24/68 **ANNOUNCEMENTS/COMMUNICATIONS**

On behalf of Middlesbrough Council, the Vice Chair welcomed newly elected Councillor – Councillor Tom Mohan (Hemlington Ward) to his first meeting.

24/69 **QUESTIONS FROM MEMBERS OF THE PUBLIC (IF ANY).**

The Vice Chair read out Question 1/24 submitted by Steven James, who was not in attendance.

The Mayor responded stating that he had not pledged to freeze council tax. The expectation was that in future years there would be a multi-year settlement from the Government which would provide more clarity on funding. In this first year of the new Labour Government it was anticipated that there would be an immediate fix for those Councils most in distress, which would hopefully include Middlesbrough. The Mayor was confident that next year's proposed Council budget would deliver what residents wanted, and included a ten percent increase in area care and more for culture and events. Whilst a Council Tax increase was proposed, there would also be increased investment in front line services.

24/70 **TEES VALLEY COMBINED AUTHORITY (TVCA) - UPDATE**

The Mayor provided an update on the Tees Valley Combined Authority. There had been no movement on the transfer of assets. However the Council had been discussing individual projects with the TVCA and Middlesbrough Development Corporation (MDC). If there was a business case for an individual asset to be transferred or sold for value, decisions would be made on a case by case basis. Councillor Furness had attended the latest MDC meeting as substitute for the Mayor. The proposed hotel which would be built on land at Gresham was discussed and it was anticipated the project would move forward once land ownership issues were resolved. The next TVCA Cabinet meeting would take place in December and the Mayor would bring a further update in January 2025.

The Chair requested that Members note the Mayor's update on the TVCA.

ORDERED that the Mayor's TVCA updated was noted.

24/71

MAYOR'S STATEMENT AND REPORT

The Budget consultation process would start on 4 December 2024. This would be the start of the reset for the Council. The proposed figure for Adults and Children's services would be 79% of the budget rather than the previous 83%. This would allow the Council to reset priorities and invest funding into front line services including area care and youth provision. The Mayor was hoping for cross party support for the budget and invited any Member or Group who wished to do so, to meet with him to discuss the proposals.

The Mayor thanked all Members who had been involved in the recent appointments of the new Chief Executive and Director of Finance and acknowledged the time and effort that had gone into the process. The Mayor also thanked Councillor Jackson for standing in for the Chair of the Chief Officer Appointments Committee to present the report later in the agenda and hoped that all Members would support the recommendations. Good wishes were sent to Councillor Thompson for her recuperation.

Councillor McClintock raised an issue in relation to Linthorpe Community Centre which was currently facing closure. The Mayor agreed that the situation with Linthorpe Community Centre needed to be reviewed and the Deputy Mayor was currently investigating. The Mayor invited Councillor McClintock to meet with him, the Deputy Mayor and the Ward Councillor for Linthorpe to discuss the matter further. The Mayor also commented that it was timely to reassess and take stock of what the Council should be delivering to enable communities and ensure that lease terms on property were fair and equitable for all parties.

Councillor Smiles expressed her disappointment that the Eton College project had been paused by the Education Secretary and asked the Mayor for his thoughts on the current situation. The Mayor stated that if the project was to be paused he hoped that Middlesbrough would still receive the funding and produce a bid to rival the Eton College project. Middlesbrough College had already expressed interest in proposals to upskill students and offer equally good levels of education without having that resource drain or losing staff to other areas. The Mayor commented that when he took up his current role he contacted the Department for Education in relation to the promised new secondary school in Middlesbrough that had still not been built. This was the priority for Middlesbrough and the secondary school was required as a matter of urgency. The Mayor further commented that he did not believe the Eton College project had been at the point of being able to deliver, for several reasons, when it was paused.

Councillor Kabuye welcomed additional funding for youth provision and asked the Mayor if this would continue.

Subject to approval of the Budget, the Mayor stated that there would be additional funding of £100,000 for the Universal Youth Contract and confirmed that this funding would be ongoing. In addition, in the current year, £150,000 had been re-allocated from funding received from the Ministry of Housing, Communities and Local Government to help with community cohesion and specifically target young people and projects in schools.

The Chair requested that Members note the Mayor's statement.

ORDERED that the Mayor's statement was noted.

EXECUTIVE MEMBER REPORTS

The Vice Chair informed Council that although the Deputy Mayor and Executive Member for Education and Culture had submitted apologies for tonight's meeting, Cllr Storey had asked her to share the fantastic news that Year 5 pupils at Kader Academy had won 1st and 2nd place in the National Times Table Rockstar Competition. This information was received after the agenda publication for this meeting therefore it was not included in the Executive Member's report. On behalf of Council, the Vice Chair expressed congratulations to all involved at Kader Academy on this brilliant achievement.

Questions in relation to the Report of the Executive Member for Environment and Sustainability.

Councillor Clynych in relation to progress on flood prevention.

The Executive Member stated that despite the significant number of storm events in the last few years there had actually been a reduction in flooding occurring in many areas including Hall Drive, Newport Road and Mount Pleasant Way. Motion in support of #EqualPlay

Middlesbrough Council celebrates the incredible achievements of Team GB in the Olympic Games and Team GB in the Paralympic Games held in Paris during Summer 2024.

The world witnessed excellent sportspeople represent Great Britain and inspire generations at home and abroad. We recognise and welcome the role our national athletes play in inspiring non-disabled and disabled children in Middlesbrough. We pay tribute to the record-breaking success of Team GB in the Paralympics this year, who secured 49 gold medals, 44 silver medals, and 31 bronze medals.

Unfortunately, this success starkly contrasts with the inequality between non-disabled and disabled children when it comes to sports and physical education (PE) opportunities in UK schools. According to ParalympicsGB, 75% of disabled children in the UK say they do not take part in regular sport and exercise in school. This has to change.

Middlesbrough Council supports the #EqualPlay campaign and commits to providing equal play opportunities for children where possible and resolves to write to schools in the Borough of Middlesbrough encouraging them to support this campaign.

Councillor Clynych reserved his right to speak to the motion.
