Executive summary
The Overview and Scrutiny Board is asked to consider its work programme for the 2026/2027 municipal year. The primary function of a Scrutiny Panel is to influence the policies and decisions of the Council and other organisations involved in delivering public services. It does this by gathering evidence on issues that affect local residents and making informed recommendations based on its findings. Work programmes provide structure to the activity of the scrutiny panel and allow for the effective planning and preparation of work. The Panel is asked to select two Scrutiny

Investigation Topics and note the standard agenda items for updates throughout the municipal year.

The Scrutiny Panel is asked to ensure that topics agreed for inclusion:

- Affect a group of people living within the Middlesbrough area.
- Relate to a service, event, or issue in which the Council has an influence.
- Are not issues which the Overview and Scrutiny Board or Scrutiny Panels have considered during the last 12 months.
- Do not relate to an individual service complaint.
- Do not replate matters dealt with by another Council Committee unless the issue deals with procedure.

1. Purpose of this report and its contribution to the achievement of the Council Plan ambitions.

1.1 Managing an effective work programme is essential to the success of scrutiny panels, as it assists with planning and managing the workload, focussing on the Council's ambitions and aims to assist with maximising impact on the Council's performance and outcomes for residents.

1.2 Scrutiny ensures that the decisions taken by the Council and its partners are appropriate. It creates an open, transparent way for members to shape, question, evaluate and challenge policies, decisions, and performance.

1.3 Scrutiny investigations are usually carried out over the course of several meetings, which consider information from relevant sources and examine current policies and practices. At the end of the exercise, a report is prepared which summarises the scrutiny panel's findings and puts forward recommendations.

1.4 The purpose of the report is to agree a work programme for the Overview and Scrutiny Board, ensuring Scrutiny Investigation Topics and standard updates support the delivery of the ambitions of the Middlesbrough Council Plan 2024-27:

Our ambitions	Aims
A successful and ambitious town	<i>Aims within this ambition are to:</i> - <i>attract and grow businesses to increase employment opportunities.</i> - <i>Improve attainment in education and skills.</i> - <i>Ensure housing provision meets local demand</i>
A healthy Place	<i>Aims within this ambition are to:</i> - <i>improve life chances of our residents by responding to health inequalities.</i> - <i>protect and improve our environment.</i> - <i>promote inclusivity for all.</i> - <i>reduce poverty</i>
Safe and resilient communities	<i>Aims within this ambition are to:</i> - <i>support adults to be independent for longer.</i> - <i>improve transport and digital connectivity.</i> - <i>promote new ideas and community initiatives.</i>

	- <i>reduce crime and anti-social behaviour</i>
Delivering best value	<i>Aims within this ambition are to:</i> - <i>ensure robust and effective corporate governance.</i> - <i>set a balanced revenue budget and Medium-Term Financial Plan to restore financial resilience and sustainability</i>

2. Recommendations

2.1 That the Overview and Scrutiny Board agrees a Work Programme, for approval by Overview and Scrutiny Board by;

1. Noting the standard updates / presentations that will be scheduled throughout the municipal year.
2. Selecting two Scrutiny Investigation Topics, taking into consideration the suggestions from stakeholders and additional suggestions from panel members.

3. Rationale for the recommended decision(s)

3.1 Under the terms of the Local Government Act 2000, local authorities have a responsibility of community leadership and a power to secure the effective promotion of community well-being. Therefore, in addition to the scrutiny panel's generally recognised powers (of holding the Executive to account, reviewing service provision, developing policy, considering budget plans and performance and financial monitoring), panels also have the power to consider any matters which are not the responsibility of the Council, but which affect the local authority or the inhabitants of its area. For example, nationally, local authorities have undertaken scrutiny work on issues such as post-office closures, rural bus services, policing matters and flood defence schemes.

4. Background and relevant information

4.1 Middlesbrough Council now operates three Scrutiny Panels for 2026/2027 in addition to its Overview and Scrutiny Board:

- Adult Social Care and Health Scrutiny Panel
- Children's Services Scrutiny Panel
- Place Scrutiny Panel

4.2 The Overview and Scrutiny Board are empowered to undertake review topics in the same way as Scrutiny Panels if they choose. For the 2026/27 municipal year OSB will continue to lead on pre-decision scrutiny by scrutinising the Forward Work Programme more thoroughly and by inviting Executive Members to meetings it will exercise its Overview Function.

4.3 Topics considered by the Overview and Scrutiny Board in 2025/2026 are listed below for Member's information.

4.4 At the start of every Municipal Year, Scrutiny Panels discuss the topics that they would like to review during the coming year. The Panel is asked to select topics for at least two Scrutiny Investigations and to note the standard updates that will be scheduled as part of the Work Programme.

4.5 As part of the process for establishing the panel's work programme, Democratic Services gather information and views from several sources. Following an annual consultation exercise which ran between 4 March 2026 and 8 May 2026, several topics were suggested which are listed in Appendix 1. Context and rationale for the suggestions have been detailed where this was provided. Members are advised that the list is not exhaustive and that additional topics can be added and considered at the scrutiny panel meeting.

4.6 When considering topics for the work programme, Members need to consider the following to prioritise issues where scrutiny can make an impact, add value or contribute to policy development:

- Does the issue affect a majority of the population of Middlesbrough or specific area?
- Is the issue strategic and significant
- Will the scrutiny activity add value to the Council's overall performance?
- Is it likely to lead to effective outcomes?
- Will it be duplicating some other work?
- Is it an issue of concern to partners and others?
- Is it an issue of community concern?
- Are there adequate resources to do the activity well?
- Is the scrutiny activity timely?

4.7 In addition to the selected Scrutiny Investigation Topics, Panel Members are asked to note the following standard agenda items which will be scheduled for updates, throughout the municipal year:

	Update
1	Executive Member Portfolio Updates (scheduled)
2	The Council's Approach to Poverty (to be scheduled)
