<b>Description:</b>	<p><a href="#">Key aims, objectives and activities</a></p> <p>By law, the Council has to agree a balanced budget annually. The purpose of this Impact Assessment is to assess the cumulative impact of the 2022/23 budget proposals. The Public Sector Equality Duty (PSED) places a statutory duty on the Council to ensure that identified where decisions would impact disproportionately adversely on groups that share a protected characteristic under UK law. The protected characteristics are: age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. To ensure compliance with the PSED the Council has to identify what the impact of proposals will be. Where there is a risk that they will have a disproportionate adverse impact, consideration must be given to steps needed to avoid or mitigate that impact. Mitigation will include steps to take account of the different needs of groups and may result in adjustments to meet their needs. Where decisions cannot be fully mitigated or avoided, they must be justified. The proposals for the 2022/23 budget have been developed which protect frontline services and the town's most vulnerable groups as far as possible. No proposed savings were identified.</p> <p>As no additional budget savings were proposed for 2022/23, the budget consultation was therefore only regarding the proposed budget and Council Tax increase for 2022/23.</p>			

	<p>A general consultation email address was launched along with a consultation section on the Council’s website, and a social media campaign to encourage engagement in the consultation which covered both the proposed budget increase and sought views of residents on the annual let’s talk survey.</p> <p>This resulted in receipt of 488 responses through the online consultation survey. In relation to impacts on those with protected characteristics as described previously, there were no concerns that the proposed approach to result in a disproportionate adverse impact on groups or individuals.</p> <p><a href="#">Statutory drivers (set out exact reference)</a>  A number of statutory duties, guidance, legislation and regulations are relevant to this proposal which will be considered, these include but are not limited to:</p> <ul style="list-style-type: none"> <li>• Budget setting - Local Government Act 1972</li> <li>• Impact Assessment process – Equality Act 2010.</li> </ul> <p><a href="#">Differences from any previous approach</a>  The budget sets out a range of changes to services and functions as a result of financial pressures on the Council. These are outlined in the main body of the report.</p> <p><a href="#">Key stakeholders and intended beneficiaries (internal and external)</a>  All residents of Middlesbrough and customers of MBC. Some proposals also impact on staff.</p> <p><a href="#">Intended outcomes.</a>  To present a budget to Council that has given full consideration to the impact of proposals and gives proper consideration to the Council's equality duties.</p>
