**Subject:** Re Objection, Premises license for 136 Marton rd

Good morning,

Cllr Story, Cllr Uddin and myself would like to object to another Off license application, this time for 136 Marton rd. We are in a cumulative impact area, one of 5 in Middlesbrough. The Off licenses that we have, far exceed the amount for the area.

This premises boundary's St Johns gate, Marton rd and also Elder & Hazel court.

Residents have expressed their concerns regarding Anti-social behaviour, added noise and un wanted litter.

The applicant wants to sell alcohol from 7 am to 11pm 7 days per week which we find unacceptable. There's also no mention of ABV, alcohol by volume that will be on sale, this including Perry products etc.

Public health have many times expressed their concerns regarding the poor health of residents in Central ward. Central ward has poor health, high levels of crime, high levels of premature mortality, high unemployment, high levels of drug misuse, low education attainment and high levels of alcohol misuse.

These do not make for good reading.

As we are now in the middle of a Covid pandemic alcohol misuse has become a way of escapism for many, storing up trouble for them without realising.

Alcohol dependency effects all age groups whether direct or indirect, these are the reasons why we are objecting to this application. I myself have lived in the ward for 38 years and see first-hand what alcohol misuse can do to residents.

We 3 Councillors for one of the most deprived wards in Middlesbrough feel that another Off license is not wanted or needed and ask that the application be refused on the grounds of the 4 license objectives;

The protection of children from harm, the protection of crime and disorder, the protection of public nuisance and the protection of public safety.

Yours faithfully

Linda Lewis  
(Cllr and resident for Central ward)

Dear Sir/Madam

To whom it may concern, I am writing to object to the granting of alcohol licence at Go Local Convenience Store, 135 Marton Road, Middlesbrough, TS12ED. I believe if the license is granted it would have great effect on business nearby. I am one of those nearby business owners and my business is already struggling due to the pandemic and if the license is granted it could potentially cause me to close down my business.

I was very shocked after finding out that the council are considering this proposal as I recently read an article about the council rejecting plans for a convenience store at the Newcastle House pub in Berwick hill. The council declined the plans as they believed the store would affect nearby business at the Berwick Hill centre, please take this example into consideration and how this can affect nearby businesses such as mine. I also believe there will be issues with parking which cause traffic on the main road which is already very busy.

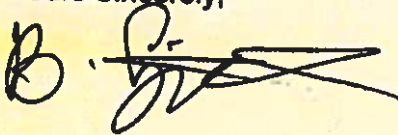

There is also problem with drugs and anti-social behaviour in this area and I believe having another store will increase this and cause disturbances for the nearby residences.

Please take into consideration all the points mentioned when making the decision and do think about the independent business that have been running in the area for many years and providing services for the local public during these difficult times.

Yours Sincerely,

Dear Sir/Madam

To whom it may concern we the residents of Marton Road and other nearby surroundings, we would like to object to the granting of Premises Licence for the sale of alcohol on 136 Marton Road, Middlesbrough, TS1 2ED.

The objection is based on concerns that this new license may increase anti-social behaviour, criminal damage, robbery and public order, these are to name a few of the problems. After carrying out some research we have gathered numbers for previous incidents that occurred between the month of January and December 2020 within half a mile of Marton Road, these are listed below. Data screen shot added to the letter.

- Anti – social behaviour - 592
- Criminal Damage - 204
- Robbery - 7
- Public order – 145

Screen shot of the data have been added to the letter.

The main worrying factor is increase in anti – social behaviour as you can see from the data above it is already a main concern in the area. Granting a license will increase the problem of youngsters drinking and causing nuisance to the residential area.

Granting the licence to this property will also increase traffic congestion as cars will be parked on the side of the road. Marton Road is one of the busiest roads in the area as it is, this will increase traffic.

Please take these points into consideration before granting the premises license.

