Description:	<p>The Green Homes Grant Local Authority Delivery Phase 2 (LAD2) Scheme aims to improve the energy efficiency of homes of low-income households, help to reduce fuel poverty, phase out high carbon fossil fuel heating, and deliver progress towards the UK's commitment to net zero by 2050. Phase 2 comprises of £300m allocated through Local Energy Hubs for regional delivery up to December 2021. The North East Yorkshire and Humber Energy Hub has secured £51.95m in LAD2 funding from the Department of Business Energy and Industrial Strategy (BEIS).</p> <p>Middlesbrough Council has applied for the full £1,091,161 allocation which BEIS have calculated based on Middlesbrough's fuel poverty figures. This allocation includes a maximum 11% allocation for the costs of running the scheme of £108,133. Due to tight timescales for delivery and lack of internal capacity appointing a delivery partner is the only way to ensure we meet the requirements of the grant and avoid any clawback of funding. The 5 Tees Valley Local Authorities have worked collaboratively with Operational Leads, Procurement, Finance and Legal to ensure our proposed procurement route is compliant with our Standing Orders.</p>
