Dear Sirs

This letter of representations is provided in connection with your audit of the financial statements of Middlesbrough Council ("the Council") for the year ended 31 March 2021. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements give a true and fair view of the financial position of Middlesbrough Council as of 31 March 2021 and of its income and expenditure for the year then ended in accordance with CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 (as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets (November 2022)).

We understand that the purpose of your audit of our financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 (as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets (November 2022)).

We have approved the financial statements.

3. The significant accounting policies adopted in the preparation of the financial statements are appropriately described in the financial statements.
4. As members of management of the Council, we believe that the Council has a system of internal controls adequate to enable the preparation of accurate financial statements in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 (as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets (November 2022)), that are free from material misstatement, whether due to fraud or error. We have disclosed to you any significant changes in our processes, controls, policies and procedures that we have made to address the effects of the Covid-19 pandemic on our system of internal controls.
5. We believe that the effects of any unadjusted audit differences, summarised in the accompanying schedule, accumulated by you during the current audit and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. We have not corrected these differences identified by and brought to the attention from the auditor due to either their size, nature and/or the potential reinstatement work involved.
6. We confirm the Council does not have securities (debt or equity) listed on a recognised exchange.
