15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not

subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

RE: Licensing Act 2003 - NEW PREMISE LICENCE APPLICATION - ONE STOP, 15 SHELTON COURT, TS3 9PD (PR481)

To Louise Romaine

Clr Graham Wilson, Objection to the sale of alcohol 17/06/2022.

I object to this One stop Convenience store at 15 Shelton Court selling alcohol of any description. I object on the grounds

It is to close in proximity to Charlies mini mart who already sells alcohol

It will create anti-social behaviour for residents on Shrewsbury Road, Carisbrooke ave, The Greenway,

We also have Sainsbury's less than a five minute walk away in Netherfields,

The ASB we have seen in the past is fighting, broken bottles (glass) all over the roads,

Under-age drinkers trying their luck to purchase alcohol then getting aggressive when refused,

Charlies mini mart does not have his alcohol on display,

I do strongly object on the above grounds,

Kind regards

Graham Wilson

I'm sorry to say I cannot agree to the One Stop application to sell alcohol. Charlies Mini Mart do not have alcohol on view at any given time but do stock alcohol for sale when asked for it. My reasoning is two shops within a hundred yards of each other is too close. Mr Habbas the occupier of Charlies mini mart also has the option to open an off licence at the opposite end of this parade of shops he has the licence in place. Also within a five / fifteen minute walk there are another 8 shops licenced to stock alcohol for sale we do not need more alcohol on sale in such a close proximity. My information is that there are more than 100 objections to this alcohol licence application. I can only ask that you refuse this application as it will create more ASB around the area.

Kind regards

Dear Mr Wilson

I represent One Stop Stores Limited and have received a copy of your representation to the above application, in your capacity as Ward Councillor.

I note that you have raised concerns in relation to anti-social behaviour in the local area and we wanted to take this opportunity to inform you of some changes that One Stop has made to its application following discussions with the responsible authorities; and also to provide you with some information as to the policies and procedures that One Stop has in place in respect of the sale of alcohol, which we hope will help to satisfy any concerns in relation to the licensing objectives.

One Stop is a retail convenience business (not a dedicated off-licence) with a key focus on being a store for customers in the local neighbourhood. One Stop also staffs its stores with local people (except for the Store Manager and possibly a Shift Supervisor, who would be experienced One Stop managers). Although One Stop operates numerous stores nationally, they get involved in local communities and have foodbanks in stores.

Changes in the Application

Licensable hours

One Stop has confirmed to Licensing that it is amending its application so that, if granted, the sale of alcohol will only be permitted from 08:00 to 22:00 daily.

Conditions

One Stop has agreed to a number of conditions with the police and public health. These include the following (we can provide the full wording agreed on request):

- Digital CCTV with image retention for 28 days (One Stop will actually provide internal and external CCTV as summarized below).
- Incident and refusals logs.
- Operation of Challenge 25 with only certain forms of ID being acceptable – and notices to inform customers of the operation of Challenge 25.
- Training in relation to Challenge 25, under age sales, sales to adults on behalf of minors (proxy sales), sales to intoxicated persons, and in relation to the licence conditions (with refresher training a minimum of twice a year).
- No sales of lager, beer, cider or perry product with an ABV of 6.5% or above.
- Participation in any 'Responsible Retailing' scheme and any relevant training / campaigns which the Police or Local Authority provide or recommend; and also in any local Off Licence forums held by the Local Authority.
- No sale or supply of single cans of beer, lager or cider.
- No alcohol to be displayed for sale within 4 metres of any public entrance/ exit of the premises (except behind the till).

One Stop's policies and procedures

In addition to the matters governed by conditions, One Stop have numerous measures in place in respect of the sale of alcohol, including:

- Installation and maintenance of comprehensive CCTV systems. All entries and exit points are covered, enabling frontal identification of every person entering in any light condition. There will also be an external CCTV camera covering the store frontage. The CCTV system continually records whilst the premises are open for licensable activities and during all times when customers remain on the premises.
- Refusals logs record the date and time of any challenged and refused sales, the identity of the member of staff refusing the sale, and details of the alcohol the customer attempted to purchase.
- The company has a comprehensive training package. This includes age restricted information, policies and procedures (e.g. till prompts and refusals logs) as well as conflict management, to assist staff to refuse sales effectively and to support them when dealing with potentially difficult situations.
- All One Stop stores are required to keep a Licensing Guide in-store in accordance with the company standard. This includes details of legal requirements and company policies and procedures for reference by all members of staff and store management.
- One Stop is a member of the Retail of Alcohol Standards Group (which promotes responsible sales of alcohol) and a number of its stores are involved in Community Alcohol Partnerships (working with Trading Standards, Police and Local Schools).
- In addition, stores have a system called 'staff safe' which allows staff to call for monitoring and/ or assistance via a button on the central console or their wristband, which all staff members are required to wear.

