08 April 2020

Dear Colleague,

New Burdens Funding for New Statutory Domestic Abuse Duty (2021-22): agreement to pay local authorities under the power in s31 of the Local Government Act 2003 No. 31/5486.

Thank you for your authority's continued work to provide core support for refuges and other safe accommodation and your efforts to prepare for the new statutory duty. You will be aware that the Ministry of Housing, Communities and Local Government (MHCLG) secured £125 million to cover the cost of new burdens placed upon local authorities in England as you meet (and prepare to meet) the new statutory duty relating to the provision of support within domestic abuse safe accommodation during 2021/22 (which is contained within the Domestic Abuse Bill which is making its way through Parliament).

The new duty will come into force subject to the Domestic Abuse Bill successfully completing its passage through Parliament and following subsequent consultation on the underpinning statutory guidance and relevant regulations. However, the Secretary of State has determined that local authorities should be able to fulfil the functions of the new duty from 1 April 2021, even in the event that the duty itself does not formally commence until later during 2021. The Department is now able to issue a Determination to local authorities covering this new burden funding.

The purpose of this funding is set out in detail within the Memorandum of Understanding. We would be grateful if you would sign and return at your earliest convenience.

In October 2020 we consulted on the approach to allocating this new burdens funding. Individual allocations to tier one and tier two local authorities across England are made following the allocation methodology set out within the MHCLG Funding Allocation Methods: New Domestic Abuse Duty: Consultation Response.

I enclose a Determination made under section 31 of the Local Government Act 2003, for the purpose of providing grant support to the local authorities listed in Annex A in England towards expenditure lawfully incurred or to be incurred by them in meeting the new statutory duty relating to the provision of support within domestic abuse safe accommodation, and to enable them to fulfil the functions of the duty ahead of commencement from April 2021 to 31 March 2022.

Yours sincerely

Cathy Page
