Governance Policy and Compliance Statement 2024

Governance Policy and Compliance Statement— Administering Authority

Middlesbrough Council ('the Council') is the Administering Authority of the Teesside Pension Fund ('the Fund') and administers the Local Government Pension Scheme on behalf of participating employers.

Regulation 55 of the Local Government Pension Scheme Regulations 2013 requires Local Government Pension Scheme (LGPS) Administering Authorities to publish Governance Compliance Statements setting out information relating to how the Administering Authority delegates its functions under those regulations and whether it complies with guidance given by the Secretary of State. It also requires the Authority to keep the statement under review and to make revisions as appropriate and where such revisions are made to publish a revised statement.

Aims and Objectives

The Council recognises the significance of its role as Administering Authority to the Fund on behalf of its stakeholders which include:

- Over 80,000 current and former members of the Fund, and their dependants
- Over 140 employers within the Fund
- Local taxpayers within the council areas participating in the Teesside Pension Fund and taxpayers nationally who contribute to funding some of the major Fund employers.

In relation to the governance of the Fund, our objectives are to ensure that:

- All staff and Pension Fund Committee Members charged with the financial administration and decision-making with regard to the Fund are fully equipped with the knowledge and skills to discharge the duties and responsibilities allocated to them.
- All Teesside Pension Board Members have the necessary knowledge and understanding required for them to carry out their (oversight and assistance) role.
- The Fund is aware that good governance means an organisation is open in its dealings and readily provides information to interested parties.
- All relevant legislation is understood and complied with.
- The Fund aims to be at the forefront of best practice for LGPS funds.
- The Fund manages Conflicts of Interest appropriately.

Structure

The Constitution of the Council sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and that those who made the decisions are accountable to local people. The framework under which the Pension Fund is administered is described below.

Pension Fund Committee

The Pension Fund Committee's principal aim is to carry out the functions of the Council as the Scheme Manager and Administering Authority for the Fund in accordance with Local Government Pension Scheme and any other relevant legislation.

In its role as the administering authority, the Council owes fiduciary duties to the employers and members of the Teesside Pension Fund and must not compromise this with its own particular interests. Consequently, this fiduciary duty is a responsibility of the Pension Fund Committee, and its members must not compromise this with their own individual interests.

The Committee's specific roles as outlined in the Council's Constitution are shown in Appendix B. No matters relating to the Council's responsibilities as an employer participating within the Fund are delegated to the Pension Fund Committee.

The Pension Fund Committee is composed of 15 members as outlined below:

- Nine Councillors of Middlesbrough Council, determined by the Council.
- One Councillor from each of Hartlepool Borough Council, Stockton Borough Council and Redcar & Cleveland Borough Council.
- One representative of the other Scheme Employers in the Teesside Pension Fund appointed in accordance with procedures agreed by the Chief Finance Officer and Monitoring Officer.
- Two representatives of the scheme members of the Teesside Pension Fund, appointed in accordance with procedures agreed by the Chief Finance Officer and Monitoring Officer.

Named substitutes are permitted providing they satisfy the knowledge and skills policy of the Fund.

Voting rights are held by all members including the scheme member representatives other than where any are employees of Middlesbrough Council.

The Fund is aware that good governance means an organisation is open in its dealings and readily provides information to interested parties; meetings are open to members of the public who are welcome to attend. However, there may be occasions when members of the public are excluded from meetings when it is likely in view of the nature of the business to be transacted or the nature of the proceedings that confidential information would be disclosed.

Officers

Under the Council's Constitution the Chief Finance Officer has an overarching responsibility for "ensuring lawfulness and financial prudence of decision making" and is "responsible for the administration of the Council's financial affairs". This includes the Council's role as Administering Authority for the Teesside Pension Fund.

In other words, the Chief Finance Officer has a statutory responsibility for the proper financial administration of the Teesside Pension Fund, in addition to that of Middlesbrough Council.

