The Licensing Act provides a system of permitted temporary activities for licensing activities which do not have to be authorised by the Council via an application. Someone wishing to hold such an event gives a notice of this to the Council and if there are any concerns only the Police or Environmental Health can object to the application and in this case neither did. The temporary activities are time limited and the premises sold alcohol during December and January, the sale of alcohol is no longer permitted at the premises.

It is a different system for the permanent licence, where objections are received to an application for a Premises Licence the Committee must determine the application.

I don't understand the purpose of the hearing and meeting as the sale of alcohol has already started, what difference is it going to make to my representation.

But my address is 11 Ingleby Rd, Middlesbrough, TS42JU

No I don't sorry, but if you all think that it's a good idea to have this many alcohol suppliers in such a small area then so be it!

Good morning

I will not be able to attend the meeting but would kindly like for the objection to be considered.

Kind regards

Hi Mr Singh

The statutory consultation period for the above application has now ended and I am writing to advise you that the Police and Trading Standards and the other Responsible Authorities did not object to the application and were therefore satisfied with the steps the applicant has proposed will not undermine the Licensing Objectives of the prevention of crime and disorder and the prevention of public nuisance.

Because of your objection the legal requirement is for the application to be determined by a Licensing Committee made up of three elected Councillors. You will be invited to attend this meeting to present your views to the Committee.

Please can you advise me if you wish for your objection to be considered by the Committee, whether you will attend or whether you wish to withdraw your objection.

Good morning

I would like to make a representation on the matter of dart foods acquiring a alcohol licence.

There are already so many shops in this area selling alcohol and I feel adding another to the mix would have a huge impact on rising crime and disorder in the area. There is no need to have so many shops selling alcohol as we all know the crime and nuisance around Middlesbrough is horrendous partly due to the drunk and disorderly!

Currently in the area selling alcohol..

Tesco express Longlands rd

Longlands convenience store

The corner shop

Longlands low cost store

Marton rd convenience store

Bellevue go local

Tesco express Marton rd

All the above are in a approximately 3-5 mile radius from dart foods.

Kind regards

Satvir Singh

(Resident of Longlands)
