as part of the end of their contract.

|                                                 | 2024/25      | 2025/26      |                    |            |
|-------------------------------------------------|--------------|--------------|--------------------|------------|
| <b>10 Investment Management Expenses - £000</b> | <b>6,062</b> | <b>6,722</b> | <b>increase of</b> | <b>11%</b> |

These are variable across each financial year as they are based on type and level of investment in funds throughout the year which can be unpredictable.

|                                                 | 2024/25    | 2025/26    |                    |             |
|-------------------------------------------------|------------|------------|--------------------|-------------|
| <b>11 Oversight and Governance Costs - £000</b> | <b>441</b> | <b>895</b> | <b>increase of</b> | <b>103%</b> |

Increase in Actuary costs across the period due to the triennial funding valuation taking place during the period.

|                                    | 2024/25    | 2025/26    |                    |             |
|------------------------------------|------------|------------|--------------------|-------------|
| <b>12 Other Expenditure - £000</b> | <b>358</b> | <b>333</b> | <b>decrease of</b> | <b>(7%)</b> |

A decrease in Other Expenditure reflects the decrease in refunds to leaving members.

|                                                         | 2024/25       | 2025/26        |                    |             |
|---------------------------------------------------------|---------------|----------------|--------------------|-------------|
| <b>13 Income from Pooled Investment Vehicles - £000</b> | <b>52,749</b> | <b>146,362</b> | <b>increase of</b> | <b>177%</b> |

The fund has moved away from distribution units to receiving income distributions on a quarterly basis from Border to Coast which equates to £79m increase for the period.

|                       | 2024/25       | 2025/26       |                    |              |
|-----------------------|---------------|---------------|--------------------|--------------|
| <b>14 Rent - £000</b> | <b>27,840</b> | <b>12,576</b> | <b>decrease of</b> | <b>(55%)</b> |

The fund has transferred all but 5 directly held properties to Border to Coast in the period. The variance is due to no longer receiving the income for those properties transferred.

|                                            | 2024/25       | 2025/26       |                    |           |
|--------------------------------------------|---------------|---------------|--------------------|-----------|
| <b>15 Interest on cash deposits - £000</b> | <b>17,788</b> | <b>18,290</b> | <b>increase of</b> | <b>3%</b> |

There has been little change in the bank of England base rate across the period. The value of the funds cash balance has also not changed much over the period so the interest received has not varied significantly.

|                              | 2024/25          | 2025/26          |                    |            |
|------------------------------|------------------|------------------|--------------------|------------|
| <b>16 Investments - £000</b> | <b>5,107,228</b> | <b>5,685,837</b> | <b>increase of</b> | <b>11%</b> |

Market Value of the fund has increased due to the performance of the funds equity funds held with Border to Coast which has seen a significant return over the period.

|                       | 2024/25        | 2025/26        |                    |             |
|-----------------------|----------------|----------------|--------------------|-------------|
| <b>17 Cash - £000</b> | <b>461,079</b> | <b>459,097</b> | <b>decrease of</b> | <b>(0%)</b> |

Cash balances remained stable across the period.

## Performance Monitoring

As part of our commitment to continued service improvements we operate a system of performance monitoring. The Pensions Administration system monitors the key procedures that are performed by the administration unit. Each procedure is measured against its target and monitored on a monthly basis.

### Performance

The pension administration unit aim to perform 98.50% of the procedures within each target timescale. The table below highlights the performance of the administration unit against the key procedure targets.

| <b>Procedure</b>                  | <b>Target 2025/26</b>                                               |
|-----------------------------------|---------------------------------------------------------------------|
| Processing New Starters           | <b>40 days</b> from receipt                                         |
| Processing Transfer Values (TV's) | <b>15 working days</b> from the date of notification                |
| Refund of Contributions           | <b>10 working days</b> from the request date                        |
| Estimates of Benefit Entitlements | <b>15 working days</b> from date of request                         |
| Pension benefits                  | <b>15 working days</b> from the receipt of all relevant information |
| Deferred Benefits                 | <b>30 working days</b> from notification of leaving                 |

## Actuarial Valuation of the Fund

Every three years the Fund is required to appoint a suitably qualified actuary to assess solvency and to measure the level of assets compared to liabilities. This process is known as a valuation and the most recent one, carried out by the actuarial firm Hymans Robertson valued the Fund as at 31 March 2025. The principal conclusions of this valuation were:

- ◆ The ongoing funding level of the Fund on 31 March 2025 was 141% (2022 – 116%).
- ◆ The surplus of assets compared to the past service liabilities was £1,626 million (2022 – surplus of assets compared to past service liabilities £684 m).
- ◆ The average cost of accruing benefits payable by the employers, including administration expenses and lump sum death in service benefits, is 19.9% of pensionable pay (2022 – 19.7%).
- ◆ Employers will pay revised levels of contributions that will take in to account their specific circumstances and having regard to the principles set out in the funding strategy statement. Some employers will continue to pay lower contributions to take into account distribution of some of the surplus in the Fund identified at the previous valuation. The total aggregate Employer contribution rates to the Fund are anticipated to be 13.7% of Pay.

## Membership

In 2025/26 financial year the total membership of the Fund increased by 2,144 to the current total of 85,862.

The number of pensioners continues to increase but proportionately the Fund membership remains broadly split between the three categories of member.

### Membership Numbers

|           | 2022   | 2023   | 2024   | 2025   | 2026   |
|-----------|--------|--------|--------|--------|--------|
| Active    | 25,434 | 26,198 | 26,220 | 26,341 | 28,119 |
| Deferred  | 26,249 | 27,225 | 28,180 | 28,492 | 27,532 |
| Pensioner | 26,212 | 26,915 | 27,813 | 28,885 | 30,211 |
| Total     | 77,895 | 80,338 | 82,213 | 83,718 | 85,862 |

## Fraud Prevention Initiatives

The Fund participates in the annual National Fraud Initiative (NFI), a data matching exercise operated by the Public Sector Fraud Authority that helps prevent and detect fraud. The NFI is an exercise that matches electronic data within and between public and private sector bodies to prevent and detect fraud.

The Fund carries out appropriate and proportionate checks in relation to requests from members to transfer benefits out of the Fund. This includes closely following the available guidance on transfers-out, with the aim of ensuring those progressing a transfer are fully aware of the implications of their decision and have had access to appropriate information and (where necessary) advice.

## Statement of Responsibilities for the Financial Statements Teesside Pension Fund

### Statement of Responsibilities

#### Middlesbrough Council Responsibilities

The Council is required to:

- Make arrangements for the proper administration of the financial affairs of the Teesside Pension Fund (the Fund) through a Pension Fund Committee;
- Secure that one of its officers has the responsibility for the administration of those affairs, namely the Chief Finance Officer of the Council (Director of Finance and Transformation); and
- Manage the Fund to secure economic, efficient, and effective use of resources and to safeguard its assets and approve the Fund's Statement of Accounts.

#### The Chief Finance Officer's Responsibilities

The Corporate Director of Finance is responsible for the preparation of the Fund's Statement of Accounts in accordance with proper practices set out in the Accounts and Audit Regulations (England) 2015.

In preparing the Statement of Accounts, the Director of Finance and Transformation has:

- Selected suitable accounting policies and applied them consistently;
- Made judgements and estimates that were reasonably prudent;
- Complied with the Code;
- Kept proper accounting records which were up to date; and
- Taken reasonable steps for the prevention and detection of fraud and other irregularities.

#### Confirmation of the Statement of Accounts

I confirm that the Teesside Pension Fund Draft Statement of Accounts gives a true and fair view of the financial position of the Fund at 31 March 2026 and of its income and expenditure for that year.

## Notes to Teesside Pension Fund Accounts

### Note 1 Basis of Preparation

The financial statements are prepared in line with the requirements of the CIPFA Code of Practice on Local Authority Accounting, which states that as authorities cannot be created or dissolved without statutory prescription, they must prepare their financial statements on a going concern basis of accounting. The Council is established under the Local Government Regulations 2013 as an Administering Authority of the Local Government Pensions Scheme and is therefore a statutory body expected to be a going concern until notification is given that the body will be dissolved, and its functions transferred. The financial statements have been prepared on the assumption that the functions of the Fund will continue in operational existence for the foreseeable future and management is not aware of any material uncertainties in relation to this.

The statement of accounts summarises the Funds' transactions for the 2025/26 financial year and its position at year end as at 31 March 2026. The accounts have been prepared in accordance with the Code of Practice on Local Authority Accounting in the United Kingdom 2025/26, which is based upon International Financial Reporting Standards (IFRS), as amended for the UK local government sector.

The accounts summarise the transactions of the Fund and report on the net assets available to pay pension benefits. The accounts do not take account of obligations to pay pensions and benefits, which fall due after the end of the financial year.

### Note 2 Accounting standards issued but not yet been adopted

At the balance sheet date, the following new standards and amendments to existing standards have been published and will be introduced by the 2026/27 Codes of Practice of Local Authority Accounting in the United Kingdom:

- **Amendments to FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (Amendments to Heritage assets)** issued in March 2024
- **Amendments to the Classification and Measurement of Financial Instruments (Amendments to IFRS 9 and IFRS 7)** issued in May 2024
- **Annual improvements to IFRS accounting standards – Volume 11** issued in July 2024
- **Contracts Referencing Nature-dependent Electricity (Amendments to IFRS 9 and IFRS 7)** issued in December 2024.

### Note 3 Summary of Significant Accounting Policies

## **Accruals**

The accounts have been prepared on an accrual's basis, and the accruals threshold set by management is £100,000. There are a couple of exceptions to this, one of those being individual transfer values which are recognised on a cash transfer basis.

Certain investments in pooled vehicles, predominantly in private markets and alternatives have investments costs charged directly by the investment managers to the Fund Account on cash receipt rather than accruals basis.

Foreign currency transactions in relation to purchases and sales on investments are accounted for at settlement date.

## **Fund Account – Revenue Recognition**

### **Contributions Income**

Normal contributions, from both the members and the employers, are accounted for on an accrual's basis in the payroll period to which they relate. The employers' percentage rate is set by the Actuary, whilst the employees' rate is determined by the Local Government Pension Scheme (LGPS) Regulations.

Employer deficit funding contributions are accounted for on the due dates set by the actuary, or on receipt if earlier.

Employer strain on the fund and any augmentation contributions are accounted for in the period in which the liability arises. Amounts due in the year but still outstanding at the year-end are accrued, according to the accrual's threshold.

### **Transfer Values**

Transfer values represent the sums receivable in respect of members who have either joined or left the Fund during the financial year and are calculated in accordance with the LGPS Regulations.

Individual transfer values in and out have been accounted for in the period in which they were paid or received.

Transfers in from members wishing to use the proceeds from their additional voluntary contributions to purchase scheme benefits, are accounted for on a receipt's basis within transfers in.

Bulk transfers are accounted for on an accrual's basis in accordance with the terms of the transfer agreement.

### **Investment Income**

#### Interest Income

Interest income is recognised in the Fund account on an accruals basis, using the effective interest rate of the financial instrument as at the date of acquisition.

#### Dividend Income

Dividend income is recognised at receipt of funds from the custodian.

### Distributions from Pooled Investment Vehicles and Pooled Property Investments

Distributions from Pooled Funds are recognised on the date of cash receipt. Any amount not received at the year-end is disclosed in the net assets statement as a current financial asset.

### Property Related Income

Property related income consists primarily of rental income. Rental income from operating leases on properties owned by the Fund is accounted for on an accrual's basis.

### **Interest on Cash Balances**

All surplus cash balances of the Fund are invested externally; interest being credited to the Fund.

### **Fund Account – Expense Items Benefits Payable**

Pensions and lump sum benefits payable include all amounts known to be due at the end of the financial year. Any amounts due but unpaid are disclosed in the net assets statement as current liabilities.

### **Taxation**

The Fund is a registered public service scheme under section 1 (1) of schedule 36 of the Finance Act 2004 and, as such, is exempt from UK income tax on interest received and from capital gains tax on the proceeds of investments sold. Income from overseas investments suffers withholding tax in the country of origin unless exemption is permitted. Any withholding tax recovered is credited on receipt.

### **Management Expenses**

The Code requires that management expenses be categorised into administrative expenses, oversight and governance expenses and investment management expenses. To enhance transparency, the Fund discloses its pension fund management expenses in accordance with CIPFA's guidance, "Accounting for Local Government Pension Scheme Management Expenses (2016)".

### Administrative Expenses

All administrative expenses are accounted for on an accrual's basis. All staff costs of the pension administration team are charged direct to the Fund. Associated management, accommodation and other overheads are apportioned to this activity and charged as expenses to the Fund. Expenses for actuarial, audit and legal fees are paid directly by the Fund.

### Oversight and Governance Costs

All oversight and governance expenses are accounted for on an accrual's basis. All staff costs associated with governance and oversight are charged direct to the Fund. Associated management, accommodation and other overheads are apportioned to this activity and charged as expenses to the Fund.