One Stop's training, policies and procedures have been fully reviewed and approved by One Stop's Primary Authority partner, Hertfordshire County Council.

Next steps

You will be invited to attend the Licensing Sub-Committee hearing once a date has been set. If you require any further information about One Stop, its policies and/or procedures in advance, then please do not hesitate to contact me. If you are satisfied on the basis of the additional information provided, please do let me, or the Licensing team, know.

Kind regards

To Louise Romaine

Hi Louise will they be applying for planning permission as this is a change of use of the building? As one of the local Councillors in this ward I am opposed to the sale of alcohol at this premise due to there being an issue with anti-social behaviour in this area and in my view this would lead to an escalation of the problem.

RE: LICENSING ACT 2003 - NEW PREMISE LICENCE APPLICATION - ONE STOP, 15 SHELTON COURT, TS3 9PD (PR481)

Hi Louise I am opposed to this Licence application for The ONESTOP Shop at 15 Shelton Court for the following reasons. That there has been a lot of antisocial behaviour in this area which the last PCSO was aware of. We have had young people setting fire to the back of this particular building also we have had youths gathering at the back drinking, theft and a ram raid on one of the shops . I have also spoken to the shopkeepers in this vicinity who are also opposed to this as they are worried it will have a knock on effect on their business some who have been there for a substantial number of years.

Reference Alcohol licence for 'One Stop 15 Shelton Court Thorntree TS3 9PD'

Dear Sir or Madam

I am writing with regards to the above application. I have a business at 23 Shelton Court TS3 9PD The Coffee Bean, it is a café and catering business and this is our 7th year. When I obtained the business we were open 7 days a week and as premises have closed passing trade has disintegrated to barely nothing. In a week the mobility shop next door will be empty as they are moving.

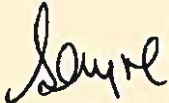

Next door used to sell alcohol and he had no trouble at all but had to close for personal reasons, in my opinion if you are respectful to your customers then they respect you, and I cannot see any reason why there shouldn't be a general store selling alcohol situated in the old offices, it would be beneficial to businesses as it would be bringing more passing trade, and very beneficial to people in the area as it would give them more choice to shop.

I know you will have objections and in particular from number 1/3 Shelton Court Charlies Mini mart as he was constantly getting petitions up against my business for selling ice cream / sandwiches and other foods it became time consuming trying to fight it all off. He purchased next door from the other person (not the lease only a closed business) simply to ensure no food alcohol etc was sold there, he has tried to buy my business when he found out another person was interested and I know he was outbid for the premises that is applying for the licence.

I attended the licence meeting when the man next door (number 21) obtained his simply because the man had asked me to as there were petitions to sign against him in number 1/3 premises and I heard their empty objections about tempting gangs of youths trouble etc. and it was untrue. It was all down to wanting a monopoly on selling food and drink products which shouldn't be allowed.

I hope my points are considered as the area needs decent places to shop which would be beneficial to everyone.

Yours sincerely

To whom it may concern.

I am writing this letter to strongly object to a new one stop shop that is going to be allocated at shelton Court thorn tree middlesbrough.

As a member of the thorn tree community i seriously don't think we need another convenient store in our neighbourhood especially one that will be serving alcohol im not sure you are aware of the criminal activity which is taking place in our neighbourhood which is mostly caused through alcohol related anti social behaviour i also strongly object as im a Convenience Store owner myself i know first hand of the struggles covid has put on our family lifes and working lives and to keep working through covid and serving our communities i think you strongly need to look at the surrounding shops in close proximity to the one stop store in question right next door to this we have a wonderful family run Convenience Store which has served thorn tree and surrounding areas for decades

Giving this one stop store the go ahead will without doubt destroy Charlie's minimart not to mention other surrounding Convenience Stores these big franchise companies have the amenities to undercut and destroy our smaller Convenience Store we as a community need to stand together to support our local smaller businesses and stop the franchises from taking over and closing down our stores

