The Licensing Authority must also have regard to its Licensing Policy and any guidance issued by the Secretary of State.

Section 53 of the Licensing Act 2003 provides a procedure for a summary review of a premises licence by the Police for an expedited or 'fast track' review of a premises licence which authorises the sale of alcohol in cases where a senior police officer of the rank of superintendent or above gives a certificate indicating that in his/her opinion the premises are associated with serious crime and disorder or both. The procedure allows the licensing authority to respond by taking interim steps quickly, where appropriate, pending a full review.

Section 53 of the Licensing Act 2003 also makes provision for a Premises Licence Holder to make further representations to Members against any interim steps imposed at the Summary Review hearing. The Premises Licence Holder may do so at any time prior to the full review hearing. Cleveland Police seek an Expedited Review of the premise licence for Lounge Afrique following a serious incident that occurred during the early hours of 18 July 2026 between approximately 01:30hrs and 02:30hrs.

daughter had left home without permission and attended Lounge Afrique in Middlesbrough town centre. Whilst at, or following her attendance at, the premises, the child is alleged to have become the victim of a serious sexual offence, namely rape.

Cleveland Police have significant safeguarding concerns arising from this incident. The victim is classed as vulnerable because of her age and witnesses who were present with her are also of the same age, significantly below the age of 18. Information obtained during the investigation indicates that these children were able to gain entry to the licensed premises.

Investigating officers have further reported difficulties in obtaining information from the premises. It is alleged that members of staff, including the Designated Premises Supervisor (DPS) and/or Premises Licence Holder, have not fully cooperated with enquiries and have frustrated aspects of the ongoing investigation.

In addition to the current investigation, Cleveland Police are concerned by the volume and nature of previous reports linked to the premises over the preceding two years. These incidents along with this triggering incident demonstrate that this is not an isolated incident. There have been other incidents over the past 24 months involving serious crime and safeguarding concerns around the premise.

The latest incident constitutes both serious crime and a lack of safeguarding of members of the public particularly children, in a premise where children should not be present.

Cleveland Police does not believe it is appropriate to address these issues through the standard review process, the incident is serious and involves a person under 16 years old and any delay as a result of the process would be disproportionate to the risk of another victim being seriously harmed. Given the seriousness of the incident that has given rise to this application, the age of the victim, the ongoing criminal investigation.

Cleveland Police believe that Immediate Action is required to prevent further risk to the public. Cleveland Police respectfully request that the Licensing Authority treat this matter as one of exceptional urgency and grant an Expedited Review of the Premises Licence under the provisions of the Licensing Act 2003.

APPLICATION FOR AN EXPEDITED REVIEW

Lounge Afrique, Middlesbrough

Cleveland Police seek an Expedited Review of the premise licence for Lounge Afrique following a serious incident that occurred during the early hours of 18 July 2026 between approximately 01:30hrs and 02:30hrs.

Police received a report from the parent of a female under 16 stating that her daughter had left home without permission and attended Lounge Afrique in Middlesbrough town centre. Whilst at, or following her attendance at, the premises, the child is alleged to have become the victim of a serious sexual offence, namely rape.

Cleveland Police have significant safeguarding concerns arising from this incident. The victim is classed as vulnerable because of her age and witnesses who were present with her are also reported to be of the same age. Information obtained during the investigation indicates that these children were able to gain entry to the licensed premises.

Investigating officers have further reported difficulties in obtaining information from the premises. It is alleged that members of staff, including the Designated Premises Supervisor (DPS) and/or Premises Licence Holder, have not fully cooperated with enquiries and have frustrated aspects of the ongoing investigation.

In addition to the current investigation, Cleveland Police are concerned by the volume and nature of previous reports linked to the premises over the preceding two years. These incidents along with this triggering incident demonstrate that this is not an isolated incident. There have been other incidents over the past 24 months involving serious crime and safeguarding concerns around the premise.

Licensing Objectives

Cleveland Police submit that the above incident, together with the history of associated reports with the premises, demonstrates serious concerns regarding the management and operation of Lounge Afrique.

The current incident involves the alleged rape of a child under 16 who was able to gain entry to the premises. This, alongside reports of sexual offending, suspected drink spiking, violence, safeguarding concerns and the apparent failure of staff and security personnel to respond appropriately, indicates that the premises is failing to promote the licensing objectives, namely:

The Prevention of Crime and Disorder;
Public Safety;
The Protection of Children from Harm.

The latest incident constitutes both serious crime and a lack of safeguarding for members of the public particular the vulnerable. Cleveland Police does not

believe it is appropriate to address these issues through the standard review process, the incident is serious and involves a person under 16 years old and any delay as a result of the process would be disproportionate to the risk of another victim being seriously harmed.

Given the seriousness of the incident that has given rise to this application, the age of the victim, the ongoing criminal investigation, Cleveland Police believe that Immediate Action is required to prevent further risk to the public. Cleveland Police respectfully request that the Licensing Authority treat this matter as one of exceptional urgency and grant an Expedited Review of the Premises Licence under the provisions of the Licensing Act 2003.