### Investment Management Expenses

All investment management expenses are accounted for on an accrual's basis. Fees of external investment managers and the Fund's custodians are agreed in the respective mandates governing their appointments. Broadly, these are based on the market value of the investments under their management and therefore increase or reduce as the value of these investments change.

Certain investments in pooled vehicles, predominantly in private markets and alternatives have investments costs charged directly by the investment managers to the Fund Account on an as paid rather than an accruals basis.

External manager Border to Coast Pensions Partnership fee is based on an agreed budget.

External property manager CBRE management fee is based market value of property investments. These transferred to Border to Coast from 31<sup>st</sup> July 2025.

External property fund manager for 'stay behind' properties managed by Aberdeen from 1<sup>st</sup> August 2025, their fees are taken as agreed from rental income.

All employee costs of the investment section are charged directly to the fund and a proportion of associated Council management time spent by officers on investment management is also charged to the fund.

### **Property Expenses**

Property expenses have been recorded gross and shown as a deduction from the gross rental income received in determining net rents from properties.

### **Net Assets Statement**

#### **Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another. The term, 'financial instrument' covers both financial assets and financial liabilities and includes financial assets and liabilities such as trade receivables and trade payables.

#### IFRS9 Financial Instruments

Under IFRS9 Financial Instruments, a financial asset or financial liability shall be recognised in the balance sheet, and only when the Fund becomes a party to the contractual provisions of the instrument. On initial recognition, the Fund is required to classify financial assets and liabilities into amortised cost, fair value through profit and loss or fair value through other comprehensive income.

- Financial assets at amortised cost are those held to generate cash flows, and the amounts received are solely principal and interest.
- Financial liabilities are classified as amortised cost except in certain circumstances where they are classified as at fair value
- Fair value assets through profit and loss or other comprehensive income are assets which fail the amortised cost categorisation tests, where they are held for trading purposes and/or the amounts received relate to more than solely principal and interest (e.g. equity instruments).

### IFRS 13 Fair Value Measurement

The standard provides a consistent definition of fair value and enhanced disclosure requirements. It is designed to apply to assets and liabilities covered by those IFRS standards that currently permit or require measurement at fair value (with some exceptions). The Fund currently complies with this standard.

For more information on the classification of funds according to fair value hierarchy, please refer to Note 14

### Foreign Currency Transactions

Dividends and purchases and sales of investments in foreign currencies have been accounted for at the spot market rate at the settlement date of the transaction. Currency is bought and sold at the spot market rate for future dates through NatWest Agile Markets. During the year foreign currencies are transacted as follows:

- Proceeds of sales of foreign assets are translated into sterling at the exchange spot rate on the settlement date and recorded in our investment book of records in sterling and local currency.
- Purchases of foreign investments are translated into sterling using the exchange spot rate at the settlement date and recorded in our investment book of record at the book cost in sterling and local currency.
- Dividends from foreign investments are translated into sterling using the mid-market rate on the date of receipt.

### **Financial Assets**

Financial assets at fair value through profit or loss are included in the net assets statement on a fair value basis as at 31 March 2026. Financial assets at amortised cost are included in the net assets statement at amortised cost. A financial asset is recognised in the net assets statement on the date the Fund becomes a party to the contractual acquisition of an asset. From this date, any gains and losses arising from changes in the fair value of assets are recognised in the Fund account. Assets with contractual terms that give rise to cash flows on specified dates, consisting solely of payments of principal and interest on the principal amount outstanding, are valued at amortised cost and

recognised in the net assets statement. The value of investments as shown in the net assets statement has been determined as follows

#### Market Quoted Investments

Investments are valued at fair value as at 31 March 2026, as provided by the Fund's custodian. Quoted UK securities are valued at the bid price based on quotations in the Stock Exchange Daily Official List. Overseas quoted securities are, similarly, valued at the bid price from overseas stock exchanges, translated at closing rates of exchange.

#### Pooled Investment Vehicles

Pooled investment vehicles are valued at closing bid prices if both bid and offer prices are published, otherwise at the closing single price. In the case of pooled investment vehicles that are accumulation funds, the change in market value also includes income, which is reinvested in the Fund, net of applicable withholding tax.

#### Fixed Interest Securities

The value of fixed income investments excludes interest earned but not paid over at the year end. The interest earned is accrued within the investment income receivable.

#### Unquoted Investments

Unlisted securities, including partnerships, are valued regarding latest dealings and other appropriate financial information as provided by their respective managers or those controlling the partnerships.

#### Loans

Cash is invested with investment managers for a fixed term at a fixed interest rate. Loan repayment terms are agreed upon at the outset, with repayments including both the initial capital and interest over the agreed fixed term period.

#### Freehold and Leasehold Properties

Properties are valued at 31 March 2026. An independent external valuer conducts annual valuations on a fair value basis, in accordance with the Royal Institute of Chartered Surveyors' Valuation Standards (9th Edition). These valuations are professional opinions based on stated assumptions. It is important to note that a valuation is an estimate, not a fact. The degree of subjectivity and certainty involved can vary from case to case.

#### Leases

The Fund recognises a lease to be any agreement which transfers the right to use an asset for an agreed period in exchange for payment, or a series of payments. The Fund accounts for all leases in line with IFRS 16 (Leases), except where adaptations to fit the public sector are detailed in the Code. This accounting policy was applied from 1 April 2024. In line with the provisions of the Code, retrospective restatement of prior-period comparative information has not been undertaken.

## Finance Leases

A Finance lease is where substantially all the risks and rewards relating to ownership transfer to the lessee. Tests to give an indication of the transfer of risk and rewards are.

- If the lessee will gain ownership of the asset at the end of the lease term (e.g. hire purchase)
- If the lessee has an option to purchase the asset at a sufficiently favourable price that is reasonably certain, at the inception of the lease, that it will be exercised.
- The leased assets are of such a specialised nature that only the lessee can use them without major modifications.
- If the lessee cancels the lease, the losses of the lessor associated with the cancellation are borne by the lessee.
- Gains or losses from the fluctuation in the fair value of the residual accrue to the lessee (e.g. in the form of a rent rebate equalling most of the sales proceeds at the end of the lease).
- The lessee has the ability to continue the lease for a secondary period at a rent that is substantially lower than market rent. See Note 13 for finance leases.

## Operating Leases

The Fund recognises an operating lease to be a lease which is not a finance lease under IFRS 16. Where the Fund is the lessor for an operating lease, normally the asset is classified as an Investment Property. Any rental income is credited to income.

The lifespan of each operating lease in investment properties is generally between 5 and 10 years. See Note 13 for operating leases.

## **Outstanding Commitments**

The Fund has made commitments to investments, which are not included in the accounts of the Fund until the monies have been drawn down by the relative manager. Please refer to note 13 for contractual commitments at 31 March 2026 and 31 March 2025.

## **Cash and Cash Equivalents**

Cash comprises cash in hand and demand deposits. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and that are subject to minimal risk of changes in value.

## **Actuarial present value of promised retirement benefits**

The actuarial present value of promised retirement benefits is assessed on an annual basis by the scheme actuary in accordance with the requirements of IAS26 (Accounting and Reporting by Retirement Benefit Plans) and relevant actuarial standards. As permitted under the Code, the Fund has adopted to disclose the actuarial present value of promised retirement benefits by way of a note, refer to Note 15 and 16.

## **Additional Voluntary Contributions**

The Fund provides an additional voluntary contributions (AVC) scheme for its members, the assets of which are invested separately from those of the Fund. The Fund has appointed the Prudential Assurance Co Ltd as the current provider. AVCs are paid to the AVC provider by the employers and are specifically for providing additional benefits for the individual contributors. Each AVC contributor receives an annual statement showing the value of their account and any movements in the year. AVCs are not included in the accounts in accordance with Regulation 4 (1) b of the Local Government Pension Scheme (Management and Investment of Funds) Regulation 2016 but are disclosed as a note only (Note 19).

### Value Added Tax

Expenses and property purchase costs are charged net to the Pension Fund. The VAT is reclaimed via Middlesbrough Council's VAT regime.

## Note 4 Critical Judgements, Sensitivities and Accounting Estimates

The Code of Practice on Local Authority Accounting requires disclosure of judgements made by management that affect the application of accounting policies. The Fund can confirm it has made no such critical judgements during 2025/26.

## Note 5 Assumptions made about the Future and Other Major Sources of Estimation Uncertainty

The Statement of the Accounts contains estimated figures that are based on assumptions made by the Fund about the future or that are otherwise uncertain. Estimates are made considering historical experience, current trends, and other factors. However, because balances cannot be determined with certainty, actual results could be materially different from the assumptions and estimates.

| Item                                    | Uncertainties                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Effect if actual results differ from assumptions                                                                                                                                                                                                                                                                                                                                                                                                        |

|                                 | confidence in the valuation provided.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                       |
| Freehold and leasehold property | <p>The Fund uses independent external valuers (Knight Frank LLP) to value freehold and leasehold properties. Valuations are based on market yields, calculated by Knight Frank, which are informed by a combination of expertise and market awareness on behalf of the valuer. The valuations are therefore subject to estimation uncertainty due to the judgements involved. Consequently, reliance is placed on the surveyor's report provided by Knight Frank and the Fund due diligence to maintain confidence in the valuation provided.</p> | <p>The effect of variations in the factors supporting the valuation would be an increase or decrease of 11.50% in the value of directly held property £8.073m, on a fair value basis of £70.200m.</p> |

## Note 6 Contributions

Contributions from both members and employers are accounted for on an accrual's basis in the payroll period. The employers' percentage rate is set by the actuary, whilst the employees' rate is determined by the Local Government Pension Scheme (LGPS) Regulations.

## Note 11 Management Expenses

The Fund discloses its pension fund management expenses in accordance with CIPFA's guidance 'Accounting for Local Government Pension Scheme Management Expenses (2016)'. This includes administrative expenses, investment management expenses and oversight and governance costs.

This note does not cover all expenses that have been incurred by individual funds as these are covered within the movement of funds.

| 2024/25<br>£m |                                | 2025/26<br>£m |
|---------------|--------------------------------|---------------|
| 1.953         | Administrative costs           | 3.687         |
| 6.062         | Investment management expenses | 6.722         |
| 0.441         | Oversight and governance costs | 0.895         |
| <b>8.456</b>  | <b>Total</b>                   | <b>11.304</b> |

All investment management expenses are accounted for on an accrual's basis. Fees of external managers and custodian are agreed in respective mandates governing their appointments.

### Change in Market Value

The change in the market value of investments during the year comprises all increases and decreases in the market value of investments held at any time during the year, including profits and losses realised on sales of investments during the year. Realised profit was £434.006m and unrealised gain was £77.617m. Prior year realised profit was £249.806m and unrealised loss was £159.345m.

### Transaction Costs

Transaction costs are included in the cost of purchases and sale proceeds. Transaction costs include costs charged directly to the scheme such as fees, commissions, stamp duty and other fees. Transaction costs for 2025/26 are zero as there were no purchases in year (2024/25 £1.956m).

### Analysis by Investment Manager

Teesside Pension Fund is one of eleven equal partners in the Border to Coast Pension Partnership Ltd (BCPP) which has been formed as a result of the Local Government Pension Scheme (Management and Investment of Funds) Regulations 2016. These regulations require all Local Government Pension Scheme Funds (LGPS) in England and Wales to combine their assets into a small number of investment pools.

It is anticipated that all assets belonging to the Fund will be transferred to BCPP as and when BCPP launch investment funds which match our investment strategy and satisfy due diligence. BCPP will be responsible for investment management and oversight, in line with the Fund's Investment Strategy and asset allocation requirements.

In line with the Fund's strategic asset allocation, as at 31 March 2026 the Fund had pooled Overseas Equities, UK Equities, Emerging Markets Equities and UK Real Estate as well as continued

investment into Private Markets and Infrastructure through BCPP. At 31 March 2026 74.24% (62.96% 31 March 25) of the Fund's assets are now invested through BCPP pooled investment vehicles.

The funds contractual commitments at 31 March 2026 are £1,789.997m (31 March 2025 1,681.976m). Undrawn commitments relate to outstanding call payments due on unquoted limited partnership funds held in private equity, infrastructure and other debt parts of the portfolio. The amounts 'called' by these funds are irregular in both size and timing over the life span of their intended investment period.

| <b>4,465.005</b>    | <b>Total</b>                                     | <b>5,084.561</b>    |

### UK Properties

| 31 March 2025<br>£m |              | 31 March 2026<br>£m |
|---------------------|--------------|---------------------|
| 388.325             | Freehold     | 54.000              |
| 108.400             | Leasehold    | 16.200              |
| <b>496.725</b>      | <b>Total</b> | <b>70.200</b>       |

The properties were valued at Fair Value as of 31 March 2026 by Knight Frank LLP, acting as an External Valuer. The valuer's opinion on the Fair Value of the Fund's interests in the properties has been reported in accordance with VPS3 of the RICS Red Book. According to these provisions, "Fair Value" is defined by the International Accounting Standards Board (IASB) in IFRS 13, as "The price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date."