It is my opinion that the application fails to adequately satisfy the following licensing objectives:

- |   |                                  |
|---|----------------------------------|
| x | Prevention of Crime and Disorder |
|   | Prevention of Public Nuisance    |
| x | Public Safety                    |
|   | Protection of Children from Harm |

Grounds for representation (including details of any previous representations)

**Evidence presented by Middlesbrough Council, Responsible Authority for Public Health, in relation to the application made by Miss Lisa Enderwick, the applicant and Premises Licence holder for premises situated at 136 Marton Road, Middlesbrough, under the Licensing Act 2003**

As the representative of the Responsible Authority for Public Health, I make this representation against this Premises Licence application on the grounds of Crime and Disorder and Public Safety.

The application made is for the grant of a new premises licence from 07:00 – 23:00 hours seven days a week for the supply of alcohol. Miss Lisa Enderwick, the proposed Premises Licence holder and Designated Premises Supervisor for the business, makes the application.

There are a number of concerns regarding the current application made to Middlesbrough Council's Licensing Authority and it is our opinion that the granting of these premises off licence will have a negative impact on the Crime and Disorder and Public Safety licensing objectives.

Middlesbrough has two Cumulative Impact Policies (CIP). CIP 1 covers on licensed premises in a designated area of Middlesbrough Town Centre. CIP 2 covers off licence premises across 5 ward areas including Central, Newport, North Ormesby, Park and Longlands and Beechwood.

In both CIP areas there are high proportions of alcohol related crimes, wholly attributable hospital admissions and crime and disorder incidents recorded. This, together with the high density of licence premises in both areas has evidenced the need for Cumulative Impact Policies.

These premises are situated in Central Ward, just outside of the boundary for the CIP 1 area (Town Centre). The premises sits within the CIP 2 policy area as the Central ward is covered in the off licence policy.

The Licensing Act 2003 states that where a Cumulative Impact Policy (CIP) is in place, there is usually a presumption that applications for new premises licences or variations to existing premises licenses will be refused. This is unless it can be demonstrated that the granting of the licence will not negatively impact further on the licensing objectives.

It is our opinion that the granting of this licence will negatively impact on the licensing objectives

Currently, there are 27 off licensed premises operating in the Central ward of Middlesbrough.

Allowing another alcohol premises to operate between the hours of 7am – 11pm daily makes alcohol more readily available and will not only exacerbate some of the alcohol related issues already experienced in Middlesbrough but will also add unnecessary pressures to our emergency services including NHS Accident and Emergency departments, ambulance services and Police.

Throughout 2020, there has been an alarming rise in the numbers of people choosing to drink at home during the Covid-19 pandemic, which is having a knock-on effect on individuals, families and services.

The latest research shows that people are likely to be drinking more and at levels that can harm health because of pressures and anxiety brought on by the Covid-19 pandemic including impacts on employment, finances and the health of loved ones.

On Thursday 25 February 2021 and due to a number of concerns that were not addressed by the applicant in Part M of the application, a meeting was held. Mr Lester, a licensing consultant from D&B licensing was present to act on behalf of the applicant and her business partner, Mr Ishaq. Representatives from the Council's Licensing and Public Health Authority and Cleveland Police were also present

During the meeting, Mr Lester advised of the applicant's intentions to operate a local convenience store, serving local residents by offering groceries and other items including alcohol from the premises. During the meeting the following information was provided:

- Miss Enderwick is aware of the local issues and existing problems in the area and had received information from her licensing consultant around the Council's off licence Cumulative Impact Policy that covers 5 ward areas of Middlesbrough.
- She has limited experience of being in control and working in licensed premises however advised that a PLH and DPS of a nearby Go Local store will act as a mentor, advising and guiding Miss Enderwick in her duties.
- Miss Enderwick is yet to complete a personal licence holder's course and acknowledged that her licensing knowledge was limited.
- Miss Enderwick and Mr Ishaq are joint business partners of a local printing company that is also situated on Marton Road (same building). The printing business has operated for the past 20 years, originally situated in Linthorpe Road prior to moving to Marton Road in 2020.
- There will be three full time members of staff and four part time members of staff working alongside Miss Enderwick.
- There is a willingness to work with the Responsible Authorities and to consider any conditions suggested to her that will assist in the promotion of the licensing objectives including a reduction in times in which licensable activity can take place.