Border To Coast Pensions Partnership (Asset Pooling)

At its meeting on the 15th February 2017, Middlesbrough Council approved its participation, acting as the Administering Authority for the Teesside Pension Fund, in the Border to Coast Pensions Partnership ("Border to Coast") asset pooling arrangement as the Council's approach to pooling the Fund's assets to satisfy the Government's requirements to pool assets with the goal of reducing investment related costs. At the same meeting, the Council also agreed to create Border to Coast Pensions Partnership Limited, an Authorised Contractual Scheme Operator to provide the required services for the (at that time) twelve Partner Funds in Border to Coast.

The following are responsibilities delegated by the Council relating to its participation in Border to Coast. These are in addition to those mentioned in part (f) of the Teesside Pension Fund Committee responsibilities as outlined in Appendix B.

- The Mayor (or whomever he decides to nominate) is the nominated person to exercise the Council's rights as a shareholder in Border to Coast Pensions Partnership Limited and be its representative at shareholder meetings, on behalf of the Teesside Pension Fund. The responsibilities are as set out in the Shareholders Agreement, Articles, Inter Authority Agreement and any other agreements entered into and include, but are not limited to the areas outlined in Appendix C.
- The Chairman (or Vice Chairman in their absence) of the Teesside Pension Fund Committee is the nominated representative of the Council on behalf of Teesside Pension Fund on the Border to Coast Pension Partnership Joint Committee, noting that the Joint Committee shall not making binding decisions on the matters in the Terms of Reference but may make recommendations to each Authority to individually determine.
- The Chief Finance Officer is:
 - The nominated officer to meet and resolve any Deadlock Situation as per Clause 10 of the Shareholder Agreement.
 - The nominated officer to consider and resolve any Dispute as per Clause 13 of the Inter Authority Agreement.

Pension Board

With effect from 1 April 2015, each Administering Authority was required to establish a local Pension Board to assist them with

- securing compliance with the LGPS Regulations and any other legislation relating to the governance and administration of the Scheme, and requirements imposed in relation to the LGPS by the Pensions Regulator
- ensuring the effective and efficient governance and administration of the Pension Fund

Such Pension Boards are not local authority committees - as such the Constitution of Middlesbrough Council does not apply to the Pension Board unless it is expressly referred to in the Board's terms of reference. The Teesside Pension Board was established by Middlesbrough Council on 1st April 2015 and the full terms of reference of the Board can be found on the [Council's website at this link](#). The key points are summarised below.

Role of the Pension Board

The Pension Board is providing oversight of the matters set out above and, accordingly, the Pension Board is not a decision-making body in relation to the management of the Fund but instead makes recommendations to assist in such management. The Fund's management powers and responsibilities which have been, and may be, delegated by the Council to committees, sub-committees and officers of the Council, remain solely the powers and responsibilities of those committees, sub-committees and officers including but not limited to the setting and delivery of the Fund's strategies, the allocation of the Fund's assets and the appointment of contractors, advisors and investment managers.

Membership of the Pension Board

The Board consists of six voting members, which includes three Employer Representatives and three Scheme Member Representatives.

Meetings

The Pension Board must meet at least twice a year in the ordinary course of business and additional meetings may be arranged as required to facilitate its work. In practice, the Pension Board has typically met four times a year.

The Pension Board is administered in the same way as a Committee of the Council and, as such, members of the public may attend and papers will be made public in the same way as described above for the Pension Fund Committee.

Policy Documents

There are a number of documents, other than this and the Constitution as previously described, which are relevant to the Governance and management of the Pension Fund. Brief details of these are listed below and the full copies of all documents can either be found on the Teesside Pension Fund Website <https://www.teespen.org.uk/> or by writing to the address given at the end of this document.

Governance Compliance Statement

This sets out the Pension Fund's compliance with the Secretary of State's Statutory Guidance on Governance in the LGPS. This is attached as Appendix A and shows where the Fund is compliant or not compliant with best practice and (if applicable) any reasons why it may not be fully compliant.

