<p>Equality</p> <p>Could the decision result in adverse differential impacts on groups or individuals with characteristics protected in UK equality law? Could the decision impact differently on other commonly disadvantaged groups?*</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<p>The Public Sector Equality Duty (PSED) requires that when exercising its functions the Councils must have due regard to the need to:-</p> <ul style="list-style-type: none"> eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act; advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; and foster good relations between persons who share a relevant protected characteristic and persons who do not share it. <p>In having due regard to the need to advance equality of opportunity, the Council must consider, as part of a single equality duty:</p> <ul style="list-style-type: none"> removing or minimising disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic; taking steps to meet the needs of persons who share a relevant protected characteristic that are different from the needs of people who do not share it; and; encouraging people who share a protected characteristic to participate in public life or in any other activity in which participation is low.

<p>Community cohesion Could the decision impact negatively on relationships between different groups, communities of interest or neighbourhoods within the town?*</p>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<p>Although some of the projects within this programme could divide opinion, there is no evidence to suggest that this will impact negatively upon relationships between different community groups. The Council has a duty to consult proposals with the community, and will do so in order to gauge community opinions prior to commencing with proposals derived from this programme. It is therefore not considered that this will have a negative impact upon community cohesion. This programme will help to maintain sustainable access routes to communities and safe road networks.</p> <p>The Council proposes to undertake consultation with the community prior to commencing projects, which will identify any potential issues that will need to be addressed.</p>
