

APPENDIX 3

To whom it may concern

It has recently come to my attention that Dart Food Group LTD, on 1 Lansdowne Road, Middlesbrough has applied for a sale of alcohol licence.

I wish to object on the grounds that there are already too many licensees in the area with their being Tesco Express, Longlands Convenience Store and Low cost Convenience store all within a walking distance from each other.

I feel this may create issues such as anti-social behavior, and the increase consumption of alcohol with the locals in the area, for this reason I feel Dart Foods Group LTD would be unsuitable for this license
