## 3. Definitions

**“Sponsor” or “sponsors”** refers to an individual, group or organisation who has been approved to accommodate an individual or household from Ukraine under the “Homes for Ukraine” sponsorship scheme.

**“Guest” or “guests”** refers to an individual or household previously resident in Ukraine, prior to 1 January 2022, who have secured a visa under the “Homes for Ukraine” scheme, which enables them to be housed by a sponsor.

4. The Homes for Ukraine scheme was launched on 14 March 2022 by the Secretary of State for Levelling Up, Housing and Communities.
5. The number of people who can access this scheme is uncapped and is dependent on the capacity of the sponsors who come forward.
6. Guests will be able to live and work in the UK for up to three years and access benefits, healthcare, employment, and other support.
7. The sponsor eligibility criteria set out that they must be in the UK, can be of any nationality, with any immigration status, provided they have at least six months’ leave to remain within the UK and pass the background checks. They can live in any part of the UK. Sponsors are asked to provide accommodation for a minimum of six months. Sponsors can also receive an optional ‘thank you’ payment of £350 per month for up to the first 12 months of sponsorship. This payment is limited to one monthly payment per residential address, regardless of the number of individuals sponsored. Payments will stop when the sponsorship ends.
8. Sponsors should not charge rent. They will not be expected to cover the costs of food and living expenses, although they may wish to offer this, especially in early weeks while guests are finding their feet in the UK.
9. The Home Office will carry out background criminal record checks on guests coming to the UK prior to leaving the Ukraine and Local Authorities will carry out DBS checks and housing checks on sponsors wanting to host a guest.
