### 1 PURPOSE OF THE REPORT

- 1.1. To update Live Well South Tees Board members on the Better Care Fund planning requirements for 2026-27, assure members that Middlesbrough and Redcar & Cleveland are meeting the conditions and seek endorsement of BCF plans

### 2 Better Care Fund Plans 2026-27

- 2.1 This item will update Live Well South Tees Board members on the Better Care Fund planning objectives, conditions, funding and metrics for 2026-27 and seek formal approval for the submission of plans to the BCF national team.

The plans have been developed by South Tees BCF Implementation and Monitoring Group members and were submitted to our local Better Care Manager for initial review and feedback in April.

The feedback was positive with only minor points highlighted, mainly around links to performance and NHS operational planning, but there has been limited time to review plans given the tight deadlines set to us nationally.

### 3 BCF 2025/6 Quarter 4 Reporting Templates

- 3.1 The national team required updates in quarter 4 to confirm performance against metrics, actual expenditure to date and a review of hospital discharge and community activity and capacity.

The templates were completed and submitted by the BCF Implementation and Monitoring Group by the deadline of 6 June 2026 with delegated Health and Wellbeing Board approval.

Members are asked to note submission of these templates which are available on request