## Leases

The Fund had one asset under a finance lease at 31 March 2026, the note below provides a reconciliation of the undiscounted lease payments due to be received by the Fund over the 35-year lease period

| <b>31 March<br/>2025</b> |                                    | <b>31 March<br/>2026</b> |

| 23.926                                  | Less than 1 year | 6.729                    |
| 23.657                                  | 1 – 2 years      | 6.655                    |
| 22.594                                  | 2 – 3 years      | 6.379                    |
| 19.941                                  | 3 – 4 years      | 5.924                    |

|                |                    |               |
|----------------|--------------------|---------------|
| 18.498         | 4 – 5 years        | 5.924         |
| 114.656        | Later than 5 years | 67.379        |
| <b>223.271</b> | <b>Total</b>       | <b>98.990</b> |

The future minimum lease payments due to the Fund under non-cancellable operating and finance leases are stated in the above table. Only direct properties have been included.

Operating Leases at 31 March 2025 has been restated to include all direct properties.

## Note 14 Financial Instruments

### Net Gains and Losses on Financial Instruments

| 31 March 2025   |                                                        | 31 March 2026    |
|-----------------|--------------------------------------------------------|------------------|
| £m              | Financial Assets                                       | £m               |
| <b>(90.461)</b> | Fair Value through profit and loss account (gain)/loss | <b>(511.623)</b> |

### Classification of Financial Instruments

Accounting policies describe how different asset classes of financial instruments are measured and how income and expenditure, including fair value gains and losses, are recognised.

The following table analyses the carrying amounts of financial assets and liabilities by category

| Fair value through profit and loss | Assets at amortised cost | Liabilities at amortised cost |                                   | Fair value through profit and loss | Assets at amortised cost | Liabilities at amortised cost |
|------------------------------------|--------------------------|-------------------------------|-----------------------------------|------------------------------------|--------------------------|-------------------------------|
| 31 March 2025                      |                          |                               |                                   | 31 March 2026                      |                          |                               |
| £m                                 |                          |                               |                                   | £m                                 |                          |                               |

### Valuation of Financial Instruments Carried at Fair Value

The valuation of financial instruments has been classified into three levels, according to the quality and reliability of information used to determine fair values.

#### Level 1

Financial instruments at Level 1 are those where fair values are derived from unadjusted quoted prices in active markets for identical assets or liabilities. Products classified as level 1 comprise quoted equities, quoted fixed securities, quoted index linked securities and unit trusts.

#### Level 2

Financial instruments at Level 2 are those where quoted market prices are not available or where valuation techniques are used to determine fair value based on observable data.

#### Level 3

Financial instruments at Level 3 are those where at least one input that could have a significant effect on the instrument's valuation is not based on observable market data. Such instruments would include unquoted equity investments and hedge funds, which are valued using various valuation techniques that require significant judgement in determining appropriate assumptions.

The values of the investment in private equity are based on valuations provided by the general partners to the private equity funds in which Teesside Pension Fund has invested. These valuations are prepared in accordance with the International Private Equity and Venture Capital Valuation Guidelines, which follow the valuation principles of IFRS and US GAAP. Valuations are usually undertaken as at 31 March annually. Cash flow adjustments can be used where valuations at 31 March could not be obtained.

Teesside Pension Fund has no investment in hedge funds.

The following table provides an analysis of the financial assets and liabilities of the pension fund grouped into Levels 1 to 3, based on the level at which the fair value is observable.

### Valuation of Financial Instruments

| Value as at 31 March 2026                                      | Level 1<br>£m | Level 2<br>£m    | Level 3<br>£m    | Total<br>£m      |

### Nature and Extent of Exposure to Risk Arising from Financial Instruments

## Risk and Risk Management

The Fund's primary long-term risk is that its assets may fall short of its liabilities which includes promised benefits payable to members. Consequently, the aim of investment risk management is to minimise the risk of an overall reduction in the Fund's value while maximising the opportunity for gains across the entire portfolio. The Fund achieves this through asset diversification, which reduces exposure to market risk (price risk, currency risk and interest rate risk) and credit risk to an acceptable level. Additionally, the Fund manages its liquidity risk to ensure sufficient liquidity to meet forecasted cash flows.

### Market Risk

Market risk refers to the potential for loss due to fluctuations in equity and commodity prices, interest rates foreign exchange rates and credit spreads. The Fund is exposed to market risk through its investment activities, particularly its equity holdings. The level of risk exposure is influenced by market conditions, expectations of future price and yield movements, and the asset mix.

The Fund identifies, manages, and controls market risk exposure within acceptable parameters while optimising the return on risk.

Excessive volatility in market risk is generally managed through portfolio diversification across geographical regions, industry sectors, and individual securities. To mitigate market risk, the Fund and its investment advisors conduct appropriate monitoring of market conditions and benchmark analysis.

### Other Price Risk

Other price risk refers to the risk that the value of a financial instrument will fluctuate because of changes in the market prices, excluding those arising from interest rate risk or foreign exchange risk. These fluctuations can be caused by factors specific to the individual instrument or its issuer, or by broader market factors affecting all such instruments.

The Fund is exposed to share price risk, which arises from investments held by the Fund with uncertain future prices. All securities investments carry a risk of capital loss, with the maximum risk determined by the fair value of the financial instrument.

The Fund's investment managers mitigate this price risk through diversification. The selection of securities and other financial instruments is monitored by the Council to ensure compliance with the limits specified in the Fund Strategy Statement and the Investment Strategy Statement.

### Other Price Risk – Sensitivity Analysis

Following analysis of historical data and expected investment return movement during the financial year and in consultation with Hymans Roberston, the Fund has determined that the following movements in market price risk are reasonably possible for the 2025/26 reporting period.

| 2025/26 Price Risk | Value as at 31 March 2026 | % Change | Value on Increase | Value on Decrease |
|--------------------|---------------------------|----------|-------------------|-------------------|
|--------------------|---------------------------|----------|-------------------|-------------------|

## Interest Rate Risk

Interest rate risk is the risk to which the Fund is exposed to changes in interest rates and relates to its holdings in cash. The Fund's direct exposure to interest rate movements as at 31 March 2025 and 31 March 2026 is set out below:

| 2024/25<br>£m  | Asset Type at 31 March    | 2025/26<br>£m  |
|----------------|---------------------------|----------------|
| 456.190        | Cash and cash equivalents | 455.789        |
| 4.889          | Other Investment balances | 3.308          |
| <b>461.079</b> | <b>Total</b>              | <b>459.097</b> |

## Sensitivity Analysis

The Fund recognises that fluctuations in interest rates can impact both its income and the value of the net assets available to pay benefits. The following analysis assumes that all other variables, particularly exchange rates, remain constant. It illustrates the effect of a +/- 75 basis points (BPS) change in interest rates on the net assets available to pay benefits in the year.

| <b>Asset Type</b>                      |                | <b>+ 75 BPS</b> | <b>- 75 BPS</b> |
|----------------------------------------|----------------|-----------------|-----------------|
| <b>Carrying value at 31 March 2026</b> | <b>£m</b>      | <b>£m</b>       | <b>£m</b>       |
| Cash and cash equivalents              | 455.789        | 3.418           | (3.418)         |
| Other Investment balances              | 3.308          | 0.025           | (0.025)         |
| <b>Total</b>                           | <b>459.097</b> | <b>3.443</b>    | <b>(3.443)</b>  |

| <b>Asset Type</b>                      |                | <b>+ 75 BPS</b> | <b>- 75 BPS</b> |
|----------------------------------------|----------------|-----------------|-----------------|

| Other Investment balances              | 4.889          | 0.037           | (0.037)         |
| <b>Total</b>                           | <b>461.079</b> | <b>3.458</b>    | <b>(3.458)</b>  |

## Currency Risk

Currency risk represents the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Fund is exposed to currency risk on financial instruments that are denominated in any currency other than the functional currency of the Fund (£UK). The Fund's currency rate risk is considered by the Fund's Investment Advisors and Investment Managers. The Pension Fund Committee is informed quarterly of the Fund's currency exposure.

## Currency risk – Sensitivity Analysis

Based on an analysis of 3 years of historical data conducted in consultation with Hymans Robertson, the Fund has assessed the likely volatility associated with foreign exchange rate movements to be 9%. A percentage strengthening or weakening of the pound against the various currencies in which the Fund holds investments would correspondingly decrease or increase the net assets available to pay benefits as illustrated below.

| <b>Asset Type</b>                      | <b>Value as at 31<sup>st</sup> March 26</b> | <b>Value on Increase 8.7%</b> | <b>Value on Decrease 8.7%</b> |

### Credit Risk

Credit risk represents the risk that the counterparty to a transaction or a financial instrument will fail to discharge an obligation and cause the Fund to incur a financial loss. The Fund is exposed to credit risk on its investment portfolio, including its cash deposits, and on the contribution's receivable from the Fund's participating employers.

The market values on investments typically reflect an assessment of credit risk in their pricing, implicitly accounting for the risk of loss in the fair value of the Fund's investments. Credit risk on cash deposits is managed by Middlesbrough Council's in-house Treasury Management Team, in accordance with the Council's Treasury Management Policy. This policy is described in detail in Middlesbrough Council's Annual Report.

Credit risk on receivables from employers is minimised through regular monitoring of monthly payments from employees. As of 31 March 2026, there is no provision for expected credit losses against the amounts due from employers. The LGPS Regulations require that a risk assessment be conducted of any new transferee admission body, and that a bond or guarantee is obtained where necessary.

Deposits are not made with banks and financial institutions unless they are rated independently and meets the administering authorities, credit criteria. The fund has also set limits as to the maximum percentage of the deposits placed with any one class of financial institution. In addition, the fund invests an agreed percentage of its funds in the money markets to provide diversification. Money market funds chosen all had an 'AAA' rating from a leading ratings agency

The Teesside Pension Fund Committee must approve the admission of any new body. Bonds or guarantees have been obtained for the Fund's admission body employers, where possible. The Fund is potentially exposed to credit risk from certain scheduled employers that have neither tax-raising powers nor a guarantee from central government.

The fund believes it has managed its exposure to credit risk and has had no experience of default or uncollectable deposits, with no balances written off during the period. The funds cash holding under its Treasury Management arrangements at 31 March 2026 was £455.790m (31 March 2025 £456.190m). This was held with the following institutions:

| <b>Summary</b>                    | <b>Rating</b> | <b>31March<br/>2025<br/>£m</b> | <b>31March<br/>2026<br/>£m</b> |

### Liquidity Risk

Liquidity risk is the risk that the Fund will be unable to meet its financial obligations as they fall due. To manage this risk, the Fund holds in-house cash resources to meet the day-to-day needs and to pay pensions. If there is insufficient cash available to meet immediate needs, there are sufficient other assets available which can be liquidated at short notice and at minimal cost.

Apart from investments in private equity, infrastructure partnerships and other alternatives, there are no commitments to contribute further capital to existing fund investments. When capital calls for private equity, infrastructure partnership and other alternatives are received, payments are made from cash or, if necessary, by liquidating other assets.

| 31 March 2025    | Liquidity Terms                            | 31 March 2026    |
|------------------|--------------------------------------------|------------------|
| £m               |                                            | £m               |

| <b>5,563.417</b> | <b>Total</b>                               | <b>6,141.626</b> |

Management prepares cash flow forecasts to understand and manage the timing of cash flow to ensure there is an appropriate level of cash available on a daily basis. The appropriate strategic level of cash to be held is a central consideration when preparing the fund's investment strategy.

With fewer employee members and more pensioners and deferred members the funds liabilities are increasing year on year. However, when income from investments is taken into account the fund is expected to continue to be cash flow positive for the foreseeable future and it will not be a forced seller of investments to meet its pension obligations.

## Note 15 Actuarial Valuations

Contributions are paid to the Fund by the employers to provide for the benefits which will become payable to Scheme members when they fall due. The funding objectives are to meet the cost of Scheme members' benefits whilst they are working and to build up assets to provide adequate security for the benefits as they accrue.

To assess that the funding objectives are being met the Fund is required to carry out an Actuarial Valuation

every 3 years, The Triennial Valuation. Typically, each final triennial valuation report is published around a year after the effective date. An Actuarial Valuation was carried out as at 31 March 2025 using the 'Projected Unit Method' which produced the following results.

|                 | 2022 Valuation | 2025 Valuation |
|-----------------|----------------|----------------|
|                 | £m             | £m             |
| Net Liabilities | 4.351          | 3.983          |
| Assets          | 5.036          | 5.609          |

|                |             |              |
|----------------|-------------|--------------|
| <b>Surplus</b> | <b>684</b>  | <b>1.626</b> |
| Funding Level  | <b>116%</b> | <b>141%</b>  |

The actuarial assumptions used to calculate the promised value of benefits at 31 March 2025 were:

### Funding Assumptions

|                               | 2022 Valuation | 2025 Valuation |
|-------------------------------|----------------|----------------|
| Pension Increase Rate (CPI %) | 2.70%          | 2.30%          |
| Salary Increase Rate (%)      | 3.70%          | 3.30%          |
| Discount Rate (%)             | 4.25%          | 5.60%          |

### The assumed life expectancy from age 65 (years) assumptions

| Mortality Assumptions (Years)           | 2022 Valuation | 2025 Valuation |
|-----------------------------------------|----------------|----------------|
| Longevity at 65 for current pensioners: |                |                |
| • Men                                   | 20.9           | 20.9           |
| • Women                                 | 23.9           | 23.9           |
| Longevity at 65 for future pensioners:  |                |                |
| • Men                                   | 21.9           | 21.7           |
| • Women                                 | 25.5           | 25.2           |

The next triennial valuation is due as at 31 March 2028 and any change in employers' contribution rates because of that valuation will take effect from 1 April 2029.

