| Receiving details of internal audit and counter fraud work completed will help the Committee perform its role. Internal audit and counter fraud work contributes towards achieving the Council’s priorities by identifying potential issues which may obstruct that achievement. | Internal Audit assists management in delivering their priorities by working to an annual programme of work that includes assignments linked to corporate risks and priorities, and which seeks to add value by assessing the quality of controls, ensure value for money and achieve better outcomes for local people. | Delivering balanced budgets, maintaining front line services, and addressing budget shortfalls are priorities for the Council. Ensuring appropriate controls are in place and preventing fraud from occurring and recovering loss helps the Council achieve these aims. |
