Purpose

1. This report advises OSB of corporate performance at the end of Quarter Two 2022/23.

Background and relevant information

2. The Council's Scheme of Delegation gives the Overview and Scrutiny Board collective responsibility for the overview and scrutiny of corporate strategic performance.
3. This report provides the necessary information to enable the Overview and Scrutiny Board to discharge its performance monitoring responsibilities, setting out progress against Executive action, the Strategic Plan and other key associated items, together with actions to be taken to address any issues identified.
4. The projected 2022/23 financial outturns are presented separately to this meeting of Overview and Scrutiny Board, and so not repeated here. Where performance has had a significant impact on finances this is highlighted within the body of the report.
5. As part of continuous improvement in performance and risk management, the Council's Leadership Management Team (LMT) has implemented monthly reviews of corporate performance utilising a Directorate Performance dashboard, drawing data from a range of performance systems.
6. The output from these sessions is reflected through quarterly updates to the Executive and Overview and Scrutiny Board and covering in addition, progress in delivering actions agreed by the Executive, key Directorate performance issues and other performance-related matters.

Overall progress at Quarter Two

7. The Council's performance overall at Quarter Two saw a slight dip in performance, with progress towards expected performance standards as set out in the Council's risk appetite, achieved in three out of five performance disciplines.
8. Significant work has taken place to address the projected 2022/23 overspend position and to provide for a balanced budget in 2023/24. The outcome of this work will likely impact on some of the current Strategic Plan workplan initiatives, previously approved by Executive and has a result, impacted on performance monitoring outcomes in Quarter Two 2022/23, as referenced in paragraph 21 of this report and detailed in Appendix 2.

Progress in delivering Executive actions

9. Actions agreed by the Executive to deliver approved decisions are tracked by LMT, monthly. If, subsequent to the Executive's approval, any action is found to be no longer feasible or appropriate, or cannot be delivered within the approved timescales, this report will be used to advise the Executive of this and seek approval of alternative actions or amended timescales.
10. At the end of Quarter Two 2022/23, 80 of 97 live actions (82%) were reported as on target to be delivered by the agreed timescales, worsened from the reported position at Quarter One and below the 90% standard of achievement of actions.

11. With no amendments for Executive approval proposed, it is assumed that overall, Executive actions will be achieved within their approved timescales.

Progress in delivering the Strategic Plan 2022-24

- 12. At the 23 February 2022 meeting, Council was advised that an annual refresh for the Strategic Plan 2021-24 would not be brought forward and that as such the Strategic Plan would remain in place for 2022/23, to ensure that the Council has sufficient time to consider implications of national and potential forthcoming local changes on its strategic direction.
- 13. At a meeting of the Executive on 5 April 2022, the refreshed Strategic Plan workplan for the 2022-24 period and Directorate Priorities for 2022/23 was approved, which combined provide a cohesive approach to the delivery of key priority activities across Council services.
- 14. Progress continues to be monitored via detailed milestone plans, adhering to the corporate programme and project management framework, where applicable. Progress will continue to be reported to all senior managers and Members as part of the quarterly corporate performance results reports presented to Executive and Overview and Scrutiny Board.
- 15. The Strategic Plan for 2022-24, sets out nine strategic priorities for this period which are supported by an associated set of outcome measures and a workplan, which will see delivery of sustained improvement, up to and beyond 2024.

Outcomes

- 16. The Strategic Plan measures are the outcomes expected from successful delivery of the Strategic Plan workplan and initiatives. As the Strategic Plan workplan was refreshed for 2022-24 in isolation to the existing Strategic Plan outcome measures, there is a diluted relationship between progress against delivery and outcome measures.
- 17. This will be addressed in the next annual refresh of the Strategic Plan to ensure demonstrable impact and effective reporting against Strategic Plan outcomes measures.
- 18. On that basis, reporting of Strategic Plan 2022-24 outcome measures will be deferred to the Year End 2022/23 Corporate Performance Update.

Workplan

19. At Quarter Two 2022/23, performance against the Strategic Plan workplan was as set out below, exceeding the corporate target of 90% with 98.4% (62 of 63) of initiatives on track.

Status	Q2 2022/23 position	Q1 2022/23 position	Expected standard	Standard achieved	Trend
COMPLETED	1.6%	0%	90%	Yes	

GREEN	96.8%	100%			↓
AMBER	0%	0%	N/A	N/A	N/A
RED	1.6%	0%	N/A	N/A	↓

20. The Red / off-track workplan initiative (*PEN05: Neighbourhood and town wide front garden competitions*) reported at the end of Quarter Two, will see a change control request for Executive approval, submitted in the Quarter Three corporate performance report.

21. Delivery of the Strategic Plan workplan will be further impacted following approval of the Financial Recovery Plan 2022/23 at a meeting of the Executive on 18 October 2022. The report details in-year savings proposals to address the forecasted overspend for 2022/23 of approximately £9m - as reported in the Quarter One outturn position. The effect of the in-year Recovery Plan on the Strategic Plan workplan is categorised by impacted, delayed and / or removed workplan activities, as outlined in Appendix 2 of this report.

Strategic Risk Register

22. The Council's strategic risks are:

- Failure to achieve a balanced budget
- Failure to comply with the law
- Failure to achieve good governance
- Failure to deliver the Strategic Plan and Directorate Plans
- Failure of partnership agreements.

23. All individual organisational risks are aligned to one of the above categories, with work ongoing to refine their content, which should see a reduction in the volume of risks. The heat maps below demonstrate the number of risks that contribute to those overall strategic risks.

24. Corporate performance reports advise on trend information and reasons for changes to those heat map positions, providing an overview of risk movement within the organisation and the narrative / context for such movement.

25. Appendix 3 sets out the movement of risks, split by risk category alongside a Quarter One comparison.

26. During Quarter Two rationalisation of risks continued, with risks meeting target and / or completed, removed from the register. It is anticipated that there will be a further rationalisation of risks during Quarter three. Significant changes to risk during Quarter Two to note, are as follows:

- The likelihood of Middlesbrough being disproportionately affected by low economic growth was increased in response to rising inflation and cost of living concerns.
- Risks around the Centre Square development was reduced further, following successful delivery of occupancy targets.
- The likelihood of the risk that there will be insufficient school places for Year 7 pupils in 2023/24 and 2024/25 has increased in likelihood following a Department

for Education decision to delay the expected completion date of the new secondary school to 2025.

Progress in delivering Directorate Priorities 2022/23

27. Each year, Directorates set and are accountable for a set of Directorate-specific actions to ensure ongoing compliance with legal duties and best practice and that business change is well managed. Directorate Priorities for 2022/23 are set out at Appendix 3.

28. At Quarter Two 2022/23, 91% (89 of 98) of Directorate Priorities are on-track or completed; above the expected standard of 90% though with a slight dip against reported position at Quarter One.

Status	Q2 2022/23 position	Q1 2022/23 position	Expected standard	Standard achieved	Trend

At Quarter Two 2022/23, 91% (28 out of 31) of the programmes / projects were on-track to deliver against project time, cost, scope and benefits, remaining above the expected combined standard of 90%.

GREEN	81%	77%			
AMBER	10%	20%	N/A	N/A	↑
RED	10%	3%	N/A	N/A	↓

Progress in other corporate performance matters

30. In addition to the above performance and risk issues, LMT reviews a range of other performance measures on a monthly basis, including compliance with agreed actions from internal audits, responsiveness to statutory information requests, information security incidents and complaints.