## Note 16 Actuarial present value of promised retirement benefits

The actuarial present value of promised retirement benefits at 31 March 2026 was £4.257bn (31 March 2025 £3.983bn). The promised retirement benefits at 31 March 2026 have been projected using a roll forward approximation from the latest formal funding valuation as at 31 March 2025 but taking account of changes in membership numbers and updating assumptions to the current year. This valuation is not carried out on the same basis as that used for setting fund contribution rates and uses different assumptions to those used for a triennial funding valuation. The net assets of the Scheme available to pay benefits at 31 March 2026 was £6.183bn (31 March 2025 £5.577bn). The fund accounts do not take account of liabilities to pay pensions and other benefits in the future.

## Note 19 Additional Voluntary Contributions (AVC's)

Scheme members may make Additional Voluntary Contributions that are invested with the Fund's nominated AVC providers, the Prudential Assurance Co Ltd. These contributions are not part of the Pension Fund and are not reflected in the Fund's accounts in accordance with regulation 4(1) (b) of the Local Government Pension Scheme (Management and Investment of Funds) Regulations 2016.

The value of AVC investments are as follows:

### Prudential AVC balances

| 2024/25<br>£m | Prudential AVC balances           | 2025/26<br>£m |
|---------------|-----------------------------------|---------------|
| 7.041         | With Profits and Deposit Accounts | 8.822         |
| 6.443         | Unit Linked Accounts              | 7.849         |
| <b>13.484</b> | <b>Total</b>                      | <b>16.671</b> |

The total value of AVC contributions paid to Prudential during the year, was £5.022m (2024/25 was £3.967m restated).

## Note 20 Related Party Transactions

In accordance with International Accounting Standard (IAS) 24 and International Public Sector Accounting Standard (IPSAS) 20 'Related Party Disclosures', material transactions with related parties not disclosed are detailed below:

The officer responsible for the proper administration of the financial affairs of the Teesside Pension Fund (the Section 151 officer) is also the Section 151 officer of Middlesbrough Council.

The Teesside Pension Fund is administered by Middlesbrough Council. During the financial year, the Council incurred costs of £2.497m (2024/25 £1.716m) comprising of pensions administration costs of £1.844m (2024/25 £0.946m) and investment management costs of £0.653m (2024/25 £0.770m). The Council was subsequently reimbursed by the Fund for these expenses. Middlesbrough Council is one of the largest members of the pension fund and, during the financial year, made employer contribution payments of £12.770m (2024/25 - £10.926m). As at 31 March 2026, the Council was a net debtor to the Fund of £1.169m (2024/25 £1.336m).

No senior officers responsible for the administration of the Fund have entered into any contract, other than their contract of employment with the Council, for the supply of goods or service to the Fund.

The key management personnel of the Pension Fund are the Head of Pensions Governance and Investments and the Corporate Director of Finance, who is also the S151 officer. Please refer to Note 22 for costs.

Councillor David Coupe is the Partner Fund nominated non-executive director on Border to Coast Pensions Partnership's Board of Directors.

## Note 21 External Audit Costs

The external fees payable to the Fund's external auditors Forvis Mazars and Ernst Young.

## Note 23 Events after the Balance Sheet Date

There are no specific events after the reporting period (31 March 2026) for the Teesside Pension Fund account.

## The Compliance Statement

### The Compliance Statement Local Government Pension Scheme Regulations

Middlesbrough Council administers the Teesside Pension Fund in accordance with:

*The Local Government Pension Scheme Regulations 2013 (as amended)*

*The Local Government Pension Scheme (Transitional Provisions, Savings and Amendment) Regulations 2014 (as amended) and*

*The Local Government Pension Scheme (Management and Investment of Funds) Regulations 2016*

Full details of the Governance Policy and Compliance Statement can be seen at

[2026 Teesside Pension Fund Governance Policy and Compliance Statement.pdf](#)

### Investment Strategy Statement

The Local Government Pension Scheme (Management and Investment of Funds) Regulations 2016 require that Local Government Pension Scheme's administering authorities prepare, publish, and maintain an Investment Strategy Statement (ISS). The current version of the Teesside Pension Fund ISS was approved by the Pension Fund Committee in March 2021 and contains statements on:

- Investment responsibilities, setting out the key responsibilities of the Teesside Pension Fund Committee, key officers of the Fund, the Fund's Custodian, and the Independent Investment Advisors.
- The investment strategy and the type of investments held, e.g., equities, bonds, property etc.
- The maximum and minimum amount allowed in each asset class and any discretion by the administering authority to increase the limits on various types of investment.
- Risk, including the ways in which risks are to be measured and managed.
- The existing investment management arrangements, including details of the Fund's commitment to investment pooling through its jointly owned pooling company Border to Coast.
- The Fund's position as a responsible investor and its promotion of ethical, social, and corporate governance best practice.
- The exercise of the rights (including voting rights) attaching to investments, and the Fund's statement of commitment to the Stewardship Code.
- The Fund's commitment to measure and report investment performance.
- The level of compliance with the Myners Principles.

The statement is maintained and published by Middlesbrough Council, copies of which are available on application, or it can be seen at the Fund's website:

[Teesside Pension Fund Investment Strategy Statement 2024](#)

## The Funding Strategy Statement

The Local Government Pension Scheme Regulations 2013, require each Administering Authority, to produce a Funding Strategy Statement, setting out a long-term view on funding liabilities. The main areas covered by the statement are:

- The purpose of the statement:
  - Establishes a clear and transparent strategy which identifies how employers' pension liabilities are best met going forward;
  - Supports the regulatory framework to maintain as nearly constant employer contribution rates as possible; and
  - Take a prudent longer-term view of funding liabilities.
- The purpose of the Fund, i.e., receive contributions and make pensioner payments.
- The solvency and target funding levels of the Fund, i.e., 100% of the liabilities of the Fund can be met over the long term.
- The identification of key risks to the Fund, and the control mechanisms in place to mitigate these risks.
- Links to the Fund's investment strategy.
- The key responsibilities of the administering authority, scheme employers and the Fund's Actuary are also set out.

The latest Funding Strategy Statement was approved by the Pensions Fund Committee and was effective from March 2020, and can be seen at

### [Funding Strategy Statement 2026](#)

## Governance Policy

Under the Local Government Pension Scheme Regulations 2013 Middlesbrough Council, the Administering Authority to the Teesside Pension Fund, is required to draw up a Governance Policy which sets out the procedures for the governance of the Fund. In summary, the policy sets out that the administering authority delegates its functions under the above Regulations to the XPS group (previously Kier Business Services Ltd) as administrator and the Pension Fund Committee to act in a similar manner to a Board of Trustees

The Policy also sets out the:

- Terms of reference of the Pension Fund Committee
- Structure of meetings
- Membership
- Principles of governance.

The latest policy document can be viewed at:

### [2026 Teesside Pension Fund Governance Policy and Compliance Statement.pdf](#)

## Communications Policy

Under the Local Government Pension Scheme Regulations 2013 Middlesbrough Council, the Administering Authority to the Teesside Pension Fund, is required to draw up a statement(s) of policy concerning communications with members and Scheme employers.

The Teesside Pension Fund actively communicates with all of its stakeholders, including the members, the employers, and other external organisations. For example, we have been providing

every active member of the scheme with a statement of accrued benefits since 2001, well before it became compulsory to do so.

We also provide newsletters twice a year to all of our active and pensioner members; this allows us to inform participants of any scheme changes which may be made.

A Communications Policy Statement has been drawn up in order to ensure that the Fund offers clear communication to stakeholders of the Local Government Pension Scheme. The latest policy statement can be seen at:

[Communication Policy 2026.pdf](#)

## Statement of the Actuary for the year ended 31 March 2026

This statement has been prepared in accordance with Regulation 57(1)(d) of the Local Government Pension Scheme Regulations 2018. It has been prepared at the request of the Administering Authority of the Fund for the purpose of complying with the aforementioned regulation.

### Description of Funding Policy

The funding policy is set out in the Administering Authority's Funding Strategy Statement (FSS), dated April 2026.

#### In summary, the key funding principles are as follows:

- to ensure the long-term solvency of the overall Fund
- to ensure the solvency of each individual employers' share of the Fund based on their expected term of participation in the Fund
- to maximise the returns from investments within reasonable and considered risk parameters, and hence minimise the cost to the employer
- to minimise the degree of short-term change in employer contribution rates
- to ensure that sufficient cash is available to meet all liabilities as they fall due for payment
- to help employers manage their pension liabilities
- where practical and cost effective, to make allowance for the different characteristics of different employers and groups of employers

The FSS sets out how the Administering Authority seeks to balance the conflicting aims of securing the solvency of the Fund and keeping employer contributions stable. For employers whose covenant was considered by the Administering Authority to be sufficiently strong, contributions have been stabilised to have a sufficiently high likelihood of achieving the funding target over 20 years. Asset-liability modelling has been carried out which demonstrate that if these contribution rates are paid and future contribution changes are constrained as set out in the FSS, there is at least a 80% likelihood that the Fund will achieve the funding target over 20 years.

### Funding Position as at the last formal funding valuation

The most recent actuarial valuation carried out under Regulation 62 of the Local Government Pension Scheme Regulations 2013 was as at 31 March 2025. This valuation revealed that the Fund's assets, which at 31 March 2025 were valued at £5,609 million, were sufficient to meet 141% of the liabilities (i.e. the present value of promised retirement benefits) accrued up to that date. The resulting surplus at the 2025 valuation was £1,626 million.

Each employer had contribution requirements set at the valuation, with the aim of achieving their funding target within a time horizon and likelihood measure as per the FSS. Individual employers' contributions for the period 1 April 2026 to 31 March 2029 were set in accordance with the Fund's funding policy as set out in its FSS.

### Principal Actuarial Assumptions and Method used to value the liabilities

Full details of the methods and assumptions used are described in the 2025 valuation report.

#### Method

The liabilities were assessed using an accrued benefits method which takes into account pensionable membership up to the valuation date; and makes an allowance for expected future salary growth to retirement or expected earlier date of leaving pensionable membership.

#### Assumptions

A market-related approach was taken to valuing the liabilities, for consistency with the valuation of the Fund assets at their market value.

**The key financial assumptions adopted for the 2025 valuation were as follows:**

**The key financial assumptions adopted for the 2025 valuation were as follows: Financial assumptions**

**31 March 2025**

|                                          |      |
|------------------------------------------|------|
| <b>Discount rate</b>                     | 5.6% |
| <b>Salary increase assumption</b>        | 3.3% |
| <b>Benefit increase assumption (CPI)</b> | 2.3% |

The key demographic assumption was the allowance made for longevity. The life expectancy assumptions are based on the Fund's VitaCurves with improvements in line with the CMI 2024 model, with core parameterisation, except, initial addition of 0.25% and a long term rate of 1.50% p.a. Based on these assumptions, the average future life expectancies at age 65 are as follows:

|                           | <b>Males</b> | <b>Females</b> |
|---------------------------|--------------|----------------|
| <b>Current Pensioners</b> | 20.9 years   | 23.9 years     |
| <b>Future Pensioners*</b> | 21.7 years   | 25.2 years     |

*\*Aged 45 at the 2025 Valuation.*

Copies of the 2025 valuation report and Funding Strategy Statement are available on request from the Administering Authority to the Fund and on the Fund's website.

**Experience over the period since 31 March 2025**

The increase in US tariffs on imports since March 2025 and the recent conflict in the Middle East have caused significant market volatility which feeds through to the investment returns achieved by the Fund's assets. The Fund's overall investment returns since March 2025 have been positive.

Observed inflation has been higher than anticipated over 2026, resulting in LGPS benefit increases of 3.8% in April 2026 and an increase in the value placed on the Fund's liabilities.

Overall, we estimate that the funding position is likely to be weaker than at the previous formal valuation at 31 March 2025.

The next actuarial valuation will be carried out as at 31 March 2028 and will be finalised by 31 March 2029. The Funding Strategy Statement will also be reviewed during the valuation, and a revised version will come into effect from 1 April 2029.