I'm asking with a lot of other residents to take a very close look at this application and hopefully reject the application for another store so close to Charlie's minimart as there isn't enough residents / custom for more Convenience or supermarkets as there's already 6 smaller Convenience stores all within half a mile from shelton Court

- ates general dealers
- o-loca beresford buildings

Dear sirs I am writing to yourselves to put forward an appeal against alcohol license for the premises of 15 Shelton court T539pd I occupy the premises of 5 Shelton court T539pd Teasdale academy of hair and beauty the reason for my appeal are as follows at the moment Shelton court is undoubtedly suffering from Asbo behaviour which we are trying to control with a passion for our livelihoods selling alcohol at the premises of 15 Shelton court from the hours of 06.00 till 23.00 would undoubtedly escalate the amount of asbo behaviour to a stage that would not be controlled and I myself would even feel scared working in that environment. This would also create a amount of litter we as small business owners take pride in the thorn tree community and personally clean and remove litter our selves. Parking would be a great issue for the amount of traffic this would cause and lack of space can have an impact on existing business that are already there like myself. We also have a school nearby which having alcohol sold with them times leads upto assorts of behaviour which no child should be seeing hope youse take this information into consideration

Kind regards

This is written conformation to the council and the licensing department of an opposition to the One Stop being opened at 15 Shelton Court. There is no need for it. I do not want anymore noise and litter on my doorstep. It is already very noisy in the evening and having a One Stop open until 11 pm is ridiculous. It will attract out of control mobs and make the area worse.

No to the One Stop.

Dear Licensing Department and Middlesbrough council,

I am the local Newsagent of the TS3 area in which a One Stop has been proposed to open. My income and my livelihood depends on my newsagents. I will be forced out of business as I will not be able to compete against a giant chain store. I have worked so hard, outing my blood and sweat into building this businesses up and it is heartbreaking to even imagine it being swept away. The effect of this is devastating to my life and the people who depend on me.

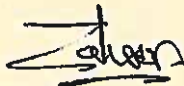

I am a well established Newsagent and have a fantastic relationship with them. The elderly rely on me delivering their goods to them on an evening and love to come out for a convenient chat. They are devastated to hear that the One Stop will drive me out of business. Not only that the amount of anti-social behavior, noise and gangs of youths hanging around will escalate.

I also hold an alcohol license. I am aware of who is buying what and how much people are consuming and I very often have to decline the sale of it. I have also stored the alcohol out of sight.

Please consider our plea and do not issue the alcohol license as this is what the One Stop will make most profits on, selling over amounts to youths, increasing the crime in the area. If it is not issued they will probably reconsider the opening of it. I have been inundated with the amount of signatures received opposing the opening of it. Please support us in putting a stop to the One Stop it is in your hands and you can do something about it.

Kind Regards

Mr. Abbas

Dear Council,

I am writing to you regarding the new One Stop opening in my local area. My first thoughts when I heard this was, more gangs and more fights. When I say fights I don't mean arguments and fist fights, I mean fights with weapons, knives and hammers. The youth, boys and girls will just hang around outside here, annoy each other and annoy us customers who try to shop there. There are already local shops around selling the same thing so what is the point?

It would be much better if you could open up a youth club that is supervised by qualified people to get the youth off the streets, off the drugs, off the alcohol and into supervised activities that will benefit them. I live just behind this building and my windows have been smashed in many times for no reason at all. My garden is full of litter and this will just cause more agro. I am really fed up.

Stop the One Stop.

Thank you

Dear whom this may concern,

I am writing to express my concern and objection in relation to the current application of one stop for a premises licence at 15 Shelton Court, Middlesbrough, TS3 9PD.

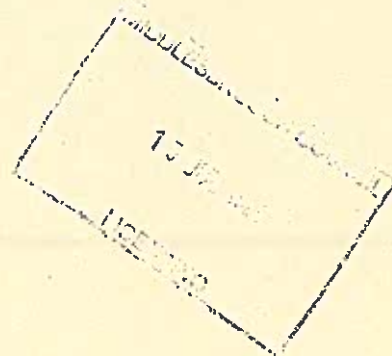

I am greatly concerned of the already rife antisocial behaviour, gatherings of people around this area and intimidating behaviour. Opposite the address as stated above is a mini market which has been a big part of the community which more than provides a large variety to cater for any needs.

