1. Introduction

Middlesbrough Council (the "administering authority") is responsible for the local administration of the Fund, which is part of the Local Government Pension Scheme ("the LGPS"). Operationally, the administration of the Fund is partly outsourced to a third-party administrator (currently Tyne and Wear Pension Fund), and partly carried out by Council staff. The third-party administrator's staff and Council staff work together to provide a seamless service to scheme employers and members, and as such effective communication between the two organisations is vitally important.

This policy sets out the Fund's intentions regarding engagement with its stakeholders and has been produced to meet the requirements of the LGPS Regulations 2013.

Our communications are accurate and accessible as expected by the Pensions Regulator. We communicate to our stakeholders in an understandable and clear way with this in mind.