## Pension increases

Public service pensions are increased under the provisions of the Pensions (Increase) Act 1971 and Section 59 of the Social Security Pensions Act 1975. With effect from April 2011 increases are based on the Consumer Price Index for September each year and are paid the following year from the first Monday in the new financial year.

Pensions awarded after the date of the last increase receive an apportioned increase related to the date the pension began. Those Pensions payable under age 55 on ill health grounds may have increases applied subject to meeting certain additional criteria. Other pensions are subject to the increase (including backdating) from the member's 55th birthday.

The following table shows the rate of pension increases that have applied during the last 10 years.

| <b>From April</b> | <b>Increase %</b> |
|-------------------|-------------------|
| 2016              | 0.0%              |
| 2017              | 1.0%              |
| 2018              | 3.0%              |
| 2019              | 2.4%              |
| 2020              | 1.7%              |
| 2021              | 0.5%              |
| 2022              | 3.1%              |
| 2023              | 10.1%             |
| 2024              | 6.7%              |
| 2025              | 1.7%              |

## Section 5 - Investments and Funding

### 5.1 Asset Allocation Strategy – Investment Strategy Statement

The Investment Strategy Statement sets out how the Fund plans to invest its assets. This strategy is set for the long term and is reviewed every 3 years as part of the Fund's Asset/Liability study to ensure that it remains appropriate to the Fund's liability profile. The Investment Strategy Statement and the Funding Strategy Statement are both fully compliant with the regulations and appropriate statutory guidance. As part of the strategy the Administering Authority has adopted a strategic benchmark representing the mix of assets best able to meet the long-term liabilities of the Fund. As of 31 March 2026, the actual assets compared to the benchmark as follows.

|                                 | Pension Fund at 31/03/2026 | Pension Fund Target Strategic Allocation | Investment Strategy Statement Max | Investment Strategy Statement Min |
|---------------------------------|----------------------------|------------------------------------------|-----------------------------------|-----------------------------------|

**The Fund asset mix % varies slightly from the statutory accounts due to internal classification differences.**

The value of the Teesside Fund at 31 March 2026 was £6.18 billion, an increase of approximately £60 million on the year. The Fund is invested in a wide range of assets. This meets the requirement to have diversification of investments in a fund, so that too great a concentration of investments in one asset class does not expose the Fund to risk of underperformance should that particular asset class perform badly. The 10 largest holdings (excluding direct property and cash), which make up 65.16% of the value of the portfolio as at 31 March 2026 are:

| Security Description                                   | % of Total Investments | Market value £'000 |
|--------------------------------------------------------|------------------------|--------------------|

## PERFORMANCE

Fund performance is measured by Hymans Robertson, a leading actuarial consultancy and provider of performance measuring services to the public and private sector. The return the Fund achieves is one of the factors which the Fund Actuary takes into account when fixing the employer's contribution rate. Any increase in the contribution rate would mean less money to pay for other services. The benefits of scheme members of the Local Government Pension Scheme are related to their salary and length of service, not the value of the Fund.

As Pension Fund investment is a long-term business, it is appropriate that longer-term measures of performance are viewed as more important than short-term measures. It has become standard practice to report the performance of the Fund over 1, 3, 5 and 10 years and to compare performance with the Fund's benchmark – the return that would be expected based on the mix of assets the Fund is invested in.

In the year 2025/2026 the Fund achieved a return of 12.6% compared to our benchmark return of 13.6%.

In the three-year period to 2025/2026 the Fund achieved a return of 8.6% per annum compared to our benchmark return of 8.8%.

In the five-year period to 2025/2026 the Fund achieved a return of 7.9% per annum compared to our benchmark return of 6.5%.

In the ten-year period to 2025/2026 the Fund achieved a return of 8.9% per annum compared to our benchmark of 7.6%.

Further detail of the performance of each asset class held by the fund over 2025/2026 is shown below:

| Asset class       | Performance measurement period |                  |        |             |                  |        |
|-------------------|--------------------------------|------------------|--------|-------------|------------------|--------|
|                   | Three months                   |                  |        | One Year    |                  |        |

Ordinarily, the key to good performance is to get the big asset allocation decisions right. The weightings between equities and bonds in particular will go a long way to determining the fund performance. The Teesside Fund continues to be under-represented in bonds when compared to our customised benchmark and other Funds. Central Bank policies and their programmes of quantitative easing have helped bonds performance over past years, continuing a “bull-run” in bond prices lasting over two decades. The significant rises in interest rates and bond yields over the recent period have impacted bond prices and made them relatively more affordable. The Fund will continue to work with its advisors to assess the situation and determine whether or when to return to investing in bonds.

The Teesside Fund continues to invest for long term returns in order to remain fully funded and continue to meet its future liabilities. The Fund continues to promote the view that the

best way for the Fund to achieve the level of returns required to meet the liabilities of the Fund is to invest in growth assets over protection assets.

The Fund's position regarding risk monitoring and risk control is set out in the Investment Strategy Statement, which can be viewed on-line at <https://www.twpf.info/article/26895/Teesside-Pension-Fund-Investment-Strategy-Statement>

This is principally concerned with the three forms of risk:

- that associated with security of the Fund's assets,
- that associated with loss of value relating to those assets, and
- that associated with the ability of those assets to provide the required rates of return.

As some of the Fund is managed on an in-house basis, appropriate measures are in place to manage investment risk and the Director of Finance determines the limits on delegation to individual managers.

## **INVESTMENT POOLING**

In the July 2015 Budget the Chancellor announced the Government's intention to work with the LGPS administering authorities to ensure that investments were pooled while maintaining overall investment performance. The criteria for developing proposals were set in November 2015:

- Asset pools achieve the benefits of scale (£25 billion as a minimum).
- Strong governance and decision making.
- Reduced cost and excellent value for money, with savings made across the LGPS.
- Improved capacity to invest in infrastructure.

The Teesside Pension Fund made the decision to work with twelve other administering authorities as part of the Border to Coast Pensions Partnership ("Border to Coast"). All of the administering authorities in Border to Coast formally approved arrangements for setting up Border to Coast before the end of the 2016/17 financial year. It represents a major collaboration between the funds with the aim of giving access to new investments and providing resilience. The twelve LGPS funds that initially formed Border to Coast were: Bedfordshire, Cumbria, Durham, East Riding, Lincolnshire, North Yorkshire, Northumberland, South Yorkshire, Surrey, Teesside, Tyne & Wear and Warwickshire. The Northumberland fund is no longer a separate entity following its (long-planned) merger with the Tyne & Wear fund which took effect from April 2020.

During 2017/18 Border to Coast Pension Partnership Limited was established and registered as a company limited by shares, with each of the twelve administering authorities as equal shareholders. Border to Coast formed a new Board, recruited several key management and operational staff, acquired office space in Leeds and developed many of the other arrangements required to operate as an investment management company.

During 2018/19 the transfer of investment assets to Border to Coast began – all the Fund's UK equities were transferred to Border to Coast to manage and further investments during the year were made to Border to Coast's overseas equity fund.

During 2019/20 work was completed to allow Border to Coast to provide access to private markets investments (such as private equity and infrastructure) and the Fund has begun

making investments through Border to Coast in these areas and has made significant commitments to make similar investments in coming years. Over time it is expected that investing in private markets via Border to Coast will, through the advantages of economies of scale, be possible at a significant saving to the costs the Fund incurs investing in these areas as an individual entity.

During 2020/21 the Fund started the process of moving most of its overseas equity holdings to be managed by Border to Coast. This process continued during 2021/22 and by the end of that year three quarters of the Fund's overseas equities were actively managed by Border to Coast, with the remainder under passive management with State Street Global Advisers. Within this overseas equity allocation, the Fund chose to invest in Border to Coast's Emerging Markets Equities fund, which is set up as a 'hybrid' arrangement, with the Chinese equity market managed by two external specialist investment managers, and the other emerging market regions managed internally by the team at Border to Coast.

During 2022/23 the Fund committed further investment in Border to Coast's private market funds – private equity and infrastructure and made an initial investment in the newly launched climate opportunities fund – expected to invest in private markets in a low carbon way.

During 2023/24 the Fund paused further commitments to Border to Coast's private market funds as invested amounts were quickly reaching or exceeded those set out in the Investment Strategy Statement.

During 2024/25 the Fund committed further investments in Border to Coast's private market funds – private equity and infrastructure. The Fund took the decision to disinvest from its passive equities held with State Street Global Advisers, redemption proceeds were used to make additional investment in the Border to Coast Overseas Equity Fund. In 2024 the Government issued its "Fit for the Future" consultation, both the Fund and Border to Coast are responded to questions on further LGPS consolidation.

During 2025/26 The government issued their response to the Fit for the Future consultation. As a result, Border to Coast saw an expansion from 11 to 18 shareholder partner funds. Teesside Pension Fund transferred much of our direct holdings in Real Estate to Border to Coast. The pension administration service transferred to Tyne and Wear Pension Fund from 1 June 2025.

Although savings are expected over the medium to long term, there are costs associated with setting up and running Border to Coast and transferring assets to be managed by the new company. More detail on costs and savings related to Border to Coast is shown on the following page.

Before pooling the Fund was principally internally managed, meaning the Fund's investment team directly traded assets such as equities and bonds instead of appointing external investment managers to do this. Consequently, the Fund had very low costs for investing in public markets, costs which would inevitably increase if the investment was carried out by an external manager, even one as low-cost as Border to Coast. However, pooling brought other potential advantages to the Fund, such as greater operational resilience and an opportunity to benefit from greater resource in areas such as Responsible Investment. From a financial cost / benefit perspective, pooling also offered the opportunity to deliver reduced fees as external fund managers repositioned their pricing for a world where the LGPS would operate more collectively. Border to Coast has also been able to negotiate better pricing

from private markets investment managers, and as the Fund changes its asset mix to included more of these types of investments the cost / benefit balance will become more favourable. Information collated by Border to Coast suggest that 2023/24 was the second year that the Fund is showing a small net financial gain in respect of asset pooling and that with another four or five years the Fund will have made a net cumulative financial gain from pooling, purely considering investment costs.

### Pooling Savings / Costs

Border to Coast has worked with the Partner Funds to gather data, agree assumptions, and build a savings model and process that will enable consistent reporting against this key metric going forward. This supports one of the original objectives of pooling i.e., to reduce costs and deliver value for money. Savings from future launches are not included and the level of savings should grow over the long term as further funds are developed or as additional investments are made to existing Border to Coast propositions. The table below shows the position to 2025/26:

|                                                                                                    | <b>Total to<br/>2019/20<br/>£m</b> | <b>2020/21<br/>£m</b> | <b>2021/22<br/>£m</b> | <b>2022/23<br/>£m</b> | <b>2023/24<br/>£m</b> | <b>2024/25<br/>£m</b> | <b>2025/26<br/>Forecast<br/>£m</b> |

## Pooling – Asset transfers

A summary of the progress of asset transfers to Border to Coast is set out in the table below:

|                                         | 2019/20      | 2020/21      | 2021/22      | 2022/23      | 2023/24      | 2024/25      | 2025/26      |
|-----------------------------------------|--------------|--------------|--------------|--------------|--------------|--------------|--------------|
| <b>Assets Under Management: £m</b>      |              |              |              |              |              |              |              |
| Border to Coast                         | 1,239        | 2,294        | 2,589        | 2,793        | 3,022        | 3,506        | 4,562        |
| Assets not currently in transition plan | 1,935        | 916          | 1,421        | 599          | 668          | -            | -            |
| Assets in transition plan               | 525          | 1,342        | 1,061        | 1,668        | 1,684        | 2,062        | 1,583        |
| <b>Total</b>                            | <b>3,700</b> | <b>4,552</b> | <b>5,071</b> | <b>5,060</b> | <b>5,374</b> | <b>5,568</b> | <b>6,145</b> |

By the end of 2025/26 Border to Coast had 209 employees and was managing £37.6 billion of assets (including £4.5 billion of the Fund's assets) within 19 different investment propositions (the Fund is invested in 7 of these), and in addition had commitments of £18.1 billion to its alternative 'private markets' assets programme (the Fund's commitments are around £1 billion of this sum).

As part of the governance arrangements for Border to Coast and its partner funds, a Joint Committee comprising of a representative from each Pension Committee has an oversight role over the arrangements of Border to Coast. The Joint Committee includes two (non-voting) scheme member representatives nominated by the eleven Partner Funds' Local Pension Boards. The Joint Committee represents the Funds as investors in Border to Coast. Border to Coast is jointly owned by the administering authorities of the Pension Funds so there is also a shareholder role that the authorities provide - the responsibilities are defined in a shareholder agreement. Pension Fund Officers provide ongoing day-to-day oversight and work closely with Border to Coast to ensure that the company provides the necessary investment vehicles to enable the Funds to implement their investment strategies.

### SHAREHOLDER GOVERNANCE

Since the 1980s the policies of the Fund have promoted the view that it is not sufficient to simply hold shares in companies in which it invests. As a responsible shareholder the Fund has sought to influence those companies on a range of issues through dialogue and by voting at AGMs in order to promote shareholder value.

