Middlesbrough Council's Corporate Parenting Strategy

Middlesbrough's Corporate Parenting strategy sets out our vision and action for supporting children & young people in our care. Our strategy is one important element of Children's Services wider Improvement Plan for our whole- system of support for children and young people in Middlesbrough. We are doing some things well, but we still need to do more to improve our support for children and young people in our care. The views and ideas of our staff, our partners and local people are critical to ensuring we have a strong and effective strategy in place. We're proud to say that our children and young people are making a significant contribution to making our strategy work.

The development of our Corporate Parenting strategy has included a programme of work to capture the most up-to-date voices, views and ideas of our children and young people. As well as influencing the content of our strategy, children and young people have shaped our decisions about how we will deliver our Corporate Parenting responsibilities.

We have six guiding principles:

Your home

Your family and friends

Your Education

Your voice and influence