Funding Strategy Statement

The Funding Strategy Statement forms part of the framework for the funding and management of the Fund. It sets out how the Fund calculates contribution rates and how money will be collected from employers to meet the Fund's obligations. The Funding Strategy Statement (FSS) is drawn up by the Administering Authority in collaboration with the Fund's actuary and after consultation with the Fund's employers. The FSS forms part of a broader framework which covers the Fund and applies to all employers participating in the Fund. The FSS represents a summary of the Fund's approach to funding the liabilities of the Fund.

Investment Strategy Statement

The Local Government Pension Scheme (Management and Investment of Funds) (Amendment) Regulations 2016 require pension fund administering authorities to prepare, maintain and publish a statement of the principles governing their decisions on the investment of the pension fund.

The main areas covered in the Investment Strategy Statement (ISS) are as follows:

- a requirement to invest Fund money in a wide variety of investments;
- an assessment of the suitability of particular investments and types of investments;
- the approach to risk, including the ways in which risks are to be assessed and managed;
- the approach to pooling investments, including the use of collective investment vehicles and shared services;
- the policy on how social, environmental and corporate governance considerations are taken into account in the selection, non-selection, retention and realisation of investments; and
- the policy on the exercise of the rights (including voting rights) attaching to investments.

The ISS also sets out the maximum percentage of the total value of all investments of Fund money that will be invested in particular investments or classes of investment.

The ISS does not permit more than 5% of the total value of all investments of fund money to be invested in entities which are connected with the Council within the meaning of section 212 of the Local Government and Public Involvement in Health Act 2007.

The Council must consult such persons as it considers appropriate as to the proposed contents of its investment strategy, these persons are (typically) the Committee, including officers and advisors, and the Fund employers.

The Council must review and if necessary revise its investment strategy from time to time, and at least every 3 years, and publish a statement of any revisions.

The Council must invest, in accordance with its investment strategy, any Fund money that is not needed immediately to make payments from the Fund.

Training Policy

Middlesbrough Council has a Training Policy which has been put in place to assist the Fund in achieving its governance objectives and all Pension Fund Committee members, Pension Board members and senior officers are expected to continually demonstrate their own personal commitment to training and to ensuring that the objectives within that Training Policy are met.

To assist in achieving these objectives, the Teesside Pension Fund aims to comply with:

- the CIPFA Knowledge and Skills Frameworks and
- the knowledge and skills elements of the Public Service Pensions Act 2013 and the Pensions Regulator's (TPR) Code of Practice for Public Service Schemes

as well as any other LGPS specific guidance relating to the knowledge and skills of Pensions Fund Committee members, Pension Board members or pension fund officers which may be issued from time to time.

Members of the Pension Fund Committee, Pension Board and officers involved in the management of the Fund will receive training to ensure that they meet the aims of the Training Policy with training schedules drawn up and reviewed on at least an annual basis.

Conflicts of Interest Policy

Conflicts of interest have always existed for those with LGPS administering authority responsibilities as well as for advisers to LGPS funds. This simply reflects the fact that many of those managing or advising LGPS funds will have a variety of other roles and responsibilities, for example as a member of the scheme, as an elected member of an employer participating in the LGPS or as an adviser to more than one LGPS administering authority. Further any of those persons may have an individual personal, business or other interest which might conflict, or be perceived to conflict, with their role managing or advising LGPS funds.

It is generally accepted that LGPS administering authorities have both fiduciary and public law duties to act in the best interest of both the scheme beneficiaries and participating employers. This, however, does not preclude those involved in the management of the Fund from having other roles or responsibilities which may result in an actual or potential conflict of interest. Accordingly, it is good practice to document within a policy how any such conflicts or potential conflicts are to be managed.

Teesside Pension Fund's Conflict of Interest Policy details how actual and potential conflicts of interest are identified and managed by those involved in the management and governance of the Fund whether directly or in an advisory capacity. The Policy is established to guide the Pension Fund Committee members, Pension Board members, officers and advisers. It aims to ensure that those individuals do not act improperly or create a perception that they may have acted improperly. It is an aid to good governance, encouraging transparency and minimising the risk of any matter prejudicing decision making or management of the Fund otherwise.