All Local Authority Pension Funds are required to produce an Investment Strategy Statement (ISS) setting out the Fund's position on a range of issues, including the need to state to what

extent, if any, environmental, social and governance (ESG) considerations are taken into account in the fund's investment policy and the formulation of a policy on the exercise of voting rights attached to share ownership.

The Fund's ISS can be viewed on the Fund's website <https://www.twpf.info/article/26895/Teesside-Pension-Fund-Investment-Strategy-Statement>.

The ISS has been amended to take into account the recommendations of the Myners Report on Institutional Investment.

The Fund's Investment Strategy Statement states that:

*“As a responsible investor, the Teesside Pension Fund wishes to promote corporate social responsibility, good practice and improved company performance amongst all companies in which it invests. The Fund monitors investee companies to ensure they meet standards of best practice in relation to their key stakeholders. The Fund considers that the pursuit of such standards aligns the interests of Fund members and beneficiaries with those of society as a whole. In furtherance of this policy, the Fund will support standards of best practice on disclosure and management of corporate social responsibility issues by companies and will pursue constructive shareholder engagement with companies on these issues, consistent with the Fund’s fiduciary responsibilities.*

*Responsible investment aims to incorporate ESG factors into investment decisions to better manage risks and generate long term returns, as part of the Fund’s fiduciary duty. As a result, ESG factors are incorporated into the investment process and the Fund takes non-financial considerations, including climate change risks and opportunities, into account when making investments, and engages with companies in which we invest to ensure that they are minimising the risks and maximising the opportunities presented by non-financial considerations, including climate change and climate policy. The Fund has not excluded any investments on purely non-financial considerations and will continue to invest in accordance with the Regulations in this regard. However, the overriding consideration for any investment is whether it generates an acceptable risk-adjusted return for the Fund, meeting the Fund’s fiduciary duty.*

*It is considered that the Pensions Committee represents the views of the Fund membership and that the views of the Local Pension Board will be taken into account as part of their review of this document.*

*The Fund has adopted the Institutional Shareholders’ Committee Statement of Principles and members will agree and periodically review its implementation.*

*In accordance with this policy, the Fund will seek where necessary through its own efforts and in alliances with other investors to pursue these goals. To this end the Fund is an active member of the Local Authority Pension Fund Forum.”*

In order to pursue a policy of positive engagement, the Fund is an active member of the Local Authority Pension Fund Forum, (whose website is [www.lapfforum.org](http://www.lapfforum.org)) which has 87 Local Authority funds as members. Seven of the eight LGPS asset pools including Border to Coast are also members of the Forum.

The Forum works by concentrating on a number of key long-term campaigns, covering corporate governance and corporate responsibility issues, as well as being able to mobilise

support for campaigns relating to individual companies. The Forum produces a quarterly Research and Engagement report which highlights latest engagement news.

Much of this engagement work is carried out on the Fund's behalf by Border to Coast. Border to Coast has worked with its partner funds to develop jointly agreed Corporate Governance & Voting Guidelines and a Responsible Investment Policy. These can be found on Border to Coast's website: <https://www.bordertocoast.org.uk/investments/responsible-investment/>

## Asset table

| Asset Class                                            | Asset values as at 31 March 2026: £m |                       |              |              |

## Supplementary asset table

| Asset values as at 31 March 2026: £m |               |                       |               |                 |
|--------------------------------------|---------------|-----------------------|---------------|-----------------|
|                                      | Pooled        | Under pool management | Not pooled    | Total           |
| UK Listed Equities                   | 721.00        |                       | 2.88          | 723.88          |
| UK Government Bonds                  | -             |                       | -             | -               |
| UK Infrastructure                    | 53.61         |                       | 173.96        | 227.57          |
| UK Private Equity                    | 8.77          |                       | 103.75        | 112.52          |
| <b>Totals</b>                        | <b>783.38</b> |                       | <b>280.59</b> | <b>1,063.97</b> |

Note, in addition to the £1,063.97 million of UK investment set out in the table above, at 31 March 2026 the Fund had UK property assets of £567.27 million, meaning in total £1,631.24 million or around 27% of the Fund was invested in the UK.

## Section 6 – Administration

### Activities undertaken by the administration function during the year

During the year the administration function was initially delivered by the Fund's outsourced pensions administration provider, XPS Administration Limited ('XPS').

XPS lost the contract to provide administration services during 2024/2025 with the new administrator, Tyne and Wear Pension Fund, taking over from 1<sup>st</sup> June 2025. XPS have not provided performance metrics for inclusion in this Annual Report.

### Internal Dispute Resolution Procedure

Where a scheme member, prospective scheme member or beneficiary, or employer has a complaint or concern they are unable to resolve after initial contact with their employer / the Fund, they can follow the Fund's dispute resolution procedure. In the first instance they should contact the Fund at the address shown at the end of the Annual Report. The Fund will send a detailed guide explaining the Internal Dispute Resolution Procedure (IDRP) and how the appeal process will be handled. Any appeal must, ordinarily, be made within six months of receipt of the notification of the decision which is being disputed.

The initial review (stage 1) of each case is conducted by a person nominated by the body who made the decision (the 'adjudicator'). Where an appeal concerns the employer's decision, the adjudicator is an individual nominated by that employer, if the appeal is about the calculation of benefits, it will be reviewed by the adjudicator for the Fund.

If, after the initial review, the member is still dissatisfied with the decision, they can apply via the second stage of the process to have decision reconsidered. This

application must be made within six months of the receiving the decision of the initial review. At the second stage, if the appeal concerns an employer decision, it is reviewed by the Fund. If the appeal concerns the administrator, then an independent third-party pension specialist is appointed.

If the member is still not satisfied following the second stage decision, an appeal can be made to the Pensions Ombudsman.

**Details of IDRP cases processed in the year**

|                                     | <b>Stage 1</b> | <b>Stage 2</b> |
|-------------------------------------|----------------|----------------|
| <b>Cases raised in 2025/2026</b>    | TBC            | TBC            |
| <b>Cases completed in 2025/2026</b> | TBC            | TBC            |

Two of the IDRP cases have been referred to the Pensions Ombudsman for independent review.

**Actuarial report on Fund – see page 77-78 above.**

**TEESSIDE PENSION FUND**

Administered by Middlesbrough Council

**PENSION FUND COMMITTEE REPORT****29 JULY 2026****CORPORATE DIRECTOR OF FINANCE – Andrew Humble****ADMISSION OF THE NORTHERN COLLEGE OF ART****Proposed Decision(s)**

That Teesside Pension Fund Committee:

**Approves** the admission of The Northern College of Art into the Teesside Pension Fund.

**Executive summary**

An existing employer in the Fund, The Northern School of Art, is going through the process of attaining the status of a higher education institution. It is proposing creating a charitable subsidiary, The Northern College of Art, to continue to provide Further Education.

The Northern School of Art will remain a scheduled body eligible to be an employer in the Fund.

The Northern College of Art does not have automatic eligibility into the Fund. This report is to approve the admission of the Northern College of Art into the Fund. The Northern College of Art is covered by the DfE guarantee and there is therefore no financial risk to the Fund.

Agreeing to the admission will prevent any issues arising for the existing members of the Fund who will be transferring to The Northern College of Art from the Northern School of Art upon its formation.

**1. Purpose of the report**

- 2.1 This report discusses the admission of The Northern College of Art as an employer into the Teesside Pension Fund.

**2. Recommendation**

- 2.1 That the Teesside Pension Fund Committee approves the admission of The Northern College of Art into the Teesside Pension Fund.

**3. Financial implications**

- 3.1 The Department of Education (DfE) provides a crown guarantee which covers any financial risks arising from The Northern College of Art admission.

**4. Background**

- 4.1 The Northern School of Art is one of the employers in the Teesside Pension Fund with 162 active members as at 31 March 2026. As a further education institution it is in the Funds College group of employers and has a strong strength of covenant being covered by the DfE crown guarantee for FE colleges. The Northern School of Arts has been providing degree level courses since 2024 and with the backing of DfE is going through the process of converting to a university.
- 4.2 As part of the proposed changes the Northern School of Art will create a subsidiary to continue to provide a further education curriculum on its Middlesbrough campus. This new institution will be called The Northern College of Art.
- 4.3 The Northern School of Art is a scheduled body with automatic access as an employer into the Local Government Pension Scheme (LGPS). Despite benefiting from the DfE Further Education LGPS guarantee The Northern College of Arts does not have any automatic right to be an employer in the LGPS. To become an employer in the LGPS the Fund will have to approve the admission.
- 4.2 Under the Middlesbrough Council constitution Pension Committee make decisions relating to employers joining and leaving the Fund, including which employers are entitled to join the Fund, any requirements relating to their entry, ongoing monitoring and the basis for leaving the Fund.

## **5. College Conversion process**

- 5.1 Under the new structure, The Northern School of Art will operate as a dedicated Higher Education Corporation, focusing exclusively on undergraduate and postgraduate degree-level study at its Hartlepool campus. The Middlesbrough campus will become The Northern College of Art, continuing to deliver specialist Further Education courses for 16–19-year-olds and adult learners, alongside outreach provision including Saturday Clubs for younger students.
- 5.2 The change follows a period of significant development for the School, including the achievement of Degree Awarding Powers in 2024, enabling the School to award its own degrees. While the two organisations will operate under distinct identities, they will continue to work closely together, supporting students from the earliest stages of their creative journey through to degree-level study and careers in the creative industries.
- 5.3 The Minister for Skills, The Rt Hon Baroness Jacqui Smith has written to The Northern College of Arts confirming that the application for The Northern College of Art, (NCoA) to be designated under section 28 of the Further and Higher Education Act 1992, and for The Northern School of Art (NSoA) to become a higher education corporation under section 122ZA of the Education Reform Act 1988 has been successful.
- 5.4 The application was for the designation of The Northern College of Art (NCoA) under section 28 (s28) of the Further and Higher Education Act 1992, as a further education institution to be conducted by a subsidiary company requires an Order to be made. The Northern College of Art (Designated Institution in Further Education) Order 2026, Order 2026 No.2, is attached as Appendix 1 and comes into force 1 August 2026.

- 5.5 The application for The Northern School of Art (NSoA) to become a higher education corporation under section 122ZA of the Education Reform Act 1988 required a Statutory Instrument. The Statutory Instrument 2026 No. 740 The Northern School of Art (Becoming a Higher Education Corporation) Order 2026 is attached as Appendix 2 and comes into force on 1<sup>st</sup> August 2026.

## **6. The Admission Process**

- 6.1 Employer admissions into the Fund are governed by the Funding Strategy Statement (FSS). It had been anticipated by all parties that both admissions would be scheduled employers with automatic access to the Fund. It is only recently that it has become apparent that due to a quirk in the drafting of LGPS regulations The Northern School of Art Admission will not be a scheduled body for LGPS admission.
- 6.2 The Northern College of Art admission is not covered by the FSS. The proposal is for an admission under The Local Government Pension Scheme Regulations 2013, Schedule 2 – Scheme employers, Part 3 Paragraph 1(a)
- “a body which provides a public service in the United Kingdom which operates otherwise than for the purposes of gain and has sufficient links with a Scheme employer for the body and the Scheme employer to be regarded as having a community of interest (whether because the operations of the body are dependent on the operations of the Scheme employer or otherwise)”
- 6.2 The Northern College of Art is to be a not-for profit charity delivering publicly funded further education. As a subsidiary of The Northern School of Arts it has sufficient links to an existing employer in the Fund to meet the community of interest definition for admission into the Fund.
- 6.3 The admission agreement must require the admission body to carry out, to the satisfaction of the administering authority, taking account of actuarial advice, of the level of risk arising on premature termination. Therefore, a risk assessment must be carried out.
- 6.4 The Northern College of Art is being established to deliver FE and is progressing through the s.28 designation process, it will fall within the statutory FE sector. On that basis, the DfE LGPS Guarantee **does** cover this admission. The Actuary has agreed that we can take the view that the participation risk is mitigated as the DfE would meet any shortfall.
- 6.5 The Northern School of Art has passed across the member data detailing the split of membership between the two proposed admissions to our pensions administrator, Tyne and Wear Pension Fund (TWPF). TWPF legal team are drawing up the admission agreements to put the proposed changes into effect.
- 6.6 TWPF are working with the Actuary so that the employers can be assessed for their employer contribution rates. The Northern School of Art is likely to see an increase in employer contribution rate reflecting a weakening in its strength of covenant now that it is no longer covered by the crown guarantee for FE colleges. The Northern College of Art will be placed on the college pool contribution rate.
- 6.7 The active LGPS members of The Northern School of Art who are transferring to the Northern College of Art would lose their access to the LGPS should the admission of The Northern College of Art into the Fund not proceed.

**7. Next Steps**

- 7.1 The regulations putting the new arrangements for The Northern School of Art and The Northern College of Art come into effect 1 August 2026.
- 7.2 TWPF will arrange for the admission agreements to be put in place as soon as is practicable and issue all of the materials to assist new admissions.
- 7.3 The Fund Actuary, Hymans Robertson will issue reports setting the employer contribution rates.