I believe if this is granted, not only will it affect a well established business, it will encourage more antisocial behaviour. It will be a negative to the area.

I would appreciate if you can consider my objection to the above application as many local residents and myself are signing petitions in relation to this issue.

Yours sincerely

J Timperley

Dear Local Council and Licensing department,

This is to oppose you of issuing an alcohol license to 15 Shelton Court. It is not necessary and not required. Rather what we do need is street wardens or officers to be employed at the area to stop the anti-social behavior that goes on in the area and to not fuel the anti-social youth with alcohol. They are already up to their eyeballs with weed, never mind adding drink to their doorstep to up their game even more. Check the area anti-social website before you even think about issuing a alcohol license or even better come and spend a night in the area so that you understand what we live with! The anti-social behavior, noise nuisance, smashing windows, throwing bricks at windows, littering etc, is bad enough. Please do not issue the license, we do not need it.

Dear Sir or Madam,

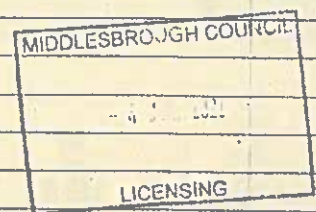

We would just like to protest at plans for a 'One Stop Tesco' shop planned at Shelton Court, Thorntree, M'Bro.

We understand it will also be selling liquor which is the thing we are worried about. We have enough shops selling booze in the area and don't really require another one. We understand this shop will be open from 6^{am} - 12 pm o'clock midnight. We are worried about the gathering of young people and problem behaviour late at night and don't want to have trouble like they have at Hemlington, putting police under more pressure. It's the booze licensing we are mostly concerned about. We are not the only people who are worried this. Many local people are too.

Yours Sincerely

N Bailey

PUT A STOP TO ONE STOP!

Community petition to stop the opening of a One Stop convenience store which has been proposed at Shelton Court Shops, Thorntree, Middlesbrough, TS3.

Reasons for petition

We the residents of Shrewsbury Rd do not neither want or need an other store opening at Shelton Ct. we have a store locally known as 'Charles'. A store opening bam till 11pm will be an excuse for youths to gather around the area causing a disturbance. We also do not want large trucks delivering to the rear of the store causing undue noise. We also object to the sale of alcohol, there is an off licence at Beresford Buildings. Sainsbury at Vaughan Shopping Centre also sell alcohol. There is no need to sell at Shelton Court.

Dear Council,

I am writing this letter as a concerned member of the community. It has become apparent that a chain store is going to come in to play in our area. Before you make the decision of considering a license or even considering opening a business here that is not needed I strongly believe that you consider the residents of the area. We have all come together and have decided on a majority that we do not want nor do we need a One stop at 15 Shelton Court. In our time of need during covid it was the small businesses that supported us and we now stand by our small businesses. This chain store will only be here for business and profits. The only customers it will attract are mobs and youths who will without a doubt only be there for the alcohol and tobacco. It will be bought by the adults and distributed to the under age. It will be nothing but a nuisance contributing greatly to the anti-social behavior, littering, night time noise and also affecting small businesses. No to the One stop!

Dear Licensing/Council,

I am writing this letter to oppose of you issuing of an alcohol license to 15 Court Thorntree TS3 9PD. I have seen the notice on the wall of the building and rumors say that a One Stop is going to be built here. We DO NOT need a One Stop and we do not need it to sell alcohol please. We already have a very friendly local shop in the area and do not need another business that will be selling the same items but bringing more nuisance with it. The nuisance we have in our area is already enough. Bringing another business like this is only going to cause more nuisance, more anti-social behavior, more scratch cards and this time alcohol cans and bottles all over the floor. The One Stop workers are not going to care about what's going on because they will be clocking in and clocking out. It is not going to bring any benefit at all. The local newsagents sells everything at an affordable price. When the competition comes in prices will only go up not down and this will be worse for us.

As a pensioner, my only outdoor walk is to the local shops. I will not be going if this One Stop opens and has hooligans standing around it getting drunk. The One Stop will be taking my only independence away from me. They make me feel vulnerable and scared when they come and ask for money. Please check the area anti-social behavior score. You will be shocked and then to bring more alcohol here is outrageous.

I understand that you want to make profit from this building so not open a post office or day nursery or offices here instead?