Annual Report and Accounts

As part of the financial standing orders it is the duty of the Chief Financial Officer to ensure that record keeping and accounts are maintained by the Pension Fund. The Pension Fund accounts are produced in accordance with the accounting recommendations of the Financial Reports of Pension Schemes - Statement of Recommended Practice. The financial statements summarise the transactions of the Scheme and deal with the net assets of the Scheme. The statement of accounts is reviewed by both the Pension Fund Committee and the Audit Committee and incorporated in the Statement of Accounts for the Council. The Annual Report provides additional information about the Fund to supplement the financial information within the accounts. Full copies of the Annual Report and Accounts are distributed to employers in the Fund and other interested parties and a copy placed on the Council's website: [Annual report and statement of accounts | Middlesbrough Council](#)

Risk Management Policy

The Risk Management Policy details the risk management strategy for the Fund, including:

- the risk philosophy for the management of the Fund, and in particular attitudes to, and appetite for, risk
- how risk management is implemented
- risk management responsibilities
- the procedures that are adopted in the Fund's risk management process
- the key internal controls operated by the Administering Authority and other parties responsible for the management of the Fund.

The Administering Authority adopts best practice risk management, which supports a structured and focused approach to managing risks, and ensures risk management is an integral part in the governance of the Fund at a strategic and operational level.

Procedures for Reporting Breaches of the Law

This document sets out the procedures to be followed by certain persons involved with the Teesside Pension Fund, in relation to reporting breaches of the law to the Pensions Regulator.

Middlesbrough Council, as Administering Authority, has delegated responsibility for the implementation of these procedures to the Head of Pensions Governance and Investments.

Breaches can occur in relation to a wide variety of the tasks normally associated with the administrative function of a scheme such as keeping records, internal controls, calculating benefits and making investment or investment-related decisions.

The Procedure document applies, in the main, to:

- all members of the Pension Fund Committee and the Local Pension Board
- all senior officers involved in the management of the Fund including the Chief Finance Officer, Monitoring Officer and Head of Pensions Governance and Investments and their teams.
- any professional advisers and third party suppliers including auditors, actuaries, independent advisers, third party administrators, legal advisers and fund managers
- officers of employers participating in the Fund who are responsible for pension matters.

Communication Policy

This document sets out the communications policy of the administering authority and sets out the strategy for ensuring that all interested parties are kept informed of developments in the Fund. This helps to ensure transparency as well as an effective communication process for all interested parties, with a particular focus on engagement with scheme members and employers of the Fund.

Pension Administration Strategy and Employer Guide

In order to assist with the management and efficient running of the Pension Fund, the Pension Administration Strategy encompassing administrative procedures and

responsibilities for the Fund for both the Administering Authority and Employing Authorities has been made available to employers within the Fund, having been developed following consultation. This represents part of the process for ensuring the ongoing efficient management of the Fund and maintenance of accurate data and is integral to the effective management of the Fund and the payment of benefits to scheme members.

Discretions Policies

Under the LGPS regulations, the Council, as the Administering Authority of the Fund, has a level of discretion in relation to a number of areas of policy. The Administering Authority reviews these policies as appropriate and will notify interested parties of any significant changes. Employing Authorities are also required to set out their discretions policies in respect of areas under the Regulations where they have a discretionary power.

Monitoring Governance of the Teesside Pension Fund

The Fund's governance objectives will be monitored as follows:

- Changes in Pension Fund Committee membership, Pension Board membership and/or key officers resulting in loss of continuity and potentially diminishing knowledge and understanding.
- Changes in government/legislative requirements meaning insufficient time allocated to ongoing management, either at Pension Fund Committee meetings or as part of key officers' duties.
- Ineffective delegation of duties and/or presentation of Pension Fund Committee items resulting in insufficient time spent on key matters.