MINISTERIAL ORDER

---

**2026 No. 2**

**EDUCATION, ENGLAND**

**The Northern College of Art (Designated Institution in Further Education) Order 2026**

*Made* - - - -

*2nd July 2026*

*Coming into force* - -

*1st August 2026*

The Secretary of State makes this Order in exercise of the powers conferred by section 28 of the Further and Higher Education Act 1992(a).

**Citation, commencement and extent**

1.—(1) This Order may be cited as the Northern College of Art (Designated Institution in Further Education) Order 2026 and comes into force on 1st August 2026.

(2) This Order extends to England.

**Designation**

2. The Northern College of Art(b), being an educational institution of the kind described in subsections (1)(a) and (b) and (2)(d) of section 28 of the Further and Higher Education Act 1992, is designated as an institution for the purposes of that section.

2nd July 2026

*Smith of Malvern*  
Minister of State  
Department for Education

- 
- (a) 1992 c. 13. Section 28(1) of the Further and Higher Education Act 1992 was amended by section 143(1)(a) of the Learning and Skills Act 2000 (c. 21) and section 32(2)(a) of the Skills and Post-16 Education Act 2022 (c. 21). Section 89 of the 1992 Act makes provision for the way in which the power to make an order under section 28 must be exercised. Section 89 was amended by section 32(1) and (3) of the Skills and Post-16 Education Act 2022 with the result that the order-making power in section 28 is no longer required to be exercised by statutory instrument.
- (b) The Northern College of Art, whose principal address is Newport Road, Middlesbrough, TS11 1LA is an institution conducted by a private company limited by guarantee and registered in England and Wales with company number 14986687 and with the name Northern College of Art Limited. The registered address of the Northern College of Art Limited is Newport Road, Middlesbrough, TS11 1LA.

## **EXPLANATORY NOTE**

*(This note is not part of the Order)*

This Order designates the institution of the Northern College of Art from 1st August 2026 for the purposes of section 28 of the Further and Higher Education Act 1992 (c. 13) (“the 1992 Act”). This designation brings the Northern College of Art within the further education sector as defined in section 91(3) of the 1992 Act.

The Northern College of Art is principally concerned with the provision of (a) full-time education suitable to the requirements of persons over compulsory school age who have not attained the age of 19 years; and (b) courses of further or higher education. Accordingly, the Secretary of State has concluded that the Northern College of Art meets the legislative criteria for designation.

The designation results from the restructuring of the Northern School of Art, a further education corporation established by the Education (Further Education Corporations) Order 1992 (S.I. 1992/2097) as Cleveland College of Art and Design. Its name was changed to the Northern School of Art on 1st of May 2018. The Northern School of Art proposes to transform into a higher education corporation by means of an order under section 122ZA of the Education Reform Act 1988 (c. 40). Prior to its transformation from a further education corporation into a higher education corporation, the Northern School of Art has separated its further education provision into a new college, the Northern College of Art, run by a wholly owned subsidiary (the Northern College of Art Limited). The ownership of that subsidiary company will sit with the new higher education corporation upon its creation.

A full impact assessment has not been produced for this instrument as no, or no significant, impact on the private, voluntary or public sector is foreseen.

**2026 No. 740**

**EDUCATION, ENGLAND**

**The Northern School of Art (Becoming a Higher Education Corporation) Order 2026**

|                               |                        |
|-------------------------------|------------------------|
| <i>Made</i> - - - -           | <i>2nd July 2026</i>   |
| <i>Laid before Parliament</i> | <i>6th July 2026</i>   |
| <i>Coming into force</i> - -  | <i>1st August 2026</i> |

The Secretary of State makes the following Order in exercise of the powers conferred by section 122ZA of the Education Reform Act 1988(a).

**Citation, commencement, extent and application**

**1.**—(1) This Order may be cited as the Northern School of Art (Becoming a Higher Education Corporation) Order 2026.

(2) This Order comes into force on 1st August 2026.

(3) This Order extends to England and Wales.

(4) This Order applies to England only.

**Transfer to the higher education sector**

**2.** On 1st August 2026, the Northern School of Art(b) ceases to be a further education corporation and becomes a higher education corporation.

2nd July 2026

*Smith of Malvern*  
Minister of State  
Department for Education

---

(a) 1988 c. 40; section 122ZA was inserted by section 90 and paragraph 3 of Schedule 8 to the Higher Education and Research Act 2017 (c. 29).

(b) Cleveland College of Art and Design was formed on 1st September 1979 by the merger of Teesside College of Art, Middlesbrough, and Hartlepool College of Art, Hartlepool. Cleveland College of Art and Design was incorporated under section 15 of the Further and Higher Education Act 1992 (c. 13) by the Education (Further Education Corporations) Order 1992 (S.I. 1992/2097). Its name was changed to The Northern School of Art, whose address is Newport Road, Middlesbrough, TS1 1LA, on 1st May 2018.

## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order makes provision for the Northern School of Art further education corporation to become a higher education corporation. On 1st August 2026 that corporation becomes a higher education corporation.

An impact assessment has not been prepared for this instrument because no, or no significant, impact on the private, voluntary or public sector is foreseen.

**TEESSIDE PENSION FUND**

Administered by Middlesbrough Council

**AGENDA ITEM 7****PENSION FUND COMMITTEE REPORT****29 JULY 2026****CORPORATE DIRECTOR OF FINANCE – ANDREW HUMBLE****TEESSIDE PENSION FUND COMMITTEE TERMS OF REFERENCE****Proposed Decision(s)**

That Teesside Pension Fund Committee:

**NOTES** the amendments to be made to the Teesside Pension Fund Committee Terms of Reference which will be reported to Constitution and Member Development Committee and then the next meeting of Full council for approval.

**Executive summary**

The Teesside Pension Committee Terms of Reference have not been amended since 2017. The Pensions Act 2026 has changed the governance landscape for the Local Government Pension Scheme and the Pensions Committee Terms of Reference should be updated to reflect this.

The proposed revised Terms of Reference for the Teesside Pension Fund Committee are attached as an Appendix marking up the changes from the current Terms of Reference.

The alternative decision is to continue with the existing Terms of Reference for the Committee. This is not consistent with the changes in legislation introduced through the Pensions Act 2026 and could potentially lead to a reportable breach of the law.

**1. Purpose of the Report**

- 1.1 To inform the Teesside Pension Fund Committee of proposed changes to its Terms of Reference and allow comments or suggested amendments to be noted and forwarded to Constitution and Members' Development Committee.

**2. Recommendation**

- 2.1 That the Teesside Pension Fund Committee notes the amendments to be made to the Teesside Pension Fund Committee Terms of Reference which will be reported to Constitution and Member Development Committee and then the next meeting of Full Council for approval.

**3. Financial Implications**

- 3.1 There are no specific financial implications resulting from this report but some of the potential changes discussed may create cost pressures.

#### **4. Background**

- 4.1 The Terms of Reference for the Pensions Committee were last updated in 2017 following a review by Aon. An abridged set of the Terms of Reference are included on the ModernGov page for the Pensions Committee. The Terms of Reference also inform the Middlesbrough Council Constitution which sets out the delegations from the Administering Authority to the Pensions Committee.
- 4.2 The review by Aon reflected the understanding of pooling at the time and there have been many changes to the LGPS since this review. The existing pooling arrangements with Border to Coast are not fully reflected in the Terms of Reference.
- 4.3 The current Terms of Reference do not permit employees of Middlesbrough Council to have a vote at Pensions Committee. This provision does not reflect the view nationally on scheme member representation at Pension Committees and Local Pension Boards.
- 4.4 The Pensions Act 2026 and associated secondary legislation include changes in the governance arrangements of the LGPS which should be reflected in the Teesside Pension Fund Committee Terms of Reference.

#### **5. Pensions Act 2026**

- 5.1 The Pensions Act 2026 and regulations flowing from it will change the governance arrangements of the LGPS. Roles and responsibilities are changing with Pensions Committee having no role in appointing investment fund managers. Pensions Committee will continue to have a strategic role in relation to investments with implementation being the responsibility of the pooling company.
- 5.2 The Local Government Pension Scheme (Amendment) (Governance) Regulations 2026 introduces the role of LGPS senior officer with responsibility for ensuring that the fund is “appropriately managed and resourced in respect of all matters relating to the scheme (including administration, investment and governance), in accordance with guidance issued by the Secretary of State from time to time.”
- 5.2 The Local Government Pension Scheme (Amendment) (Governance) Regulations 2026 specifies that an administering authority must prepare;
  - a) a governance strategy,
  - b) a training strategy, and
  - c) a conflicts of interest policy.

#### **6. Proposed changes to the Terms of Reference**

- 6.1 The proposed changes to the Pension Committee Terms of Reference are marked up in the Appendix to this report.
- 6.2 The first amendments in section d) are to reflect the changes in the naming of the Governance Strategy and Investment Strategy. There is also a new reference to the requirement to take advice from the pool when compiling the Investment Strategy Statement.

- 6.3 The Conflicts of Interest Policy and Training Strategy are included in the Terms of Reference reflecting the Local Government Pension Scheme (Amendment) (Governance) Regulations 2026.
- 6.3 The changes in section f reflect that Border to Coast is itself an FCA regulated company and does not use an operator to manage investments. The LGPS Senior Officer will attend Officer Operations Group removing the requirement for Committee involvement.
- 6.4 The changes in section h reflect that Pensions Committee no longer have a role in selecting appointing and dismissing fund managers.
- 6.5 The Knowledge and Skills Policy has been removed at section m as this has been renamed as the Training Policy and included at section f.
- 6.6 Section n reflects the requirement to appoint a LGPS Senior Officer.
- 6.7 The opportunity has been taken to review the Committee quorum. The proposed change is to follow the quorum requirements adopted by other Middlesbrough Council committees which is the greater of three members or one quarter of the whole number of members i.e. four members. It should be noted that this would allow the possibility of the administering authority not having the majority of votes at a committee meeting.
- 6.8 That Middlesbrough Council employees are able to attend Committee but not vote has been removed. This stipulation does not reflect the approach which has been taken elsewhere. The LGPS Scheme Advisory Board has championed including scheme member representation in the governance arrangements of Pension Committee's, Board's and Pools. Any perceived conflict of interest should be managed through the conflicts of interest policy and also apply to elected members who since May 2026 have access to the LGPS.
- 6.9 The change that Middlesbrough Council appoints the Vice Chair reflects current practice.
- 6.10 The introduction of LGPS Senior Officer "who has senior responsibility across all pension functions of the authority, in accordance with guidance issued by the Secretary of State from time to time" is reflected in the Officer Delegations section.
- 6.11 Teesside Pension Fund is the only Border to Coast Partner Fund where the shareholder is not an officer. Currently the Committee Chair is the shareholder representative for the Teesside Pension Fund. The current arrangements are more complicated for this fund than any of the other partner funds with both the Chair and Officers having to be included in communications, meetings and arrangements for signing shareholder documents. The Section 151 Officer is best placed to represent the interests of the Administering Authority and the Pensions Fund as an owner in the Border to Coast Pensions Partnership.
- 6.12 The change in clause numbering in relation to the Deadlock Situation of the Shareholder Agreement reflects the latest version of that document.

## **7. Other potential alternative(s) and why these have not been recommended**

- 7.1 Do nothing – If the Pension Committee Terms of Reference remains unchanged, it risks becoming outdated and failing to reflect current working practices and legislation. Failure to

put in place the new requirements introduced by recent legislation could potentially lead to a reportable breach of the law

**8. Next Steps**

- 8.1 The recommended changes to the Pensions Committee Terms of Reference will need to be noted by Middlesbrough Council Constitution and Members' Development Committee and then approved by Full Council.

## **Teesside Pension Fund Committee**

### **Role and Delegated Functions**

The Pension Fund Committee's principal aim is to carry out the functions of Middlesbrough Council as the Scheme Manager and Administering Authority for the Teesside Pension Fund in accordance with Local Government Pension Scheme and any other relevant legislation.

In its role as the administering authority, Middlesbrough Council owes fiduciary duties to the employers and members of the Teesside Pension Fund and must not compromise this with its own particular interests. Consequently this fiduciary duty is a responsibility of the Pension Fund Committee and its members must not compromise this with their own individual interests.