There are a number of concerns regarding this application

Alcohol is readily available in Middlesbrough and can be purchased from a number of different alcohol premises including off licences, supermarkets and premises offering alcohol delivery services.

Middlesbrough experiences a number of issues including incidents of alcohol related crime and disorder and anti-social behaviour that impact on many lives. Such issues also impact negatively on our local NHS services including James Cook Accident & Emergency departments, Police and ambulance services.

Throughout the Covid-19 pandemic, there has been an increase in the amount of people drinking from home, which has resulted in an increase on the levels of Domestic Abuse being reported. Such incidents not only affect an individual's physical and mental health but can also have a detrimental effect on those living in the same household, including children and families.

There are also high numbers of people in Middlesbrough who are classed as being vulnerable due to alcohol addiction. This premise is in very close proximity of Middlesbrough Council's commissioned alcohol recovery services.

It is our opinion that the granting of this licence would further undermine the Crime and Disorder and Public Safety licensing objectives and will exacerbate the problems already experienced.

Further evidence will be submitted prior to a licensing sub-committee hearing.

It is my opinion that the grant of this premises licence would have a significant adverse impact on the promotion of the following licensing objectives:

- |                                     |                                  |

<p>Grounds for representation (including details of any previous representations)</p> <p>The application is for the sale of alcohol by off sale from 7am to 11pm daily.</p> <p>The Licensing Authority has agreed that a Cumulative Impact Policy should be applied to the area within which the premises is located for new premises licences for the sale of alcohol off the premises. --

These ward areas already suffer from high levels of alcohol related crime and disorder and anti social behaviour and the Licensing Department believe that the granting of this licence will only exacerbate the existing problems.

Officers have concerns in relation to the applicant's lack of experience in running a licensed premises of this type and do not believe that they have proposed suitable and sufficient measures within the Operating Schedule to promote the licensing objectives, especially given that the premises is situated in an area contained within the Council's Cumulative Impact Policy.

Please state the ground(s) for representation. (please read guidance note 1)

Cleveland Police have received an application made under the Licensing Act 2003 for a premises licence to be granted at Go Local Convenience Store, 136 Marton Road, Middlesbrough, TS1 2ED. The applicant is seeking the sale of alcohol from 07 00hrs until 23 00hrs, seven days a week.

Cleveland Police wish to make representation's to this application for the following reasons,

On Thursday the 25<sup>th</sup> of February 2021, a meeting was held at Middlesbrough Police station due to concern's about the application, the meeting involved Cleveland Police, members of staff from Middlesbrough council's public health and Licensing team, also present was the applicant, Lisa Enderwick and her partner Araf Ishaq and Mr Lester, a licensing consultant acting on behalf of the applicant.

Even though the applicant did show a willingness to work with the responsible authorities, it was concerning to hear that the applicant and her partner had a limited knowledge of the licensing act and had limited knowledge/experience of working in a licensed premise. They stated that they would be relying on a PLH from a nearby Go Local store to act as a mentor, who would guide and offer them advice.

It was also established at the meeting that the applicant has not yet completed her personal licence holder's course

Without being disrespectful to the applicant and even with a mentor, who I'm sure won't be present at the premise full time, it is concerning to Cleveland Police that a convenience store selling alcohol will be operated and managed by someone with such limited experience of the licensing act.

Middlesbrough has two cumulative impact policies in force at the moment, one for on licensed premises and one for off licensed premises. In both Cumulative impact policy

area's, there are already high levels of alcohol related crime and disorder and anti social behaviour. This proposed premise sits in the area that has the Cumulative impact policy in force for off licensed premises, as this premise will operate from Central ward, it is worthy of note that 5 ward area's of Middlesbrough are within this cumulative impact policy for off licensed premises, Central, Newport, North Ormesby, Park, Longlands and Beechwood.

As evidenced by the need for Cumulative Impact policies, Middlesbrough already suffers from high levels of alcohol related crime and disorder and anti social behaviour and Cleveland Police are firmly of the belief that another off licensed premise will only exacerbate the existing problems, by making alcohol more readily available to persons who have already partaken in alcohol and the vulnerable, this is particularly worrying considering more and more people are consuming more alcohol at home.