Notes for guidance:

1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

- conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or

- conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious disorder is not defined in legislation, and so bears its ordinary English meaning.

2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder, or both.

Re: Summary Review of the Premises Licence – Lounge Afrique

We respectfully submit this statement in response to the application for an expedited review of the premises licence for Lounge Afrique.

First and foremost, we wish to express our deepest sympathy for the young person involved in the incident that has led to these proceedings. Any allegation involving a child is extremely distressing, and we fully recognise the seriousness of the matter. We sincerely hope that the ongoing criminal investigation provides the answers that everyone involved is seeking.

We respectfully ask the Committee to remember that this is an ongoing criminal investigation and that no findings have yet been made regarding the circumstances of the alleged offence. We therefore ask that today's decision is based on the evidence concerning the operation of our premises and the licensing objectives, rather than assumptions about matters that remain under investigation.

Lounge Afrique has always taken its responsibilities as a licensed premises seriously. On the evening in question, SIA-licensed door supervisors were on duty, and the premises were covered by comprehensive CCTV.

When Cleveland Police attended the premises, we immediately provided full access to our CCTV system. Officers downloaded footage until their USB storage device became full. They advised us they would return the following evening at approximately 8.00 pm to obtain the remaining footage. We remained ready and willing to assist, but the officers did not return. We therefore respectfully dispute any suggestion that Lounge Afrique has failed to cooperate and invite the Committee to ask the police to identify specifically what information or assistance they believe was withheld.

We also note that the police certificate states that the alleged offence occurred "at, or following her attendance at" the premises. We respectfully submit that the precise location and circumstances remain under investigation and that it has not yet been established where the alleged offence occurred or what direct connection, if any, exists between the incident and the management of Lounge Afrique.

If relevant, we also ask the Committee to establish whether the young person attended any other licensed premises during the course of the evening and, if so, whether those premises have been subject to similar licensing action. This request is not made to shift responsibility but to ensure that the Committee has the fullest possible understanding of the events before reaching its decision.

This is the first major incident of this nature that has ever been brought to our attention. To the best of our knowledge, Cleveland Police have never previously raised concerns with us

regarding underage persons gaining entry to our premises, nor have we received formal warnings or enforcement action relating to failures in our age-verification or safeguarding procedures. If there have been concerns in the past, we would have expected to have been informed so that we could address them immediately.

We respectfully ask the Committee to consider this history when assessing whether the premises present an ongoing and immediate risk requiring suspension.

If the Committee has concerns about safeguarding or operational procedures, we are fully committed to working constructively with Cleveland Police and the Licensing Authority. We are willing to accept additional licence conditions where appropriate, including:

Enhanced Challenge 25 procedures.

Additional SIA security staff where appropriate.

ID scanning for customers.

Further staff training in safeguarding and protecting children from harm.

Enhanced incident recording procedures.

Any other reasonable conditions the Committee believes will improve public safety.

Lounge Afrique has proudly served the local community for several years. We have always sought to provide a safe, welcoming and enjoyable environment for our customers. We do not take this incident lightly, and we recognise that there may be lessons to learn.

We want to reassure the Committee that we are committed to doing everything within our power to make Lounge Afrique even safer than it already is. We will continue to review our policies, invest in staff training and security measures, and work openly with Cleveland Police and the Licensing Authority to ensure the highest possible standards of public safety and the protection of children from harm.

We respectfully ask the Committee to consider whether additional licence conditions would adequately address any concerns, rather than imposing the severe and immediate step of suspending the premises licence while the criminal investigation remains ongoing.

We thank the Committee for taking the time to consider our representations and respectfully ask that our willingness to cooperate, our previous history, and our commitment to continuous improvement are all considered when reaching a fair and proportionate decision.

Yours faithfully,

The Premises Licence Holder

Dear Sir,

Decision of the Licensing Sub Committee, Hearing 28 July 2026
Summary Review of a Premises Licence under Section 53A and 53B of the
Licensing Act 2003 to consider interim steps .

Decision Licensing Sub Committee 28 July 2026

Application for Summary Review of the Premises Licence Lounge Afrique, 25 Corporation Road, Middlesbrough - Section 53A and B of the Licensing Act 2003

Applicant

Cleveland Police

Premises Licence Holder

Percy Quarcoo

Premises

**Lounge Afrique, 25 Corporation Road,
Middlesbrough**

Designated Premises Supervisor

Gerry Quarcoo

1. The Committee considered an application from the Police for a summary review of a Premise Licence in respect of Premises at Lounge Afrique, 25 Corporation Road, Middlesbrough TS1 1LP.
2. Under Section 53B of the Act, Licensing Sub Committee must consider whether it is necessary to take interim steps pending a full review where, in the Police's opinion, the Premises is associated with serious crime or disorder, or both.
3. The Committee therefore considered the report, the application, the certification made by the Superintendent, the representations made by the Police and the written representations of the Premises Licence Holder.
4. The Committee considered Sections 53A and 53B of the Act, it considered the Council's Licensing Policy and the Government Guidance.
5. The Committee considered it was necessary to take the following interim steps pending the determination of the full review of the Premises under section 53B of the Act:
 - a. To suspend the whole of the Premises Licence
 - b. To remove the Designated Premises Supervisor
6. The reasons for the decision are as follows:

7. A serious incident occurred in the vicinity of the Premises between 01:30am and 02:30am on 18 July 2026. It is alleged that the Victim, a child, was subject to serious sexual offence, namely rape, whilst at or following their attendance at the Premises.
8. The Premises were open and serving alcohol at the time when a group of individuals, who were under the age of 18, including the Victim, attended the Premises and gained entry on more than one occasion.
9. CCTV footage shows the Victim, along with a group of friends enter the Premises without showing Photographic ID on two occasions. On one further occasion, on the same evening, the Victim and their friends was stopped by a member of the door staff. Upon showing ID, of some form, on their phones they were subsequently allowed to enter.
10. The CCTV footage from inside the premises shows the Victim purchasing what is believed to be an alcoholic drink on at least two occasions.
11. The CCTV further shows the Designated Premises Supervisor at the Premises, behind the bar, with underage individuals including the Victim, within the Premises drinking what appeared to be alcoholic beverages.
12. The Committee believe that the failure of the staff to properly adhere to the conditions, namely executing age verification, has subsequently put the victim at risk, which then later led to the serious incident.
13. The Committee considered the history of other allegations, that were submitted by the Police, including other reports of sexual assaults and spiking, as well as this serious incident, and determined that there was serious crime at the Premises.
14. The Committee considers it necessary, pending the determination of the review, to address the immediate problems with the Premises, in particular the likelihood of further serious crime.
15. The Committee considered the circumstances of the incident that has given rise to the application, as well as the Victim being under the age of 16, the ongoing criminal investigation and thus determined that the interim steps are proportionate to prevent further serious crime and to promote the licensing objectives.
16. The interim steps take place immediately.
17. There is no right of appeal against the interim steps.
18. A full review is required to take place within 28 days from the date of receipt of the Application by the Police.
19. If the Premises Licence Holder makes representations to the interim steps a hearing will be convened to hear those representations within 48 hours (not including any non-working day).

Yours faithfully

Tim Hodgkinson
Licensing Manager

Re: Representations Against the Interim Steps – Premises Licence for Lounge Afrique

Dear Members of the Licensing Sub-Committee,

I write on behalf of the Premises Licence Holder to make formal representations against the interim steps imposed following the Summary Review Hearing held on 28 July 2026 under Sections 53A and 53B of the Licensing Act 2003.

Firstly, we wish to express our sincere concern for the young person involved. Any allegation involving the safety and welfare of a young person is deeply distressing. We fully support the ongoing investigation by Cleveland Police and remain committed to assisting them and the Licensing Authority in every way possible.

Since receiving the Committee's decision, we have undertaken a detailed review of our CCTV footage. During this review, we observed what appears to be older adult women accompanying the younger females at various stages of the evening. This has raised significant safeguarding concerns for us, as it suggests there may be wider circumstances surrounding how these young people gained access to the venue. We are not seeking to draw conclusions, as this remains a matter for the police investigation, but we believe this observation is relevant and should form part of the wider picture being considered.

We are also concerned that the Committee's decision refers to the alleged offence as occurring "in the vicinity of the premises" and "at or following their attendance at the premises," without identifying that the offence occurred inside the licensed premises. As the criminal investigation is ongoing, we respectfully submit that these important factual matters remain to be established.

We recognise the seriousness of the concerns raised and have acted immediately. We have not waited for the outcome of the full review before making significant improvements to our operation.

The actions we have already taken include:

The immediate recruitment of a new security team to strengthen supervision and customer safety with clear instructions of what is required of them in discharging their duties.

The purchase of an electronic ID scanning system, which has already been ordered and will be implemented as soon as it is delivered.

Full body cams and metal detectors for security staff.

A full review of all staffing arrangements.

Enhanced safeguarding training for all staff.

Refresher Challenge 25 and age verification training.

A review of door supervision procedures and responsibilities.

Strengthened management oversight during trading hours.

Improvements to incident reporting and record keeping.

A full review of our CCTV procedures and monitoring.

The development of enhanced safeguarding policies to better protect vulnerable persons.

An ongoing commitment to work closely with Cleveland Police and the Licensing Authority to implement any further recommendations.

These are not simply proposed measures—they are actions that are already underway because we are determined to ensure that Lounge Afrique operates to the highest possible standards of safety.

We respectfully submit that the complete suspension of the premises licence is a severe interim measure. In light of the immediate and substantial improvements already implemented, we ask the Committee to consider whether the licensing objectives could instead be adequately promoted through robust interim conditions rather than continued suspension.

We remain fully committed to working openly, honestly and constructively with Cleveland Police, the Licensing Authority and the Committee. Our focus is on learning from this situation, strengthening our safeguarding arrangements and ensuring the safety and wellbeing of every customer who attends our premises.

We therefore respectfully request that the Committee reconsider the interim suspension and replace it with appropriate interim conditions pending the full review hearing.

Thank you for your time and consideration.

Yours faithfully,

Premises Licence Holder