The Pension Fund Committee will have the following specific roles and functions, taking account of advice from the Chief Finance Officer and the Fund's professional advisers:

- a) Ensuring the Teesside Pension Fund is managed and pension payments are made in compliance with the extant Local Government Pension Scheme Regulations, Her Majesty's Revenue & Customs requirements for UK registered pension schemes and all other relevant statutory provisions.
- b) Ensuring robust risk management arrangements are in place.
- c) Ensuring the Council operates with due regard and in the spirit of all relevant statutory and non-statutory best practice guidance in relation to its management of the Teesside Pension Fund.
- d) Determining the Pension Fund's aims and objectives, strategies, statutory compliance statements, policies and procedures for the overall management of the Fund, including in relation to the following areas:
  - i) Governance Strategy– approving the Fund's Governance Strategy for the Fund within the framework as determined by Middlesbrough Council and making recommendations to Middlesbrough Council about any changes to that framework.
  - ii) Funding Strategy – approving the Fund's Funding Strategy Statement including ongoing monitoring and management of the liabilities, ensuring appropriate funding plans are in place for all employers in the Fund, overseeing the triennial valuation and interim valuations, and working with the actuary in determining the appropriate level of employer contributions for each employer.
  - iii) Investment Strategy - approving the Fund's Investment Strategy Statement including setting investment targets and ensuring these are aligned with the Fund's specific liability profile and risk appetite

after taking advice from Border to Coast Pension Partnership.

- iv) Conflicts of Interest Policy - approving the Fund's Conflict of Interest Policy setting out the approach to identifying, monitoring and managing actual, potential and perceived conflicts of interest in relation to the scheme.
- v) Training Strategy - approving the Fund's Training Strategy for all Pension Fund Committee members and for all officers of the Fund, including determining the Fund's knowledge and skills framework, identifying training requirements, developing training plans and monitoring compliance with the policy.
- vi) Administration Strategy – approving the Fund's Administration Strategy determining how the Council will the administer the Fund including collecting payments due, calculating and paying benefits, gathering information from and providing information to scheme members and employers.
- vii) Communications Strategy – approving the Fund's Communication Strategy, determining the methods of communications with the various stakeholders including scheme members and employers.
- viii) Discretions – determining how the various administering authority discretions are operated for the Fund.
- e) Monitoring the implementation of these policies and strategies on an ongoing basis.
- f) In relation to the Borders to Coast Pension Partnership; the Asset Pooling Collaboration arrangements:
  - i) Monitoring of the performance of the Borders to Coast Asset Pooling Collaboration recommending actions to the Joint Committee, The Mayor or his Nominee (in his role as the nominated person to exercise Shareholder rights and responsibilities), Officers Groups or BCPP Ltd, as appropriate.
  - ii) Undertake the role of Authority in relation to the Inter Authority Agreement, including but not limited to:
    - Requesting variations to the Inter Authority Agreement
    - Withdrawing from the Inter Authority Agreement.
    - .
- g) Considering the Fund's financial statements and the Fund's annual report.
- h) Selection, appointment, dismissal and monitoring of the Fund's advisers, including actuary, benefits consultants, investment consultants, global custodian, , lawyers, pension funds administrator, independent

professional advisers and AVC provider.

- i) Liaison with internal and external audit, including providing recommendations in relation to areas to be covered in audit plans, considering audit reports and ensuring appropriate changes are made following receipt of audit findings
- j) Making decisions relating to employers joining and leaving the Fund. This includes which employers are entitled to join the Fund, any requirements relating to their entry, ongoing monitoring and the basis for leaving the Fund.
- k) Agreeing the terms and payment of bulk transfers into and out of the Fund.
- l) Agreeing Pension Fund business plans and monitoring progress against them.
- m) Agreeing the Administering Authority responses to consultations on LGPS matters and other matters where they may impact on the Fund or its stakeholders.
- n) Receiving ongoing reports from the Chief Finance Officer, the LGPS Senior Officer and other relevant officers in relation to delegated functions.

No matters relating to Middlesbrough Council's responsibilities as an employer participating within the Teesside Pension Fund are delegated to the Pension Fund Committee.

## **Composition**

### **(a) *Membership***

The Teesside Pension Fund Committee will be composed of 15 members. Its membership will include:

- i) Nine Councillors of Middlesbrough Council, determined by the Council.
- ii) One Councillor from each of Hartlepool Borough Council, Stockton Borough Council and Redcar & Cleveland Borough Council.
- iii) One representative of the other Scheme Employers in the Teesside Pension Fund appointed in accordance with procedures agreed by the Chief Finance Officer and Monitoring Officer.
- iv) Two representatives of the scheme members of the Teesside Pension Fund, appointed in accordance with procedures agreed by the Chief Finance Officer and Monitoring Officer.

Named substitutes are permitted providing they satisfy the knowledge and skills policy of the pension fund.

(b) *Term of office*

- i) The representative members (for other scheme employers and scheme members) are appointed for a period of no more than six years and may be reappointed for further terms.
- ii) Councilors of the participating Councils will have a term of office to the next ordinary local government election following their appointment. They may be reappointed for further terms.

(c) *Quorum.*

A meeting of the Pension Fund Committee shall only be quorate when a third of members are present

(d) *Voting*

Voting Rights are held by all members including the scheme member representatives

(e) *Chairing the Committee.*

- i) Only a Councilor of Middlesbrough Council may be the Chair.
- ii) The Chair will be elected annually by members of Middlesbrough Council.
- iii) The Vice Chair will be decided annually by members of Middlesbrough Council.

(f) *Procedure Rules*

The Council's Rules of Procedure, Codes and Protocols will apply to this Committee in the same way as they apply to other Committees unless different provision is made in this article.

Members of the Teesside Pension Board shall be permitted to attend Pension Fund Committee meetings, including exempt items.

(g) *Knowledge and Skills Requirements*

Members of the Committee will be obliged to adhere to the Fund's

Knowledge and Skills Policy, including attendance at training events.

(h) *Location*

The Pension Fund Committee may occasionally meet outside of Middlesbrough Council area.

## Officers

The Committee may delegate a limited range of its functions to one or more officers of the Authority.

The Pension Fund Committee will be responsible for outlining expectations in relation to reporting progress of delegated functions back to the Pension Fund Committee.

## OFFICERS' DELEGATIONS

|                                                                                                                                                                                                                                                               |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

| The day to day management and administration of Teesside Pension Fund matters including ensuring arrangements for investments of assets and administration of contributions and benefits, excluding matters delegated to the Teesside Pension Fund Committee. |

## OTHER DELEGATIONS RELATING TO BORDERS TO COAST ASSET POOLING COLLABORATION

At its meeting on the 15th February 2017, Middlesbrough Council approved its participation, acting as the Administering Authority for the Teesside Pension Fund, in the Border to Coast Pension Partnership Pooling Arrangement as the Council's approach to pooling investments in accordance with the Local Government Pension Scheme (Management and Investment of Funds) Regulations 2016 and the Guidance on Preparing and Maintaining an Investment Strategy. The following are responsibilities delegated relating to this participation (in addition to those mentioned in part (f) of the Teesside Pension Fund Committee responsibilities above).

|                                                                                                                                                                                                                                                                                                                                                                                    |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>The Chief Finance Officer (who is the Section 151 Officer) (or whomever he decides to nominate)</b>                                                                                                                                                                                                                                                                             |
| The nominated person to exercise the Council's rights as a shareholder in BCCP Limited and be its representative at shareholder meetings, on behalf of the Teesside Pension Fund. The responsibilities are as set out in the Shareholders Agreement, Articles, Inter Authority Agreement and any other agreements entered into and include, but are not limited to the following : |

- a) to serve a written notice on the Board of the Company to cease to be a Shareholder in the Company
- b) to vote on matters, including the reserved matters in Schedule 1 of the Shareholder Agreement as replicated below:

### **Reserved Matters**

#### **PART A – Matters for approval by all of the Shareholders (unanimous consent required)**

1. subject to FCA rules, extend the activities of the Company outside the scope of the Business or close down any operation of the Business;
2. subject to FCA rules, give any guarantee or indemnity outside the ordinary course of the Business to secure the liabilities of any person or assume the obligations of any person (other than a wholly owned subsidiary) (e.g. guaranteeing a lease that does not relate to the Business of the Company);
3. subject to FCA rules, enter into or vary any contracts or arrangements with any of the Shareholders or directors (other than service agreements and letters of appointment as directors) or any person with whom any shareholder or director is connected (whether as director, consultant, shareholder or otherwise) (e.g. any contract which could give preferential rights to a specific shareholder);
4. enter into any agreement not in the ordinary course of the Business and/or which is not on an arm's length basis;
5. enter into or vary any agreement for the provision of consultancy, management or other services by any person which will, or is likely to result in, the Company being managed otherwise than by its directors;
6. change the name of the Company;
7. pass a resolution or present a petition to wind up the Company or apply for an administration order or any order having similar effect in a different jurisdiction in relation to the Company unless in any case the Company is at the relevant time unable to pay its debts within the meaning of section 123 Insolvency Act 1986;
8. reduce or cancel any share capital of the Company, purchase its own shares, hold any shares in treasury, allot or agree to allot, whether actually or contingently, any of the share capital of the Company or any security of the Company convertible into share capital, grant any options or other rights to subscribe for or to convert any security into shares of the Company or alter the classification of any part of the share capital of the Company (in each case other than as expressly permitted by this Agreement and/or the Articles where no prior consent shall be required including, without limitation, pursuant to either clause 4 (Finance & Regulatory Capital) and/or clause 15 (Consequences of Breach) and/or Article 26 of the Articles (Issue of Shares and Pre-Emption Rights));
9. other than as expressly permitted by this Agreement and/or the Articles, redeem or buy any existing Shares or otherwise reorganise the share capital of the Company;
10. admit any person as a member of the Company or an investor in the BCPP pool;
11. enter into any partnership, joint venture or profit sharing arrangement with any person (excluding entering into any investment or investment vehicle);
12. alter any of the provisions of the Articles or any of the rights attaching to the Shares;
13. amalgamate or merge with any other company or business undertaking;
14. sell, lease (as lessor), licence (as licensor), transfer or otherwise dispose of any of its

material assets otherwise than in the ordinary course of the Business;

15. the removal and replacement of any Interim Directors, but for the avoidance of doubt not including any subsequent or replacement appointments of any director which shall be made under Part B below;

16. commence, settle or defend any claim, proceedings or other litigation brought by or against BCPP, except (i) in relation to debt collection (not exceeding £500,000) in the ordinary course of the Business and (ii) in relation to any investment related claims or proceedings relevant to the ACS or other collective investment vehicles;

17. take out any third party loan(s) in respect of BCPP which (in aggregate) exceed the sum of £5,000,000;

18. form any subsidiary of BCPP, or acquire any shares in any other company, whether through subscription or transfer, such that the company concerned becomes a subsidiary of BCPP;

19. determine the composition, governance arrangements and limits of authority of any and all subsidiaries of BCPP;

20. approving and adopting a Subsequent Strategic Plan (including the Annual Budget) and/or amending any such Plan; and

21. make any capitalisation, repayment or other distribution of any amount standing to the credit of any reserve of the Company or pay or declare any dividend or other distribution to the Shareholders save that no consent will be required to pay the B Share Dividend.

#### **PART B – Matters for approval by a Shareholder Majority only**

1. enter into or materially vary any licence or other similar agreement relating to intellectual property to be licenced to or by the Company which is otherwise than in the ordinary course of the Business;

2. appoint or remove the auditors of the Company;

3. alter the Company's accounting reference date;

4. make any significant change to any of the Company's accounting or reporting practices other than conforming with any changes made to the accounting standards adopted by the Company;

5. approve the annual accounts of the Company;

6. determine the amount of, or any increase in, remuneration payable to any directors from time to time;

7. establish or amend any pension scheme (i.e. for employees of the Company);

8. subject to FCA rules, enter into any agency, distribution or similar agreement which confers or is expressed to confer any element of exclusivity as regards any goods or services the subject of such agreement or as to the area of the agreement or vary such an agreement to include any such exclusivity;

9. incur in any financial year any item or series of items of capital expenditure including finance leases (but excluding operating leases) of more than £5,000,000 (unless provided for in the Initial Strategic Plan or any Subsequent Strategic Plan);

10. enter into or vary any operating lease either as lessor or lessee, of any plant, property or equipment of a duration exceeding 5 years or involving aggregate premium and annual rental payments in excess of £100,000 (unless provided for in the Initial Strategic Plan or any Subsequent Strategic Plan);

11. adoption of (and any amendment of) any written conflicts policy;
12. approval of any conflict or potential conflict of interest any director may have which would preclude him or her from being included in the quorum of any meeting of the directors;
13. appointment of any subsequent director, any alternate director (who is not at the time a director of the Company) and including, for the avoidance of doubt any subsequent Chair in accordance with the Companies Act 2006 or otherwise; and
14. removal of any director and, for the avoidance of doubt, the Chair in accordance with the Companies Act 2006 or otherwise.

**Chairman (or Vice Chairman in their absence) of the Teesside Pension Fund Committee**

The nominated representative of the Council on behalf of Teesside Pension Fund on the Border to Coast Pension Partnership Joint Committee, noting that the Joint Committee shall not making binding decisions on the matters in the Terms of Reference of the Joint Committee but may make recommendations to each Authority to individually determine.

**Chief Finance Officer (who is the Section 151 Officer)**

- a) The nominated officer to meet and resolve any Deadlock Situation as per Clause 11 of the Shareholder Agreement
- b) The nominated officer to consider and resolve any Dispute as per Clause 13 of the Inter Authority Agreement