I hope you will consider my thoughts and feelings

Thank you Mr. Buddy

Date: 12th July 2022**

Dear Sir/Madam,

REF: PREMISE LICENCE APPLICATION - ONE STOP, 15 SHELTON COURT, MIDDLESBROUGH TS3 9PD

I write this letter of objection on grounds of the Councils Licencing objectives rather than being a competition between similar business within the same area. We object on the grounds of the opening hours for the sale of alcohol without any restricting conditions.

The Councils objectives state that the any development should promote and achieve four objectives, which I will utilise in objecting to this proposal for the sale of alcohol from 0600am to 2300pm seven days a week.

1. The prevention of crime and disorder

For background, as licensee premise holder for sale of alcohol from business at Beresford buildings, whom has operating hours for sale of alcohol from 0800am to 2200pm (Mon to Saturday) and 0900am to 2200pm on Sundays; I do not fulfil these hours of service, due to a significant increase in anti-social behaviour related to the sale to local residents of Thorntree.

I have resorted to serving from selling alcohol from 0800am to 2100pm (Mon to Sat) and 1000am to 2100pm (Sunday), which has assisted in removing groups of youths from the parade of shops which detract customers using the shops for their needs.

As a business owner in this current climate, this must present a true objection and concern to Licensee committee members to resist a further premise for sale of alcohol with the opening hours proposed.

At present there are existing premise licence shops selling alcohol and we consider the cumulative impact for an additional premise will significantly increase crime and disorder.

- 1. Charlies Mini Market, Shelton Court**
- 2. Unit 7 Beresford Buildings**
- 3. Thorntree House**
- 4. Sainsbury's, Forsydke Green**
- 5. Go Local, Cargo fleet Lane**
- 6. Premier, Marshall Avenue, Brambles Farm**

Licensee members should observe the recent shootings, stabbings and muggings which in addition to this element will make this area not suitable for the local community.

Can the licensee committee members confirm police records on this to present at committee hearing, as this evidence to support our objection.

2. Public safety

As stated above, the additional commercial unit with sale of alcohol will increase harm to public safety with alcoholism, anti-social behaviour and other crimes related to alcohol consumption to local people.

3. The prevention of public nuisance

This objective is also failed has the controls put in place by the potential owners cannot be enforced or ensure public nuisance once patrols have left their premise.

Prevention is to restrict the hours of sale and other licencing conditions such as the following:

- 1. Labelling alcohol with 6.5% below**
- 2. No Sale of alcohol above 6.5%**

- 3. Sale of alcohol from 1100am to 2100am seven days a week**
 - 4. Supervised licenced door persons at the premise to prevent public nuisance**
 - 5. Minimum pricing on drink deals**
 - 6. No special offers**
 - 7. Challenge 25 system to be in place**
 - 8. ID recognition**
 - 9. No Single cans**
- 4. The protection of children from harm**

As a local shop owner I have evidence that the sale of alcohol has increased anti-social behaviour with local children, which does not protect children

Licencing conditions should use Challenge 25 for the protection of children

Prevent the sale of alcohol to children

**Yours Faithfully
Mr Steven Owen**

Dear Licensing and Middlesbrough Council,

Please find attached a petition from the residents of the TS3 area opposing the opening of a One Stop at 15 Shelton Court and also opposing the issuing of a alcohol license to it.

The One Stop will attract and enhance crime. The petition relates to the following objectives of crime prevention:

- The Prevention of public nuisance
- Public safety
- The prevention of Crime and disorder
- The protection of children from harm
- Anti-social behavior
- Noise
- The protection of the elderly from harm
- Environmental and health issues (littering)

Other factors to consider if the One Stop does open:

- If the One stop opens local small businesses will be forced to close down. Meaning that we will lose the variety of businesses that carried on serving the public throughout the pandemic.
- Youths will gather and there will be a very high chance that alcohol will be distributed to under age and anti-social behavior will escalate not only on the front but also around the back of the buildings. Drugs needles are already scattered around the area.
- The opening of the store is 6am – 11pm attracting noise and nuisance
- Extra noise from traffic and parking disputes

All the council and licensing department have to do is NOT permit the alcohol license and the One Stop will not open as that it what it will rely on to make its profits. The buyers of the alcohol will be the youths of the area who are already out of control and utter nuisances.

Please consider this petition and put a STOP to the One Stop!

Kind Regards

The residents of TS3.
